A VERY WARM WELCOME TO AFC PORTCHESTER

A very warm welcome to AFC Portchester for today's Pitching In Isthmian League South Central Division fixture.

We extend a warm welcome to our visitors Hanworth Villa – welcome to the players, officials and supporters of today's visiting team and also to the match officials.

Well today's match brings the curtain down on our home campaign in the regular part of the 2025-26 season.

And what a season it has been so far. Winning the quadruple in 2024-25 was always going to be a tough act to follow but the excitement of some good runs in the FA Cup and FA Trophy during the early part of the season and then confirming our place in the end of season promotion play-offs certainly makes this another memorable season whatever the outcome is.

The first match at The OnSite Group Stadium this season certainly caught the national and international headlines. Who can forget Lee Wort's goal against Melksham Town?

The second game wasn't a bad spectacle either although we were less fond of the final outcome. We were 4-1 up against Bognor Regis Town in our first ever Step 4 home league game but ended up losing 5-4. That was some introduction to the Isthmian League.

But we have more than held our own since then and enormous credit must go to our grounds team for ensuring games went ahead in

the face of one of the wettest winters on record. Some games only went ahead because of their hard work and dedication.

Our final thanks go to our sponsors, supporters and anyone who follows the club at the games or from further afield. It has been another incredible home campaign and we could not do it without your support. Thank you everyone.

REPORT: WINNING AWAY RUN HALTED BY DEFEAT AT HARROW

AFC Portchester's run of eight away league wins in a row came to crushing end during their visit to Harrow Borough.

Frustration, anger, controversy, disappointment – just some of the adjectives that could be used to describe an away day which just didn't go the Royals' way from pretty much start to finish.

Portchester ended up on the wrong end of several contentious decisions – many of them baffling everyone in attendance apart from the match officials.

The home side made a rapid start to this game, looking to put pressure on the visiting defence whenever they could.

On three minutes a ball into the box was partially cleared but it fell to Lewis Cole near the penalty spot and his shot had to be charged down.

Three minutes later Lewis Cole picked up another clearance, which he knocked back into the box and Gareth Chendlik was only an inch or two away from connecting with the ball close to goal.

Portchester then went close to breaking the deadlock on seven minutes when they broke quickly through midfield and Ryan Pennery picked up the ball inside the penalty area.

He played it across to James Cowan and keeper Tom Clark had to beat his shot away at his near post.

The Royals went close to scoring from the resulting corner and the home defence had to hack the ball away from close to their own line.

Harrow kept creating half chances and on 12 minutes Charlie Malin's flicked header from a corner went just over.

On 26 minutes a similar chance fell to Lewis Cole but his glanced header went just wide.

The home side then got their noses in front on 37 minutes via a very dubious-looking penalty.

The video evidence appeared to show at least two Portchester players were fouled as a high ball bounced towards the box and a visiting player was bundled over but was judged to have brought down an attacker after being pushed to the ground.

Once the dust had settled on the Portchester protests Dernell Wynter sent keeper Steven Mowthorpe the wrong way with his spot kick.

You got the sense this wasn't going to be Portchester's day with the chances they had three minutes into the second half.

Pennery's free kick from just outside the box came back off the post and the follow up effort to try and turn the re-bound home was cleared off the line.

A long throw in from the right then found Archie Willcox at the far post but his header came back off the crossbar.

You definitely knew it wasn't the Royals' day when they had what appeared to be a perfectly good goal chalked off on 78 minutes.

A corner from the left was cleared as far as Connor Duffin and his shot was kicked away by Clark.

As the ball was played back into the six yard box, home defenders and the keeper seemed to get in each others' way and the visitors knocked the ball over the line twice.

The linesman signalled a goal, there were no protests from the home side but the referee appeared to be the only person in the stadium who didn't think it was a goal.

After a lengthy stoppage the goal was eventually ruled out – and with it went Portchester's chances of getting anything from the game.

More frustration and bewilderment with a refereeing decision followed when Harrow doubled their lead on 86 minutes – a move which was allowed to continue despite a visiting defender going down with what looked like a head injury in the build up.

The ball was played forward down the left, substitute Yoan Edoukou picked it up and played it on into the penalty area and eventually Wynter steered his shot from ten yards out past Mowthorpe.

A miserable afternoon was completed when Jack Lee was shown a second yellow card and given his marching orders and with a minute remaining Edoukou won the ball by the corner flag, played it across the box and Lewis Cole guided his low shot into the net.

With many leagues at Steps 5 and 6 blowing the final whistle on another spell-binding season as early as this afternoon, champions are being crowned left, right and centre.

So, ahead of the midweek action, here's a quick rundown of who's already joined the Non-League Roll of Honour for 2025-26.

While the nation are left praying they get to witness a historic National League title decider between Rochdale and York City on April 25, the battle for play-off places and to avoid relegation are as good as done.

Sadly, life at Step 1 is all over for Truro City, Braintree Town, Morecambe and Brackley Town, while the final play-off spot is Southend United's to lose at the expense of FC Halifax Town.

In National League North, AFC Fylde and South Shields are slugging it out for the title, with no fewer than 12 teams still dreaming of success.

For relegated Leamington and Peterborough Sports, it's Step 3 football for them next season.

The National League South is equally as competitive with Worthing having leapfrogged a stuttering Dorking Wanderers to take charge, with 11 teams harbouring promotion aspirations.

Eastbourne Borough, Enfield Town and Chippenham Town are relegated, with Bath City needing a miracle in order to avoid joining them.

The top of NPL Premier is just as exciting with Hebburn Town, Hednesford Town and FC United of Manchester all vying for the title honours, with Gainsborough Trinity, Stockton Town and Lancaster City all vying to join Warrington Rylands in the play-offs. In fact it's so tight, no team is officially relegated at the time of writing.

Folkestone Invicta have been crowned champions of the Isthmian League's Premier Division, with Aveley and Billericay Town guaranteed a play-off spot.

It's the end of the line though for Canvey Island and Potters Bar Town – their first relegation since 1979.

The Southern League Premier Central also has new champions in Harborough Town, while just three points separates five teams for two play-off spots, to join Spalding United and Real Bedford, who are seeking a fourth successive promotion.

It's farewell, though, to AFC Sudbury, Royston Town and Barwell.

Walton and Hersham impressively waltzed to the Southern League Premier South title – their fourth promotion in six years – with Gloucester City and Farnham Town, seeking a third straight promotion, guaranteed a play-off spot.

Tiverton Town and Hungerford Town slip through the trap door.

In the Northern Premier League at Step 4, Redcar Athletic were impressive winners of the East Division, racking up over 100 points in the process.

Bury FC are seemingly closing in on NPL West success, and Anstey Nomads and Carlton Town are neck-and-neck in a thrilling finale to the Midlands Division.

In the Isthmian League, Three Bridges clinched the South East title on Saturday to reach their highest ever level, joining South Central champions Leatherhead on the winners' podium.

Maldon and Tiptree and Felixstowe and Walton United are producing a thrilling finale to the North Division.

In the Southern League, Leighton Town wrapped up Division 1 Central on Saturday, joining Division 1 South champions Frome Town in Step 3 next term.

It's the time of year for partying on the terraces, celebrating league or cup glory after a memorable campaign. Make sure you have a glass on us.

TWO GROUPS TO PROVIDE THE PERFECT NIGHT OF SKA MUSIC

If you love Ska music you will love the Ska Night event coming up at AFC Portchester next month.

Two acts will bring the Ska sounds alive in the clubhouse at The OnSite Group Stadium on Friday, May 22.

It promises to be a night of ska musical fun as the two unique groups perform songs from all eras of this popular music genre – from the original ska music in the early 1960s and the two tone British era from the late 1970s, through to the third wave music produced throughout the 1980s and 1990s and more modern day tunes.

The Ska Choir, part of the Southern Ska Collective scheme, have gained quite a following in and around the Portsmouth area since their formation back in 2019.

Their infectious blend of ska and reggae covers has proved to be a hit with their audiences. The group are all about making music, having fun, supporting each other and bringing pleasure and enjoyment to all.

The Southern Ska Collective provides a safe and supportive environment for people aged 18 and over to get together to sing ska and reggae classics. There are no auditions and everyone is welcome to join in, whatever their ability.

The range of voices included in the choir means the music they perform really comes alive, and you won't be able to stop yourself from dancing and singing along with them.

Joining them on the night will be Half Baked Ska – a ska singing group of ladies who are based in Portsmouth and they regularly perform at venues in the city and surrounding areas.

The group is made up of five fabulous ladies – Julia Steele, Christine Carpenter, Chrissie Feltham, Joe Goodman and Emma Clark.

They have received rave reviews from some of their recent performances. One review said: "You got everyone in the mood to party! We appreciate how positive you guys were and, of course, you also sounded amazing!"

Another reviewer commented: "We all absolutely loved your set! The energy, the harmonies, the look, the moves, the song choices – everything was just spot on."

The people of Portchester have been treated to a performance from Half Baked Ska recently. The group performed in Portchester Precinct as part of the popular monthly Flo's Market event back in January.

Doors open at 7pm for the Ska Night event in the clubhouse at The OnSite Group Stadium. Hot food will be available for purchase from 9pm.

WELCOME TO OUR VISITORS HANWORTH VILLA

PLAY-OFF SPOT IS NO SURPRISE

Hanworth Villa's play-off place has not really been in doubt all season as they have only spent four games outside the top five places throughout the campaign.

They have had almost an equal amount of time in second, third and fourth places in the South Central Division as the season has progressed.

They mathematically confirmed their play-off place on Easter Saturday thanks to their draw at Egham Town.

Hanworth were 1-0 winners when they played AFC Portchester at home on November 15. Abdullah Selloum's goal just before the hour mark was all that separated the two sides in a tight match.

All that is left for Hanworth to determine in their final two league matches of the regular season is who and where they will play once the play-offs get under way.

They could still finish second on goal difference but Westfield would have to lose both of their final matches.

They are only two points behind Moneyfields and a point this afternoon would ensure they don't finish fifth.

Hanworth Villa FC was formed in 1976. In the early years, the team struggled in Division 1 of the Hounslow and District League but during one close season, the team was completely re-built and this led to them finishing as Division 1 champions.

The following season saw the club start an incredible run in the league, which finished 68 matches later with them winning the Hounslow Premier League and the West Middlesex Division 1 and 2 championships.

The success continued with Hanworth being elected to the newly formed Middlesex County Football League in 1984-85.

From 1980 the club had a nomadic existence but in 1997 they moved to their current headquarters at Rectory Meadow.

This move led to the formation of Hanworth Villa Sunday and a new reserve team, being an amalgamation of teams from The Sawyers Arms, The Queen Dowager and Feltham Railway Club.

A Chiswick League double in 1992-93 and a 19-0 cup final victory in the National Railways Cup cemented the successful amalgamation.

Following hard work by Dave Brown, the club was granted a lease at Rectory Meadow. At last the team had a permanent home and could set about converting an existing pavilion into a clubhouse.

With a permanent base, Villa were also able to concentrate on improving their level of football, and in 2002-03 a notable performance by the Saturday first team was to win the treble of the Middlesex County Premier Cup, the Open Cup and the Middlesex County League.

After another Premier League title in 2004-05 with a record number of points, the club were elected to Division 1 of the Combined Counties League in 2005-06.

It took a while to adapt to the new level of football, but in their second season Hanworth managed to win the Challenge Cup. In 2007-08, the team managed to successfully defend the Challenge Cup and also narrowly missed out on the league title, finishing a credible second.

The committee managed to raise the funds to ensure that floodlights and a spectator stand were installed in time for the 2008-09

campaign. Once again the team finished second and following a successful ground inspection Hanworth were promoted to the Combined Counties Premier Division for 2009-10.

The debut season was difficult, with points being few and far between, and it was not until the second half of the campaign that the team came to terms with the standard of football required. By the end of the season they finished 17th, three points clear of relegation.

The club enjoyed a more comfortable second season at that level, finishing in fifth position and also reaching the finals of the Middlesex Senior Charity Cup and Southern Combination Cup.

The 2011-12 season will live long in the memory of all at the club as being their most successful in national competitions.

In the FA Cup after victories over Shrivenham, Bedfont Sports, Wembley, Aveley and Slough, Hanworth lined up against AFC Totton for a place in the First Round Proper but they eventually lost 3-2.

In the FA Vase the team reached the Third Round before losing to Herne Bay.

In 2013-14 the team were successful in achieving a double - winning the Middlesex Premier League Cup and the Southern Combination Cup.

At the end of the 2015-16 season the club appointed former Queens Park Rangers and Fulham defender Rufus Brevett as their new manager. He had previously managed at Arlesey Town and had coached at Banbury United.

Under the management of Rufus and his team - Bobby Watson, Carl Cleaver and Cliff Angol - Hanworth won the Middlesex Senior Charity Cup with a 3-2 win over Spelthorne Sports.

In December 2018, by mutual agreement Rufus Brevett stepped down as first team manager with Louis Carder-Walcott, previously assistant manager at Westfield, being appointed shortly after.

Following a poor run of form at the start of the 2019-20 it was, by mutual agreement, decided that Louis would step down as manager.

In November 2019 the manager position was filled by Simon Haughney and his management team of Paul Thomas and Leon Solomon.

The players responded well to this change and not only did they remain unbeaten in the ten matches played during the suspended 2020-21 season, they also progressed to the last 16 of the FA Vase, before narrowly losing to Long Eaton United on penalties.

The 2020-21 campaign proved to be the greatest in the history of Hanworth Villa and in winning the inaugural Combined Counties North Premier Division and with it promotion to the Isthmian League, the club achieved their highest position in senior football since their formation in 1976. The team remained unbeaten throughout that league season.

Once again following promotion, the team had to come to terms with competing at a higher level within the non-league pyramid system.

Having kept most of their squad from the previous season and added some additional experience to it, Hanworth finished in fourth place and they were rewarded with a semi final play-off game away to Marlow.

A tense tie was 1-1 going into the last minute of the game when George Wells stepped up and clinched the tie with a fine goal.

All that then stood between Hanworth Villa and back-to-back promotions was Walton and Hersham. In front of a 2,500 crowd, Hanworth took a first half lead but could not hold on to it and eventually lost 3-1.

The 2023-24 season proved to be a difficult campaign with a large number of games postponed. Villa found themselves playing a large amount of games in a short space of time towards the end of the season and finished a creditable seventh.

The 2023-24 season was also notable for Gary Brunning, instrumental in driving the club to Step 4 level, stepping down as chairman and being replaced by James Connor, a former Millwall player and son of the original founder of the club, Jimmy Connor.

Gary Brunning moved up to the role of joint president of Hanworth Villa, sharing the position with Jimmy Connor.

Gary not only drove the development of the club for 35 years but he also gave unswerving service as a player, being a big part of the club's achievements between 1978 and the eventual promotion to Step 6 and the Combined Counties League.

He played first team football well into his 40s and despite being approached many times to play higher up the football pyramid he remained loyal to Hanworth Villa.

The third season at Step 4 proved to be an eventful one as the club continued to develop both on and off the pitch. The first team reached a second play-off final in three seasons - this time falling to a narrow defeat to Uxbridge.

But the season left much to celebrate with the club finishing in its highest ever position of third in the Isthmian League South Central Division.

Hanworth also had a record number of youth teams, with much progress made by all of those sides.

REPORT: ROYALS PROVE TO BE SPOT ON AGAINST GOSPORT

AFC Portchester booked their place in the final of the Portsmouth Senior Cup thanks to a penalty shoot-out victory at Gosport Borough.

The two sides shared an eight goal thriller during the 90 minutes before the Royals scored all of their spot kicks and keeper Cameron Scott saved Gosport's fourth penalty.

You knew it wasn't going to be a quiet evening in front of goal when two goals were scored in the opening five minutes of this match.

Portchester took the lead on two minutes after a corner from the right was cleared to the left hand side of the penalty area.

The visitors managed to keep the attack alive and after a shot had been blocked by a defender the ball fell to Ryan Wilkins ten yards out and he swept his shot home.

That lead only lasted three minutes though when Jordan Ngalo picked up the ball in midfield and was only stopped when he reached the edge of the penalty area.

The ball rolled to Harvey Rew and he fired his first time shot past Scott and into the corner of the net.

The Royals had a good chance to re-take the lead on 11 minutes when the ball was crossed back into the box from the right after the initial corner had been cleared and Alfie Stanley put his shot from the edge of the penalty area narrowly over.

Three minutes later Gosport hit the woodwork when Michael Fernandes put Rew through down the left side of the box and after his first shot had been blocked he put his follow up effort against the outside of the post.

Portchester got their noses back in front on 17 minutes when Charlie Williamson won the ball in the right hand corner of the pitch. He then delivered an inch perfect cross to Lee Wort who headed home from close range.

Stanley had a shot blocked by a last ditch tackle from a defender before the visitors went 3-1 up in first half stoppage time.

The Royals were awarded a free kick wide on the left and Calvin Davies curled his cross beyond the keeper and straight into the net for his first goal for the club.

Portchester's Southern League Premier Division South hosts soon reduced the deficit at the start of the second half when they scored on 54 minutes.

Gosport were awarded a penalty and Fernandes sent Scott diving the wrong way with his spot kick.

Portchester almost restored their two goal lead four minutes later when the ball was hoisted into the penalty area and Wort's overhead kick dropped narrowly wide of the goal.

At the other end Gosport worked the ball across to Bradley Tarbuck and his shot was deflected straight into Scott's gloves.

The home side got their equaliser on 73 minutes when the visiting defence got caught in possession trying to play their way out from the back.

The ball was given away to Fernandes who then took it into the box, sent Scott diving the wrong way when he shaped to shoot and he then rolled his shot home at the near post.

The momentum was now all with the home side and they took the lead for the first time in the match on 84 minutes.

Ethan Taylor lifted a through ball over the visiting defence into the path of Fernandes, who guided his shot low past Scott to complete his hat-trick.

However, the Royals weren't finished yet and they made it 4-4 three minutes later.

A free kick from the left was swung in by Josh Clack to the edge of the penalty area where Jack Lee ran on to it to power his header past keeper Harrison Laver and into the net.

After the excitement of the 90 minutes the tension and nerves of a penalty shoot-out was needed to determine who went through to the final against either Portsmouth or Petersfield Town.

Stanley, Clack, Ryan Pennery, Rob Taw and Reuben Austin all maintained their composure in the pressure situation by netting their spot kicks and ensuring Portchester scored all five of their penalties in the shoot-out.

Gosport netted their first three before Scott saved the penalty from Taylor in the fourth round of the shoot-out for the Royals to win the semi final 5-4 on penalties.

YOUNG STARS TO GET EXPERT HELP IN NEW PROGRAMME

Young footballers are being given the chance to develop their skills further with expert help as part of AFC Portchester's new Player Development Programme (PDP).

The new initiative aims to create a professional coaching environment and a clear pathway into senior football to maximise the potential of youth players looking to make the breakthrough.

The PDP will offer players at under-14s, under-15s, under-16s and under-18s age categories access to high-quality coaching delivered by experienced staff, alongside the opportunity to compete in higher-level football.

The programme aims to bridge the gap between grassroots football and elite performance, helping players develop both technically and tactically in a structured setting.

With a strong focus on individual progression, the programme will challenge players to improve in all areas of the game, including physical development, decision-making and match awareness.

Players enrolled in the PDP will have the opportunity to compete in the Junior Premier League (JPL) and Hampshire Combination and Development League.

Every team in the PDP set up will be led by a UEFA C Licensed coach and players will receive two hours of training every week in addition to matches.

The scheme will also provide the opportunity to progress into AFC Portchester's academy and first team set ups and the sessions will be held on 3G pitches.

YOUR DONATION WILL HELP TO MAKE 3G DREAMS COME TRUE

It's a facility which will transform the future of AFC Portchester - and your financial contributions can move that transformation a step closer to reality.

A state of the art 3G Pitch is set to be installed inside The OnSite Group Stadium this summer, bringing a boost to both the adult and youth sections of the club.

The Royals have already gained planning permission for the £1.1m 3G Pitch project, which will also includes LED floodlights, new pitch side barriers and stadium fencing and a whole host of new features around the stadium, including new covered standing, catering facilities, media room and gantry and turnstiles.

A grant of £105,000 was awarded to the club by Fareham Borough Council last year and further grant funding has also been secured.

The club now needs to raise £75,000 towards its share of contributions to the project and it is appealing to all of its players, staff, volunteers, supporters, sponsors and the wider community to back the plans with contributions to the fundraising appeal.

The club has three months to hit their £75,000 target, with a deadline for the appeal to hit that figure of June 30.

The project is being delivered through the newly-formed AFC Portchester in the Community CIC, and as it is a non-profit making organisation this will mean every penny raised will go directly into making this facility a reality.

All teams across the club will be running their own fundraising activities in the coming weeks - keep an eye out for ways to get involved and support them as they look to add to the fundraising total.

If you can, we encourage you to donate directly and help us build something special for generations to come. To donate can the QR code in the poster on the facing page or go to the following link: https://gofund.me/304d51c72

IPSWICH PREPARE FOR TRIP TO FRATTON AT PORTCHESTER

Promotion-chasing EFL Championship side Ipswich Town were at The OnSite Group Stadium earlier this week.

The Tractor Boys were staying in the Portsmouth area ahead of their visit to Fratton Park on Tuesday evening for a game of huge importance at both ends of the table.

Manager Kieran McKenna led his side out at AFC Portchester on Tuesday morning for a short session ahead of their game against Portsmouth.

It gave the Ipswich players the chance to stretch their legs while also practising their tactics and set piece moves ahead of their match later in the day.

Unfortunately for Ipswich they were beaten 2-0 by Pompey thanks to goals from Conor

Shaughnessy and Colby Bishop shortly before half time.

It was a result which boosted Pompey's chances of survival at the bottom end of the table, while Ipswich remained in second place.

Ipswich were the second visitors to The OnSite Group Stadium from East Anglia in recent seasons ahead of a trip to Fratton Park.

Their rivals Norwich City have also headed to AFC Portchester as part of their pre-match preparations for a game against Portsmouth.
