A VERY WARM WELCOME TO AFC PORTCHESTER

A very warm welcome to AFC Portchester for today's game in the Adobe Women's FA Cup First Round.

We extend a warm welcome to our visitors Gloucester City – welcome to the players, officials and supporters of today's visiting team and also to the match officials.

This is the second time this season that a Gloucester City team has visited The OnSite Group Stadium.

Their men's team successfully negotiated an Emirates FA Cup replay here 2-0 at the beginning of September.

They will be keen to repeat that winning performance but standing in their way is a Portchester team who are up for this occasion – as you will read in the pages of this programme.

Your backing of the men's team is superb Royals Army, now you need to reach the same levels of backing for today's key cup tie.

CAPTAIN'S COMMENT: WE'RE UP FOR THIS ENCOUNTER

It's been an exciting start to the season, with plenty of new faces in the squad and a real sense of potential through out the team.

Our league form has been a bit mixed so far, but I think some of our best football has come in the FA Cup, and we'll be looking to build on that this Sunday against Gloucester.

There's a real buzz around the club ahead of the game - the team are up for it, and we can't wait to get out there.

Hopefully we'll see a big crowd come down to get behind us. Your support really makes a difference, and we'll be giving everything to make it another special FA Cup day.

FA CUP NEWS ROUND-UP

The Adobe Women's FA Cup Second Round Proper draw will be made tomorrow (Monday) evening, live on the official TNT Sports YouTube channel.

Taking place from 7pm at a venue to be confirmed following the completion of today's First Round ties, the draw will be presented by Flo Lloyd-Hughes and made by Mollie Kmita, Rosie Kmita and Gilly Flaherty.

Further details will be released, as well as the ball numbers, tomorrow morning.

Ahead of the Emirates FA Cup and Adobe Women's FA Cup First Round Proper, Mitre has unveiled the official match balls for their 2025-26 editions.

New for this season, Mitre have introduced a completely re-imagined Ultimax Pro match ball, engineered for elite performance and crafted to honour the spirit of both tournaments.

Featuring enhanced flight aerodynamics, a responsive touch and tailored visual identities, the balls represent the perfect fusion of technology, performance and storytelling.

The Emirates FA Cup is the world's most historic knock-out football competition – a symbol of tradition, drama and glory. And this season's Ultimax Pro match ball pays tribute to the artistry of its famous trophy.

Drawing inspiration from the intricate, William Morris-style floral engravings found on the silverware, the design re-imagines these timeless motifs across the ball's surface, with hand-drawn patterns elegantly replicated across each panel.

The new 2025-26 design features panels of deep blue, complemented by refined silver detailing and anchored with custom red Delta chevrons.

The Adobe Women's FA Cup steps into a vibrant new chapter, defined by fearless creativity, unstoppable energy and unapologetic colour.

The new Ultimax Pro football captures this spirit with a striking design powered by 'Vibe Lime' – the signature spark of the competition's refreshed brand identity.

For the first time, Mitre introduces a fluorescent base to the Adobe Women's FA Cup ball, amplifying visibility and vibrancy on the pitch.

Every panel, every shade, and every motif

represents the dynamic energy of the women's game.

James Gray, FA commercial director, said: "Mitre and its Ultimax Pro continue to be fitting partners for the Emirates FA Cup and the Adobe Women's FA Cup.

"History and memories have been made with these footballs and competitions countless times over the years, and they all repeatedly develop alongside the sport.

"These new Ultimax Pro match balls are an engaging and innovative tribute to our cups, and we can't wait to see more history and memories being made with them this season."

Simon Rowe, senior vice president of Mitre and Global Sports Marketing at Pentland Brands, added: "The FA Cup is a competition built on history, passion and unforgettable moments, and over the years Mitre balls have formed part of that story.

"Every detail of the new designs for both the Emirates FA Cup and Adobe Women's FA Cup competitions has been crafted for precision, performance and to encapsulate the spirit and joy of the game.

"We're proud of our partnership with the FA and once again this season are bringing innovation to one of football's most iconic competitions with the re-imagined Mitre Ultimax Pro."

FA CUP HISTORY: ARSENAL HOLD RECORD FOR MOST WINS

The Women's FA Cup is the premier knock-out competition in England, which was first founded in 1970, initially as the WFA Cup.

It has since been known as the FA Women's Cup and has attracted sponsorship from UK Living, Nationwide, AXA, E.ON and Vitality over the years and is currently the Adobe Women's FA Cup.

In its early days, the competition was known as the Mitre Challenge Trophy and was organised by the Women's Football Association (WFA).

The competition also included teams from Scotland and Wales, with the first three finals featuring teams from north of the border.

The WFA ran the competition for the first 23 editions, during which time Southampton won the cup eight times in its first 11 campaigns.

The FA began administering English women's football in mid-1993.

Arsenal currently hold the record for most titles overall, having won the cup 14 times.

The current holders are Chelsea, who defeated Manchester United 3-0 in the 2025 final.

MANAGER'S NOTES: TEAM EXCITED FOR TODAY'S GAME

It's that time again!

As I've said before, the FA Cup is always a special occasion – it gives us a chance not only to park the league campaign, but also pit our wits against opposition we've not faced previously at differing levels within their respective leagues.

This week we face what looks like a very good Gloucester City side who will travel to us full of confidence and they will be expecting passage through to the next the round.

As a club we've managed to have

some real success in this competition – no more so than last season when we fell to AFC Bournemouth in the Second Round – the next round we would play in should we be successful in today's cup tie.

With all that said though I know the team are excited to be walking out Sunday with no pressure other than to deliver their best performance and will no doubt soak up the day for all the excitement an FA Cup tie such as this will bring.

FIREWORKS SPECTACULAR IS FUN FOR ALL THE FAMILY

Things are starting to feel a bit autumnal and that can mean only one thing at AFC Portchester – the annual family fireworks display and laser show is on the way!

The popular event, which always sells out in advance, is being held at The OnSite Group Stadium on Friday, October 31, from 6pm and it promises to be an evening of traditional fireworks and Hallowe'en fun for all the family.

The event is particularly enjoyed by families with young children as there are plenty of activities on the night aimed at them and it gives youngsters the opportunity to enjoy a traditional fireworks display in a safe environment.

The introduction of a laser lights show has been a spectacular addition to the event in the last few years and the display will be back to wow the crowds again.

Also returning after its successful introduction last year is a special Hallowe'en spook room – do you dare to walk through the spooky and scary displays on what will be

Hallowe'en night?

There will also be children's entertainment on the night and prizes will be awarded to the best Hallowe'en-themed fancy dress costumes worn to the event by youngsters.

There's plenty to keep the adults entertained too – all three indoor bar areas will be open and there will also be an outdoor bar in the large, covered outdoor function area too.

There will also be plenty of hot and cold food and drink options available too, so no one will be going thirsty or hungry on the night.

New for this year's event is the VIP ticket option which includes an exclusive viewing area to watch the spectacular display from and light refreshments.

If you are thinking of attending this event organisers are advising people to purchase their tickets as soon as possible as this event is always sold out ahead of the night each year.

To purchase your tickets scan the QR code included on the event poster on the facing page.
