

# VACANCY

## GOALKEEPER COACH (CURZON ASHTON WOMEN)

Job Title	Women's Team - Goalkeeper Coach
Reports to	Women's Team Manager
Location	Tameside Stadium/Away Matches
Contract	Voluntary
Hours	Matchday + Training

## The Role:

We are seeking a dedicated **Goalkeeper Coach** to join our coaching staff. The ideal candidate will be responsible for the development, training, and performance of all goalkeepers within the team. This role involves creating specialised training programs, providing technical and tactical instruction, and contributing to the overall success of the team by developing confident, skilled, and mentally prepared goalkeepers.

## Working Conditions:

- Includes evening and weekend work.
- Travel will be required for matches.

## Responsibilities:

- Design and implement structured goalkeeper training sessions aligned with the team's overall philosophy and style of play. Monitor and assess the progress of each goalkeeper, providing

individualised feedback and development plans.

- Collaborate closely with the head coach and technical staff to integrate goalkeepers into team training sessions and tactical preparation.
- Analyse match and training footage to identify areas for improvement and provide video-based feedback.
- Prepare goalkeepers physically, mentally, and tactically for match day performance.
- Maintain detailed records of goalkeeper performance, injuries, attendance, and progression.
- Foster a positive and professional learning environment that promotes development and accountability.
- Stay current with best practices, coaching techniques, and industry trends in goalkeeper training.
- Assist in talent identification and recruitment of goalkeepers as required

## Person Specification:

**D** = Desirable | **E** = Essential

- Proven experience coaching goalkeepers at the [youth/collegiate/professional] level (**D**)
- Relevant coaching certification; FA Goalkeeping Level 1 (**D**)
- Knowledge of goalkeeper techniques, tactics, and fitness requirements (**E**)
- Strong communication and interpersonal skills (**E**)
- Ability to work collaboratively in a team environment (**E**)
- Experience with video analysis tools (**D**)
- Current first aid and safeguarding certifications (**E**)
- Passionate about player development and mentoring athletes both on and off the field (**E**)
- Experience as a former goalkeeper at a competitive level (**D**)
- Bachelor's degree in sports science, coaching, or related field ideal (**D**)
- Familiarity with modern data analytics and performance software (e.g., Hudl, Coach's Eye, GPS systems) (**D**)
