A VERY WARM WELCOME TO AFC PORTCHESTER

A very warm welcome to AFC Portchester for today's game in the Adobe Women's FA Cup Second Round.

We extend a warm welcome to our visitors Worthing – welcome to the players, officials and supporters of today's visiting team and also to the match officials.

Our ladies team have already matched their best ever run in this competition and today they have the chance to create a new piece of history

by reaching the Third Round for the first time.

A tough match awaits them however. Worthing play in the level above the Royals so they are going to be tough opponents to try and overcome in today's game.

But as you will read in the articles inside this programme, our players are looking forward to the game and have set their sights on making further FA Cup memories.

It promises to be a great afternoon!

BRAVE SCARLETT SHOWS WHY EYE TESTS ARE SO CRUCIAL

Scarlett Billingham will be one of the mascots proudly leading out the AFC Portchester team before today's game.

The brave youngster has recently had surgery to remove a brain tumour which was discovered while she was having her annual eye check up.

Now Scarlett and her family want to make people aware of the importance of children having regular eye tests and raise much needed funds for charities directly involved in research and treatment of brain tumours.

Scarlett's father Tom said: "Scarlett went for a routine eye test, something we do every year for our girls. During the appointment the optician found swelling behind both optic nerves.

"This led to urgent hospital scans and within days Scarlett was diagnosed with a brain tumour.

She was fit, active and doing well at school with no signs that anything was wrong. The diagnosis came as a complete shock.

"The only reason this tumour was discovered early was because of that simple eye test. We want other families to know that these checks can make all the difference.

"We have set up a JustGiving page to raise awareness of how important eye tests are

for children and to support the charities that help families during frightening and uncertain moments like these."

Scarlett has had surgery to remove the tumour and Tom added: "She is recovering well and we remain grateful for the kindness and professionalism shown by everyone who has supported her."

AFC Portchester's players have been sending Scarlett good luck messages and have made donations to the fundraising effort, which has a target of £12,000.

The majority of the funds will be donated to three charities which have a direct connection to what families face in these situations – Ronald McDonald House Charities, Brain Tumour Research and Southampton Hospital Charity for paediatric neurology.

A small portion of the funds will be used to re-book a short family holiday for Scarlett. The family had to cancel their break just hours before they were due to travel so Scarlett could undergo urgent neurosurgery.

BATH LOOKING TO ADD TO HER GOAL TALLY IN COMPETITION

She has already fired home nine goals this season in the Adobe Women's FA Cup – and AFC Portchester's joint top goalscorer Becki Bath is hungry for more.

The ex-Worthing player goes up against her former club in the Second Round tie in a rich vein of goalscoring form in the competition.

She netted six goals in the 19-0 win over Weymouth and then another hat-trick of strikes in the 6-2 victory over Gloucester City in the previous round.

Add two more to that tally and she has already scored 11 times for the Royals this season.

Bath is looking forward to the challenge playing Worthing at The OnSite Group Stadium will pose for both herself and the team.

"This game will be a great test for us and an opportunity to show the determination and

character we have within the team," explained Becki.

"I can't wait for the challenge ahead in Sunday's game – hopefully it's another opportunity for myself to get on the score sheet.

"Within the team the vibes are great. We are all looking forward to hopefully progressing in the FA Cup and getting the chance to show what level we are able to play at."

Bath will be looking to use her experience to guide the Royals through to the Third Round – which would be the furthest point the club has ever reached in the competition.

She signed for Worthing in the summer of 2023 after previously being at AFC Wimbledon. Her impressive list of other former clubs includes Moneyfields, Southampton Saints, Portsmouth and AFC Bournemouth.

HALL OF FAME STAR LOOKING TO MAKE HISTORY FOR ROYALS

She has already made it into one hall of fame but Gemma Hillier could write herself into the AFC Portchester history books as well if she leads her side into the Third Round of the Adobe Women's FA Cup.

Hillier became the first female player to be inducted into Pompey's Hall of Fame in 2018, joining the likes of Portsmouth greats Jimmy Dickinson, Paul Merson, Alan Knight and Mark Hateley to be given the honour.

Hillier made 282 appearances for Portsmouth's ladies team, scoring 92 goals and she spent 17 years at the club.

She went on to play for AFC Bournemouth and captained the side when the Cherries reached the Third Round of the Women's FA Cup for the first time in their history.

Now the Royals' captain is aiming to create another piece of history in the women's game by helping to guide the Royals into the Third Round for the very first time.

"We're really proud to have reached the second round proper for the second season running, equalling our best ever achievement," said Gemma.

"We head into Sunday's game against Worthing on the back of a six-match winning streak, and the squad is in a great place."

AFC Portchester ladies have hit their top form in recent weeks after some changes during the close season and Hillier believes the Royals go into their FA Cup tie in the best possible shape.

She added: "With so many new signings it's taken time to gel, but the team spirit and togetherness we are showing now is fantastic.

"Every player has had valuable minutes in recent weeks, which puts us in a strong position to compete.

"Worthing are in the league above us, but we're determined to make it tough for them and show exactly what AFC Portchester are capable of."

MANAGER'S NOTES: A HUGE TIE AND OPPORTUNITY FOR US

It's here! Another Adobe Women's FA Cup game and one to be proudly a part of and I can truly say I'm so excited but equally nervous for the group and club.

The players have done extremely well to get us here – to the stage of the competition we reached last year.

Again, as last year, we go into the tie as underdogs naturally but that won't make it any less of an occasion for sure!

This is a huge tie and who knows, as every club does we dream of venturing further and giving our supporters and town something to be proud of!

Worthing are an established National League side and well respected within the women's game so just reaching this stage and competing with them is a huge honour and one I will cherish.

Here's to dreaming!

START YOUR CHRISTMAS WITH US AS 'ROBBIE' SET TO RETURN

If you're looking for the perfect way to kick-off your Christmas holiday season celebrations then look no further than AFC Portchester!

Whether you are looking to get together with family and friends, party with work colleagues before the Christmas break or just want a festive-themed night out that won't break the bank - Robbie Williams tribute act Lee Pashley will be perfect for you.

The 'He's The One' show is returning to AFC Portchester - by popular demand - on Thursday, December 18, and tickets cost just £5.

There is the option to upgrade your ticket to include a festive-themed buffet too - entry and the buffet costs just £12.50 per person.

Lee Pashley last visited AFC Portchester during the summer but his show proved to be so popular people were keen for him to make a return visit as soon as possible.

The fun, energetic show is dedicated to the

AGE IS NO BARRIER TO LAUREN AND HER FA CUP AMBITIONS

It doesn't matter what age you are the magic of the FA Cup can still get you.

And the pulling power of the Adobe Women's FA Cup's magic is no different to that of the Emirates FA Cup – especially when there is a giantkilling possible and a bit of history to be made.

While the older football fans among us get all misty eyed and nostalgic about classic FA Cup ties past and our favourite games in the competition, the good news is our younger generations share that passion for these cup competitions too.

AFC Portchester ladies player Lauren Aitken may be only 16 but this year's competition has already given her memories she will cherish for a lifetime – and she's keen to make some more too

Lauren explained: "To play in the FA Cup so young is something I'll carry with me forever. At 16, you expect to feel out of place, but this team – the players and the coaches – have made sure I never have.

"Stepping on to the pitch for my first FA

Cup game at 16 felt surreal. I grew up watching this competition on TV in my football pyjamas supporting the teams, hoping one day my hard work would give me an opportunity to play in this competition.

"Now I am playing in the FA Cup and my dream has come true!"

Age is certainly no barrier to Lauren's ambitions for this Sunday's cup encounter with Worthing and she has set her sights on making more of her dreams come true in the competition.

Lauren added: "I am looking forward to playing this weekend against Worthing and hopefully have an opportunity to impact the game – and may be score and be one of the youngest to score on such a big occasion."

Aitken has already scored five goals for the AFC Portchester Ladies first team so far this season from around a dozen appearances and the youngster will be aiming to net her first goal in the Adobe Women's FA Cup competition during Sunday's Second Round tie at The OnSite Group Stadium.
