Introduction

HERE AT EASTLEIGH FC, WE ARE PROUD OF THE STRIDES WE'RE TAKING AS ONE OF THE BIGGEST NON-LEAGUE CLUBS YET TO PLAY IN THE FOOTBALL LEAGUE, WITH A REAL AMBITION TO REACH NEW HEIGHTS IN THE CLUB'S HISTORY.

Our ambitions remain the same, to achieve Football League status as a club. Every aspect of the club is geared up to be an EFL side and we run ourselves as such, with our first team and all teams in our Elite Development Squad.

The Silverlake Stadium is the home of Eastleigh FC and has a capacity of over 5,000 meaning there are a range of advertising and sponsorship available for budgets of all sizes.

We are proud to have great long-term partnerships with regional, national, and international companies and brands.

We have a range of seasonal and matchday opportunities for budgets of all sizes and we would love for you to join our current sponsors and partners for the 2025/26 season.

OUR PARTNERS

As we approach nearly a decade partnering with the Spitfires, we are immensely proud to continue as principal partner for the upcoming season. We will continue to build on what was achieved last season working alongside the club, the community trust and of course the Spitfire fanbase, to strengthen our brand affiliation in the local area.

“As a local business based less than 2 miles away from the Silverlake Stadium, we are delighted to see our logo across the fantastic kit range at Eastleigh FC and we wish them all the very best for a successful season on and off the pitch.

James Heyes, Head of Group Partnerships at Utilita

PTS Compliance is thrilled to continue as a premium partner of Eastleigh Football Club this year. Our ongoing collaboration reflects our shared values and commitment to excellence. We're excited to support the team and the community in what promises to be an exceptional season ahead.

Steve Kaye, Managing Director at PTS Compliance

SM:5 are over the moon to be continuing our sponsorship of Eastleigh Football Club into the new season. We believe that the values, beliefs, and determination of the football club align perfectly with our own. We're all looking forward to seeing what the team can achieve on the pitch and seeing the SM:5 logo on all of the club's new strips!

Joe Smith, SM5 Developments Ltd

ADVERTISING

Internal stadium advertising offers a fantastic way to reach a huge captive audience, from supporters at the game to those watching highlights on television and social media.

If you're looking for a prominent and unique presence to promote your brand, we offer advertising potential on all four sides of the ground, where your company's logo can be seen both internally and externally.

Your business, web address, phone number or logo will be extremely visible within the local community.

This is a fantastic way to gain exposure with Eastleigh FC fans, corporate companies, and visitors to the Silverlake Stadium.

You will also benefit from guaranteed international TV coverage on DAZN, with your advertising visible during live games.

In addition, we have hosted several high-profile teams, as well as local cup finals at the Silverlake Stadium, with your advertising visible during their visits and any promotional material they share.

The average home match is attended by over 2,200 fans, with advertising boards visible at all sides, as well as on match highlights, social media, and national television coverage

“

We are really thrilled to be working with Eastleigh FC. The growing partnership allows us to connect more with the local community, which is what we, and the football club, are all about. It's great to support a local club with big plans to get into the Football League with a clear vision and strategy for the future.

”

Nuffield Health - Proud partner since 2021
