# CHARLIE'S NOTES

---

Good Afternoon Wanderers,

From myself and on behalf of the management team, players and volunteers, we welcome you to Meadowbank this afternoon for our Southern Combination Division One fixture against Ringmer AFC.

I would like to extend a warm welcome to the committee, management, players and volunteers from Ringmer travelling across from East Sussex to us for today's game. We hope you enjoy your visit.

We go into today's game very much looking to build on a good point and clean sheet earned at East Preston last weekend. The defence were immense in their efforts last Saturday and with it being just our second clean sheet of the campaign so far, it is really important we strive to match those levels again this afternoon.

Our last home game a fortnight ago against Worthing United was the heaviest defeat in my time here and a bitterly disappointing afternoon. The response to that defeat against East Preston was good – we must keep pushing forward now and not look back.

We face a Ringmer side today who will be similarly looking to push up the table – they are a couple of points and places ahead of us, but without a win in their last four, they will be looking at today as an opportunity to turn things around – we must be at our very best to prevent that and initiate our own run of form.

Thank you for your continued support – I look forward to seeing you back at Meadowbank this afternoon, let's all get behind the team and get ourselves back to winning ways.

Charlie

# RINGMER AFC

---

Ringmer AFC was formed in 2020, when Ringmer FC and AFC Ringmer merged and moved onto a new 3G pitch behind King's Academy School.

Coming after Ringmer FC folded in 2018 and sold their ground, The Caburn, to property developers, the project to build the Caburn Community Ground and merge the two clubs on the new site was several years in the making. Committee members, management and players from both clubs came together to forge a new structure, which would be guided by one clear Mission Statement.

This has remained ever since, and reads as follows: "Striving to become a sustainable asset of value to the wider community through first-class facilities, access, and opportunity for all. Proudly providing a high-quality level of football with a focus on developing a pathway for local players."

A copy of this Mission Statement is featured on a plaque outside the Caburn Community Ground clubhouse. We view this as our guiding principle to all work we do as a Club, shaping everything we do for the Ringmer community. Since experiencing our first season in the strange conditions of Covid-19, Ringmer AFC has since grown every year to encompass even more sides. Today, the Club comprises four men's senior sides, two men's under-18 teams, a Ladies team, a Ladies Flex (Over-30s) side, a Ladies under-18 team, men's Veterans (Over-35s) and Masters (Over-45s) sides, and two men's Walking Football teams (Over-50s and Over-60s).

After regularly competing at the top of the Mid Sussex Football League (MSFL) Premier Division, including winning the 2023-24 title, we were delighted to achieve promotion last season to make this our first season in the Southern Combination Football League.
