OAKLANDS VIEW

Good afternoon, and welcome to Oaklands Park for the Bet Victor Isthmian League South East Division game against Hythe Town. Chichester City would like to extend a warm welcome to Steve Watt, his staff, players, officials and supporters, and our Match Sponsor .

Our form this season has been good, but dipped slightly following the Tranmere FA Cup game. But 2020 have produced five wins, a draw and two defeats, 16 points from 24, which has put us 7th in the table with four games in hand and nine points off the play offs.

We produced a fantastic display in our 3-0 win in Guernsey two weeks ago (Full report & photos in the next programme). We had over 20 supporters at the game, some of which were stuck on the Island an extra day due to Storm Ciara. We really appreciate your support, and hope the delay's and cancellations weren't too inconvenient.

We hope you all enjoy the game, and have a safe journey home.

Special thanks to our

CHICHESTER CITY 3 EAST GRINSTEAD TOWN 0

Owen Leworthy Reporting
From Oaklands Park

A Josh Clack double from the spot and a late Scott Jones goal sealed back to back home victories for Chichester as they saw off a spirited East Grinstead.

Leigh Dynan, who took over at the helm recently, has made wholesale changes at East Grinstead as the Wasps battle to get off the basement but his side came into this match with just a point from their previous five fixtures.

Chi on the other hand were unbeaten in three and there was only one change to the starting XI that defeated VCD Athletic last time out with Ryan Peake replacing Corey Heath at the heart of the City defence, whilst Gicu Iordache returned to the bench.

The hosts looked dangerous from the start and created the first opening after less than a minute. Kaleem Haitham burst past a couple of players, Jones went some way to get the ball under control and it fell fortuitously to Haitham who lent back a bit too much as his effort drifted off target.

Jamie Horncastle and Lloyd Rowlatt forged opportunities too. Horncastle tried his luck from distance and Rowlatt went close with a drive that was inches wide of the post.

Three chances came and went for the visitors 15 minutes in. Raheem Sterling-Parker first had a volley brilliantly blocked by Rob Hutchings; he then fired a shot that was parried by Steve Mowthorpe to Gil Carvalho who latched on to the rebound but blazed it over the bar.

Chichester were forced into an early change with Rory Biggs coming on for Connor Cody after the captain sustained an injury.

Clack put in a great delivery which was cleverly left by Biggs for Haitham whose attempt didn't quite curl enough.

Mowthorpe then might have registered an unlikely assist when a long punt fell to Jones but Ben Dudzinski was quick off his line to thwart the effort.

Jones hit the by-line moments later and sent in a low cross which ricocheted off both the goalkeeper and the post, and Rowlatt followed up only to hit the side netting.

The hosts were then awarded a penalty in the 33rd minute after Horncastle, who was shifted to an unfamiliar right back role, crossed and Shawnikki Clement-Peter was slow to clear his lines which allowed Biggs to nip in front and draw the foul. Clack stepped up and his penalty nestled in the bottom right corner.

Sterling-Parker caused Chi problems again and was brought down by a combination of Ben Pashley and Biggs. Pashley went into Mr Bradley's notebook and Andrew Musungu threatened with a set-piece that was eventually scrambled away.

East Grinstead were then compelled to make a change at right back just like their opponents after Reece Batchelor, who'd broken his ankle a few months ago, suffered a horrific injury and had to be stretched off. Donte Lodge-Francis came on and Steve Smith dropped back into defence.

Mowthorpe did well in stoppage time to clear with his feet following a quick break down the left.

After the interval Hutchings sent Haitham scampering down the wing and he squared to Jones but the striker's touch under pressure meant the danger passed.

Rowlatt then dug out a cross for Jones who rose highest but his deflected header bounced off the post and out for a City corner.

The Chi midfielder was heavily involved once more as a great turn and through ball led to Biggs being fouled yet again for another Chichester penalty, just after the hour mark. Clack took responsibility and the No.7 sent the keeper the wrong way to double both his tally and the home side's lead.

Mowthorpe did well under pressure to punch clear a free kick before the hosts added a third in the 90th minute when determined play from Matt Axell led to a brilliant cross that left Jones with the simple task of tapping in from inside the six-yard box.

The striker almost grabbed another in additional time after tenacious play from Dunn but his snapshot cannoned off the inside of the post and straight back into Dudzinski's arms.

THREE BRIDGES 3 VS CHICHESTER CITY 4

Ian Worden Reporting
From Jubilee Walk

Kaleem Haitham's injury-time strike gave Chichester all three points in a feisty, seven goal thriller away at Three Bridges with both sides reduced to ten men for the last twenty minutes or so.

There were a number of changes to the starting XI that featured in the Velocity Trophy against Burgess Hill last time out. First choice keeper Steve Mowthorpe was back in goal; Connor Cody, Rob Hutchings and Ben Pashley all returned to join Corey Heath in a more familiar looking defensive line up; and Lloyd Rowlatt and Haitham came back in to support Josh Clack and Gicu Iordache; with Matt Axell and Jamie Horncastle in their customary roles in midfield once again.

The hosts beat Chi in the reverse fixture at Oaklands Park in September, Tom Tolfrey's penalty the only goal in a game the home side dominated.

Kieron Thorp was in inspired form on that occasion but the Bridges shot stopper was beaten just after the quarter hour mark here when Haitham fed a super pass to Rowlatt. Tadley Bromage tried to get a tackle in but Rowlatt's clever dink nicked off him and over the outstretched hand of Thorp.

Chi might have taken the lead earlier on when Horncastle rose to meet an Axell corner only to head the ball narrowly over the bar.

Clack had a chance to double the visitors' lead when he latched on to long goal kick but he slipped as he was just about to pull the trigger and couldn't keep his attempt down.

Tolfrey then forced Mowthorpe into a smart save in the 30th minute before Charlie Towning, who came on for the injured Giani Ashley, fired off target.

Rowlatt, who was outstanding, dragged a shot wide moments later and Axell had an effort blocked following a slick move involving Clack and Cody.

City's intensity dipped and a mistake at the back almost gifted Bridges an equaliser but Mowthorpe did well to deny Tolfrey.

The home side did level in the next move however. Pashley got something to a delivery from Lee Hall intended for Tolfrey but Ben Bacon beat Mowthorpe to the ball and guided it past him and into the back of the net.

punt from Thorp dropped kindly to Tolfrey. The No9 turned the ball into Curtis Gayler's path and he thumped it past Mowthorpe at his near post.

Horncastle, a scorer in Chi's 6-2 Velocity Trophy win at Three Bridges in October, made it 2-2 in the 59th minute with a nice header.

The hosts were back in front though in this see-saw match three minutes later.

Chi failed to clear an in-swinging corner and conceded another after the ball pinged off several heads. This one was played short to Tolfrey who laid it back. And when the cross came over Bacon outjumped Axell and Heath to steer the ball home.

Clack and Bromage then mysteriously got their marching orders.

This was another incident in a game with a number of talking points – the ‘pick your card’ tackle by Bacon on Axell after 12 minutes that somehow went unpunished a standout one.

Both sides pressed on but Chi seemed to benefit more from the space. The introduction of Davidson as the visitors reshuffled the backline helped too.

Three Bridges changed things up as well bringing on former Chi player Tiago Andrade up top.

Bacon almost got his hattrick with an audacious lob but Mowthorpe was equal to it and pedalled back to tip over.

The Chi keeper then played a part in his side’s third goal when he punched clear a corner to Rowlatt. Rowlatt got forward quickly and found lordache. The Romanian cut into the box and curled the ball into the bottom left hand corner.

lordache drilled a shot wide in Chi's next attack and Heath tested Thorp from distance with an effort the keeper did well to get behind.

Rowlatt wasn't far away from getting in but Thorp was smartly off his line before Davidson headed harmlessly into the Bridges' keepers gloves.

The winner came in the first minute of stoppage time thanks to Haitham's composed finish after a measured pass from lordache.

There was still time for one more chance and Towning might have grabbed a point for the hosts with the last kick of the game but his effort drifted the wrong side of the post.

THE CHAMPIONS OF 1980

Ahead of a celebration reunion dinner in April,
A series of interviews with the people involved

1. Greg Brown (Capt)

CHICHESTER CITY: THE CLASS OF 1980

GREG BROWN

A lot of things happened in 1980, The Iranian Embassy siege in London, Beatle John Lennon was shot dead, and there were number one singles for The Jam's Going underground, Blondie's Call me, and The Pretenders Brass In Pocket. This year is the 40th anniversary of Chichester City's 1980 title win, their fifth Sussex County League win of seven, with all but one of that team reforming for a reunion on Saturday 18th April.

"I am born and bred in Chichester, and I won a County Council scholarship to St John's College in Southsea, played in their football team with Steve Foster as a strike partnership for 5 years. Steve went on to start his long professional career including England caps, at Portsmouth FC, and I played for Whyke Villa in Chichester who were effectively Chichester City's under 16's side run by Oscar Lake. Gary James and I were the only ones who progressed to the Chichester first team. Gary had a prolific partnership with Terry Vick, they played every game during the Championship season".

Gary James and Terry Vick played 44 games and contributed 41 goals that season, (21 for James, and 20 for Vick).

Chichester — the champions!

●Chichester City, champions for the fifth time of the Sussex County Football League (Division I), with their officials and trophies. Back row (left to right): Wallis, Betts, Cowell, Vick, Hillier, Hunt, Sillence, Harman, Hutter; front row — Hillier, Holder, Ashton, James, O'Boyle, Brown, Reynolds (manager), Ray, Grundy, Eggleton, Brown.

"We also had Dave Eggleton a quiet Guy, very focused, very versatile he could play midfield or out on the wing, also very handy at taking penalties and free kicks".

The day Richie Reynolds arrived as Chichester City Manager.

"We were training on a Tuesday night, it was chucking it down with rain and a very smart brown Ford Capri turned up and a figure started walking towards us. In those days the floodlights were rubbish and you couldn't see anything, but as he got closer to us we realized by his distinctive walk that it was Richie Reynolds. For me as a Pompey fan since 1967, and Richie joined in 1971 it was unbelievable, he was only about 30 and had just had his career cut short by a knee injury. He had a few words with us and took training and of course we were hanging on his every word".

At that time City were in danger of being relegated having failed to win their last nine games, the effect was immediate.

"His first game in charge was East Grinstead away, raining heavily and on a marshmallow pitch we won 4-1, and although we were half-decent footballers he inspired us and brought a professional edge to our approach to the game".

"He coached us in what were then much more modern ways, we hardly did anything without a football at our feet, except in pre-season when you would run up hills etc, but even then it would be kept to a minimum. He made me Captain at 20 years old, basically because I talked a lot!"

City then went on an amazing run, in 15 months they were only beaten six times in forty league games, and went from the relegation zone to County League Champions in 1980.

“He brought in a few lads to compliment what we had who had played at a higher level, like Duncan Clough a big booming Yorkshire Lad who had played in the Isthmian South, and a couple of ex Pompey youth players Nicky Sillence and Gary Wheatcroft, also Tony Grundy who was the MD at Radio Victory and also a decent left back”.

The year City won the title in 1980

“We had a reasonable start to the season, and momentum started to build. We had a good run in the FA Vase and other cups, but that meant we had a massive fixture backlog”

City had to play fifteen games in two months, an amount that seemed insurmountable. They had to play all the top sides in that time, sometimes twice.

“It seemed like we were playing sometimes three times a week, but we only lost once in that run”

The season came down to the last game away at Southwick, with City two points clear at the top they only needed a draw, while Southwick could also win it, if they won, due to their superior goal difference.

“The game had been due to be played in March but had been postponed due to the weather. So we played it on a Tuesday night under the floodlights at the beginning of May 1980, the crowd was 1250 which was probably the biggest gate we had played in front of. I played at right back instead of my customary midfield position, probably due to injury.

We had hit the post, and Southwick had a goal ruled out which to me looked a good one, but it was heading for a 0-0 draw which suited us”.

Then City Manager Richie Reynolds conceded a contentious penalty.

OFFICIAL MAGAZINE ISSUED BY THE SUSSEX COUNTY LEAGUE
VOL.3 No.5

Summer 1980

PRICE 20p

CHICHESTER CITY Skipper Greg Brown (left) and Manager Richie Reynolds with the County League Championship Trophy.

"Richie used to be in the Referee's ear a lot and having played at a high level some of them would listen to him and give him decisions. But after a while these comments could have a detrimental effect with fouls given for nothing, or obvious fouls not given to us. I suspect this could have played a part in the Ref's decision to give the penalty which we all thought was harsh. But Mick Edmonds who was one of the County League's most prolific scorers, and that season's top scorer hit the post and we thought our name must be on the trophy".

City's supporters then had to endure five extra minutes before the Referee blew for full time and the celebrations could start. The Chichester players then received the coveted Sussex county League Trophy and their medals. This was the fifth time Chichester City had won the trophy.

"We got a £32 win bonus for winning the league, which in today's money is worth £134, although that didn't matter to me because winning the league for my home club was enough for me. I think Richie asked the cash-strapped committee to reward us for our efforts quite forcefully and they paid out!"

Moving On

Pictured with the Sussex County Football League Championship Trophy are Chichester Football Club's captain, Greg Brown, Tony Grundy, Yvette Cook (of Sussex County Building Society, who were sponsors) and Guy Dhondee.

"I had to relocate to Milton Keynes because of my job, and I played in the United Counties league, which was quite a decent standard. I played for Newport Pagnell Town for two seasons. We were a bottom half of the league table side, but I enjoyed my time there and played with and against several old pro's."

"I then moved back South to live in Shoreham, but I didn't rejoin City immediately and was approached by Grahame Vick (an old friend and CCFC league title winner himself in 1973) who was Manager of Portfield. I played there for a season, but I jumped at the chance to rejoin Richie Reynolds at City for his second spell in charge. We didn't replicate past successes and, after Richie had again moved on, even got relegated to Division Two".

Greg Brown With the Trophy won 40 years ago

“In 1991 after many years playing I decided to call it a day, having played nearly 300 games for my hometown club, which is something I’m very proud of. I’m now really looking forward to meeting up again in April with Richie, team-mates, committee members and supporters connected with our 1980 Championship win. It should be some occasion!”.

Special thanks to the Chichester Observer, for the use of Ernie Stevens article from May 1980 and also the use of their photographs. Also to the staff of the West Sussex Record Office for their help and guidance, and to Greg Brown for giving his time.
