A WORD FROM THE CHAIRMAN

Dan Harvey

“ It’s my absolute honour and privilege to welcome you to Mill Road as Chairman of our beloved club. As we start a brand-new season and era, I want to extend a heartfelt welcome back to every one of you and any new faces. You are simply the beating heart of Arundel FC that makes all the hard work we’ve carried out over the closed season worthwhile, headaches and all.

I would like to personally wish the best of luck to our club’s hardworking management teams, coaches, and players for their efforts in the pre-season, which is always a hard period with player movement, etc., and for getting us into a good place for the start of the forthcoming 2025-26 season.

I would like to say a very special thank you to every single person that has tirelessly worked at the club over the summer, both at the ground and our invisible, extremely hardworking committee behind the scenes.

Also, I can’t express enough our gratitude to our fantastic sponsors for their generosity. I can say hand on heart, without your financial support and the gifting of materials from suppliers, the club would genuinely have struggled to survive in these really hard financial times for everyone.

This club is more than just football to me. In my opinion, it’s the pride of our town. I genuinely appreciate the community that supports the ‘Mullets’, and I love hearing the shared laughter, chants, and cheers around Mill Road on match days. Whether you’ve been with us for years or are just discovering the magic, you’re a part of something truly special at this honest, close, family-orientated football club.

This season, we’re building with purpose and the future:

- Strengthening our squad with local young talent and seasoned players
- Deepening our community ties through events and help in the community
- Enhancing matchday experiences to make every visit as enjoyable as possible

I invite you to be loud, be proud, and back the lads every step of the way today and through the seasons ups and downs. Let’s fill the ground, reignite the Arundel FC spirit, and make this season one to remember.

Finally, I want to thank my wife and family for their support over the past few months, which hasn’t been easy. Your understanding and help towards what we are trying to achieve at the club has been amazing and means the world

Up the Mullets!

History **OF THE CLUB**

Arundel Football Club is based in Arundel, West Sussex and are currently members of the Southern Combination Division 1 and play at Mill Road.

The club was established in 1889. They were founder members of the West Sussex Football League in 1896 and were placed in the Senior Division. They remained in the league until joining the Sussex County League in 1949. When the league gained a second division in 1952, they were placed in Division One. In 1957-58 they won Division One, and retained the title the following season.

In 1965-66 they club finished second-from-bottom of Division One and were relegated to Division Two. However, they made an immediate return to Division One as Division Two runners-up the following season, and went on to finish as Division One runners-up in 1968-69.

This was repeated in the mid-1970s, when relegation in 1975-76 was followed by promotion in 1976-77, a season in which the club also won the Division Two Cup.

Another relegation in 1982-83 resulted in another immediate return to Division One as Division Two runners up in 1983-84, with the club going on to win their third title in 1986-87, also claiming the league's Challenge Cup. In 1997-98 they finished bottom of Division One and were relegated to Division Two. Two seasons later they finished as runners-up in Division Two to earn promotion back to Division One.

In 2003-04 they won the Challenge Cup, and in 2008-09 finished as Division One runners-up. In 2013 the ground remained under water for months due to floods which hit southern England this caused massive damage and nearly finished the club, but we survived to fight another day. In 2015 the league was renamed the Southern Combination, with Division One becoming the Premier Division. Arundel, however, unfortunately couldn't avoid being relegated in the season 2018-19 after finishing second from bottom in the league, and now play in county league Division 1.

TODAYS VISITORS

Selsey FC

Founded in 1903, Selsey FC settled at the High Street Ground (now the Seal Bay Resort Stadium) in the late 1940s, where the club still plays today.

The 1950s marked a golden era as Selsey dominated the West Sussex Football League, winning Division One six times and adding multiple cup honours, including the Sussex County FA Intermediate Cup in 1959.

In 1961, the club stepped up to the Sussex County League, winning promotion to Division One just two years later. Over the following decades, Selsey experienced promotions, relegations, and several cup finals, including appearances at Brighton's Goldstone Ground.

The early 2000s brought one of the club's most successful spells under Danny Hinshelwood, lifting the RUR Cup (2002) and the John O'Hara League Cup (2003), alongside two 4th-place league finishes – the highest in our history.

Despite challenges and relegations in later years, the club has continued to rebuild, with strong emphasis on youth development and community football. Under current manager Daren Pearce, appointed in 2018, Selsey have re-established themselves as a competitive and ambitious side. Recent highlights include back-to-back play-off semi-final appearances (2023 & 2024), a reserve team league and cup double, and silverware for our U16s.

Today, Selsey FC is proud of its senior, women's, youth, and reserve sides, and continues to grow with a clear pathway from junior football to the first team. With a strong nucleus of homegrown talent, the club looks forward to building on its tradition and pushing for more success in the coming seasons.
