The Isthmian Football League strongly supports the Football Association's statement that there should be a zero-tolerance approach against all forms of discrimination.
Any inappropriate conduct toward others, including but not limited to that based on an individual's sex, race, colour, weight, size, religion and belief, national origin, age, marital or domestic-partnership status, disability, sexual orientation, or gender identity or expression, will not be tolerated and will be reported to the relevant authorities.
The Isthmian League and our Member Clubs are committed to promoting equity and equality by treating all people fairly and with respect, by recognising that inequalities may exist, by taking steps to address them and providing access and opportunities for all members of our communities. With our focus on positivity, The Isthmian League aims to ensure that all our footballers are able to play in a safe, supportive and inclusive environment and all supporters can enjoy the game in surroundings free from discrimination and hate.

WELCOME

CARSHALTON ATH

Carshalton Athletic traces its roots to two separate teams playing in the area of Wrythe Green in Carshalton in the early twentieth century. Whilst the club's history is dated to the formation of Mill Lane Mission in 1905 it also recognises the importance of officials, players and supporters of Carshalton St Andrews in its history.

Mill Lane Mission was organised by the Mill Lane Mission recreational facility for teenage boys and began playing friendlies in 1903. They were formally registered with the Surrey County FA in September 1905 and continued to play only friendly matches until 1906 when they joined the Croydon & District League Division 2A. During 1905 and 1906 discussions were held with Carshalton St Andrews over amalgamation.

Carshalton St Andrews was formed in 1897 by the vicar of St Andrews, Revd. C.W. Cleaver and began playing in the Surrey County Herald League. In 1902 they were promoted into the Southern Suburban League Division 2 West. They agreed to fold and amalgamate with Mill Lane Mission in 1906 but did not formally do so until they had honoured their remaining obligations at the end of the 1907–08 season.

Meanwhile, Mill Lane Mission registered their name change with the Surrey F.A. and began playing under the name Carshalton Athletic F.C. in 1907. The first ever match under this name was on 7 September 1907 at home on the Wrythe Green recreation ground in a friendly against Westbrook (Thornton Heath).

Carshalton Athletic's first colours were red with white stripes – adopted from St Andrews from whom the Robins were formed when they merged with Mill Lane Mission.

After the name change the club went on to win successive promotions in 1908, 1909 and 1910 which were rewarded with election to the Junior Division of the Southern Suburban League. During this time the club put out a reserve side and a midweek Carshalton Wednesday side (many different clubs set up these sides to play after the

shops had shut 'early' on Wednesdays) and these two sides both performed well – the reserves winning the Croydon and District League Division 2A in 1909 and Carshalton Wednesday were runners up in the inaugural Surrey County Midweek Cup.

Before the outbreak of the First World War further success in both league and junior cup competitions was achieved. In 1913 the club won the Suburban League Division 1 West and the following season added the Suburban League Division 1 East title to this. In the same period they also won the Surrey Junior Cup, Surrey Junior Charity Cup and the Croydon Charity Cup and were runners up in the London Junior Cup. The outbreak of the war curtailed this period of success and the club went into a period of suspended animation during the war as its home ground was given over to agricultural use.

Following the reformation of the club on 31 March 1919, and after playing on a number of different grounds, Carshalton Athletic finally moved into their new (and current) home in Colston Avenue during the 1920–21 season. This was built as a memorial to those members of the club who lost their lives in the War.

The inter-war years were otherwise relatively uneventful. The only silverware the club won was the Surrey Intermediate Cup, in 1922 and 1932. In the league, the club remained in the Southern Suburban League, finishing as runners up in 1922 before becoming founding members of the Surrey Senior League in the 1922–23 season. At the same time the club gained Football Association senior club status and this allowed Carshalton Athletic to enter FA national competitions and county senior cups for the first time.

With the upheavals of the Second World War in Europe over, preparations for the resumption in football at Colston Avenue began 1945 with applications made to join the London League (senior side) Surrey Intermediate League (reserve side) and to enter the London Senior and Surrey Senior cups. The club did not apply to enter the FA Challenge Cup or FA Amateur Cup because facilities at the

at the ground were not up to standard for these competitions. The club did make it a priority to improve the standard of the ground and facilities to make them suitable for the higher reaches of the amateur game but all this work had to be funded and carried out by volunteers as the local District Council were unwilling to help support these improvements. Fortunately it proved possible to find volunteers and donors to enable this work to be carried out. The work on the ground proved to be needed the following season as Carshalton Athletic were elected into the Corinthian League, which had been set up in the previous year, for the 1946–47 season.

Several years of indifferent league form followed with only minor highlights in cup competitions, although the club continued to grow as evidenced by a record attendance of over 8000 for an FA Challenge Cup 3rd round qualifying tie against local rivals Tooting and Mitcham United. Behind the scenes the club was taking steps to improve the club's chances on the pitch including hiring a coach for all sides for the first time but the club committee ensured that they retained the final say in selection decisions.

A far better period began with the first match Carshalton Athletic played against a team from overseas at the start of the 1952–53 season. Hengelo from the Netherlands were the opponents in what was to become a regular friendly fixture over following years. Carshalton went on to win the Corinthian League title by 3 points from Hounslow Town at the end of the season and the reserve team finished second in their league, 2 points behind Uxbridge.

The 1953–54 season brought further success as Carshalton Athletic retain the league title, finishing 2 points ahead of Edgware Town, although cup success was still proving elusive. This was rectified somewhat in the 1954–55 season as the club reached the final of the Surrey Senior Shield and the quarter finals of the FA Amateur Cup for the first time in their history (this was also the first year in which two Corinthian League teams reached the quarter finals).

The 1955–56 season was unremarkable on the pitch but did see further advances around the ground as Carshalton Athletic's success of recent season was reflected in the size of the supporters club with over 2000 members. It was also the club's last appearance in the Corinthian League as the summer of 1956 saw election to the Athenian League.

For the next 17 years the club competed in the Athenian League with very little success never really threatening to win the league, and finishing at the bottom of the table twice (1959–60 and 1960–61 seasons). Their best performance coming in the 1963–64 season when the club managed to finish the season in third place. Around the ground floodlights were finally erected on six pylons in 1967.

Limited cup success was achieved. A first appearance in the Surrey Senior Cup final came in the 1957–58 season, although Dulwich Hamlet won the final 1–0 and it would be another 31 years before Carshalton Athletic appeared in the final again. There was also success in the FA Amateur Cup as the club reached the quarter finals for the second time in 1959–60. In the same season the club won the Southern Combination Cup for the first time, after losing in the final the previous season.

In the summer of 1973 Carshalton Athletic finally achieved a promotion of sorts when they were elected as founder members of the newly created Isthmian League Division 2. The first two seasons proved to be a struggle and in their third they just missed out on promotion finishing third in the league. Three years of struggle paid off in the 1976–77 season when promotion to the Isthmian Premier Division after finishing as runners up in the league in a year in which they also won the Surrey Senior Shield.

After promotion in the league the club entered another period of struggling, not finishing in the top half until the 1987–88 season. This coincided with the start of years of upheaval in the organisation of the ownership and running of the club both on and off the field. The best that could be offered to supporters in this period was a solitary cup run as the club reached the second round proper of the FA Challenge Cup for the first time before losing 4–1 to Fourth Division Torquay United. Over this period Carshalton Athletic had 8 different managers and it was only the final appointment of Billy Smith in August 1986 that began to turn the club's fortunes around.

The first Billy Smith era lasted for nearly 9 years and was the most successful period in the club's history. During his time in charge of the club twice reaching the 1st Round Proper of the FA Challenge Cup, winning the Surrey Senior Cup three times in four years and reaching the final 5 times in 7 years, recording its highest ever placing in the league at the end of the 1988–89 season and winning the London Challenge Cup in 1991. This period came to

an end when Billy Smith left to take charge of Kingstonian, and was followed by a rapid turnover of managers.

Under John Rains, the club reached the third round of the FA Trophy. Gary Kilby led them to the first round proper of the 1997–98 FA Cup, in which they lost to Stevenage Borough after a replay, and former player Gary Bowyer twice led a successful fight against relegation.

In 2000, with the club in severe financial difficulties, the ownership changed hands twice, Bowyer was dismissed, the clubhouse was destroyed in an arson attack, and the ground's landlords, Sutton Council, threatened the club with eviction for breaching their lease.[1][2] At the end of that season, Carshalton were relegated to Division One. Two years later, Graham Roberts led them to the Division One South title, to gain promotion to the Premier Division. The following season, they finished seventh, thus qualifying for the new Conference South.

After a £12 million plan to rebuild the ground fell through,[3] chairman Steve Friend resigned, followed by manager Billy Smith. Under Jimmy Bolton, Carshalton retained their place in the Conference South in 2004–05.

In 2005–06, the club's centenary season, the Club was relegated back to the Isthmian League. The new millennium did little to help the club's financial problems. Like many clubs at the time Carshalton Athletic found it difficult to pay its bills and was severely overstretched by a hefty playing budget.

The previous season's relegation was a blow, but the Club was not new to hard times – over the previous two decades the club had been on the edge of bankruptcy numerous times, seeing five different owners and a long line of chairmen. In 2008 the club was technically insolvent. Despite having some success in stabilising Carshalton Athletic, the then current owners could not see a way through its financial difficulties without change, there were large tax bills that the club could not pay.

Local businessman Paul Dipre purchased the club in 2008, paid off substantial tax bills and set out a ten year plan to develop the club into a community hub. Dipre promised to rejuvenate the club from the bottom up. Carshalton finished mid table in 2006–07 but the following season 2007–08 saw disappointing early results and as a result the manager Dave Garland left the club in October 2007.

The appointment of Hayden Bird was one of the last acts of the previous owners. Hayden made some high profile signings and there was a noticeable commitment to playing attractive, passing football but the Robins still faced another nail-biting fight for survival in the Isthmian League Premier Division. Paul Dipre injected sufficient funds to strengthen the squad in an effort to avoid relegation. It went right to the wire and, miraculously, last day results elsewhere fell perfectly and Carshalton's home win over Tonbridge Angels was enough to secure their status.

The first year under Dipre was one of the club's most successful. On the pitch, aided with 31 goals from Richard Jolly, The Robins finished in 4th place, setting up a play-off semi-final with Tonbridge Angels. Athletic claimed a thrilling 3-2 win to meet Staines Town in the final. Held at Staines's Wheatsheaf Park Ground, Carshalton more than held their own against Staines, who had finished 2nd in the regular season. Sadly for The Robins, an 85th-minute penalty was saved by Staines' keeper Louis Wells, and Scott Taylor scored an extra-time winner for Staines.

At the end of this season the club decided to revert to its original colours of Red and also modernised its badge. The change was supported by the majority of fans who saw the colour change as one that reflected the club's early heritage, but a small group of fans (largely led by the club officials ousted by Dipre) lobbied against the change strongly.

The vacant manager's position was advertised soon after the end of the 2021/22 season. It took nearly a month of interviews and re-interviews with many well qualified applicants before the new first team manager was chosen. Steve McKimm ex-Tonbridge Angels Manager was given the job. McKimm brought in his coaching team and bench staff and set about the task. There was some success but overall the season was not what was hoped for. Steve McKimm was relieved of his position at the end of the season.

Club Chairman, Paul Dipre invited Peter Adeniyi to return to the position as manager which was accepted.

MATCH REPORT

HASHTAG UNITED

ISTHMIAN PREMIER 20/12/25

By Ian Worden

Miles Obodo opened his Chichester account with a 76th minute strike as the Sussex side extended their unbeaten run to three games at Oaklands Park on Saturday against ten-man Hashtag United.

Miles Rutherford, Danny Potter, Dabba and H made just the one change to the starting XI that somehow drew 2-2 with Cheshunt midweek at home. Curtis Da Costa replaced Jamie Horncastle to partner Ben Pashley in the heart of the defence alongside full backs skipper Rob Hutchings and Isaac Bello either side of keeper Kieran Magee. Emmett Dunn once again lined up in the centre of midfield with holding player Joe Moore, Lloyd Rowlatt and Misha Djemali. Ethan Prichard began up front together with Obodo.

The visitors did the double over Chi last season thumping the Lillywhites 4-0 at Oaklands and nicking an injury-time win 2-1 in Aveley but Billy Vigar and Ryan Davidson scored in Chichester's victory there this campaign in August. Billy's family were at Oaklands for the game and after 30 seconds applause to mark his passing Pashley and Hutchings set Bello up for a chance early-doors but his air-shot didn't cause Tags goalie Jack Giddens any problems and Praise Ogbemor got flagged offside two minutes in.

Djemali, scorer of goals for the Essex team in both matches against Chi last year, then went on a defence splitting run that was broken up and Moore interceded as the Tags counter-attacked. The sides probed but neither really got going in a rather drab first 45 with passes going astray regularly and linos pulling things up for constant offsides. Moore hooked away on 10 minutes and Hutchings did well battling with Ogbemor.

A free-kick was given for a foul on Moore who subsequently played a poor pass towards an advanced Hutchings.

Next, Dunn's final ball got cut out; both sides exchanged throw-ins; and Giddens beat Obodo to the ball when the hosts threatened. At the mid-point the visitors went close with a header that was steered out for a corner which came to nothing and Chichester forced one of their own at the Archery End.

Jay Devereux's men cleared this though before Obodo's foul presented his opponents with a set-piece just outside the box. Then on the half hour mark Jason Ring linked up with Ogbemor whose cross was redirected for a corner and Joshua Rusoke's consequent delivery went out for a Chi goal kick.

Then Pashley was well-in on Sam Park and Chi won a couple of throws as things meandered this way and that without any real clear-cut chances. Jaxon Brown shot wide of the mark on 33 before Luke May-Parrott was adjudged offside twice. Giddens had to punch away Prichard's in-swinging corner in the 35th minute before Dunn's cross towards Obodo

| Next, Obodo and Bello combined but the eventual shot was hacked away and Ogbebor bought a foul off Moore. | Then came the turning point in the game when Brown was given a second yellow card and a red as a result of poleaxing Bello. |
| The visitors had the ball in the back of the net four minutes before half time but it was ruled out for offside and the following Chichester corner was an easy take for Giddens. | And the only goal of the game followed three minutes later after Dunn's fierce effort was parried by Giddens and Obodo followed up to make it 1-0. |
| On 44 Joe Christou struck a hit narrowly wide of the post and in the two minutes of additional time of a rather uneventful first half Brown blazed one over after Dunn was dispossessed. | It might have been two in the following Chi attack but Djemali unfortunately hit the post. |
| Sixty seconds into the second period a Chi move involving Rowlatt, Djemali and Prichard fizzled out before Nathan Wilson went down for some lengthy physio treatment. | The Tags swapped Ogbebor and May-Parrott for Max Cornhill and Ziad Bakaar on 80 minutes as they rejigged before Kouassi hit a cross too deep. |
| Obodo then lost control and City won a corner which Prichard took and at the other end Magee cleared as May-Parrott threatened. | Next, Prichard fired wide and Obodo then might have taken his marker on. |
| On 56 Prichard tried his luck with a free-kick that was hit off-target and his keeper gathered as the Tags pressed. | Prichard had an attempt saved as we headed into eight minutes of additional time where Joe Clarke came on for Bello before referee Jacob Wright finally blew full time. |
| Rowlatt saw his shot blocked moments later; Prichard got clattered; and Magee collected a set-piece without any issues. | So, Chi move up to 12th spot in the league following the win at St Albans last Saturday and a point at home to Cheshunt mid-week while Hashtag remain in the bottom four. |
| Next, a Bello bomb was headed away and Brown got cautioned for bringing Prichard down harshly. | Chichester – Magee, Bello, Hutchings, Moore, Da Costa, Pashley, Djemali, Dunn, Rowlatt, Obodo, Prichard (Bennetts, Horncastle, Wild, Rustell, Clarke) |
| A slick Hashtag attack involving Brown ended up in an offside decision before Park was replaced by Evans Kouassi in the 66th minute. | |
| Dunn then struck one way over the woodwork in front of the Tennis Club and Ogbebor's effort was also misdirected at the other end. | |
| A decent block by Prichard saw him concede a | |
