SCOTT BARTLETT

GOOD AFTERNOON, EVERYONE AND WELCOME BACK TO THE SILVERLAKE STADIUM FOR TODAY'S NATIONAL LEAGUE FIXTURE AGAINST SOLIHULL MOORS!

I would like to start by welcoming the players, backroom staff, and fans of Solihull Moors who have made the trip down from the West Midlands. Also, as always, I would like to welcome our fans that have come along to the Silverlake Stadium to support us tonight.

It's been a brilliant week, and a very positive one in which I have been made to feel very welcome.

We've had three games in six days, and then a day to recover. We then had two more days of training prior to today's fixture, and I have to say the players and staff have been fantastic. We have had to manage the players well and be careful with them, whilst also demanding high levels.

Finally, I'd like to take this chance to say a few words to the supporters ahead of today. Thank you for your support of the players, and for welcoming me to your football club.

We will get better and better as we go along and will be a brilliant passing team that are aggressive and attacking.

My teams always run hard and have a great spirit, I hope that was evident against Wealdstone and Truro.

Together, we will get there, in the meantime keep up your fantastic support of the players.

I'm looking forward to seeing you all come down to the Silverlake Stadium this afternoon to support the team.

WELCOME BACK TO THE SILVERLAKE STADIUM FOR THIS AFTERNOON'S NATIONAL LEAGUE FIXTURE AGAINST SOLIHULL MOORS!

Before we get started, I would like to welcome the players, backroom staff, and fans of Solihull who have made the trip down to Eastleigh to visit us today. As always, I would also like to give a warm welcome to our fans who have come along to the Silverlake Stadium to support us.

We have managed to get a couple of really positive results since we were last here. Getting a draw against Wealdstone with ten men, after the start that they've had was positive, and then beating Truro away from home during the week was also really good for all of us.

We've got the new manager in now, and the group have taken really well to his ideas. We want to put on a good display this afternoon at the Silverlake, so that we can make his first home game in charge one to remember.

Solihull are a good side, and they've had a couple of good results away from home this season. We want to be aware of their threats so that we can put in a really good account of ourselves this afternoon.

Hopefully we can have as many of our supporters down here as possible coming to watch us so that we can create a really good atmosphere at the Silverlake!

Thank you all for your continued support!

Silverlake: Shaping a Greener Future with Community at its Heart

At Silverlake Automotive Recycling, we take pride in our role within the community. We continuously strive to make a positive impact through charitable work, environmental initiatives, partnerships, and the opportunities we provide for our staff and apprentices.

Over the years, we've built strong relationships with local organisations, supporting over 25 charities and groups this year alone, including Blue Light Trust, British Heart Foundation, Naomi House, Rainbow Trust, Swanmore Fate and Curdridge Reading Rooms play area, positively affecting lives across Hampshire and beyond. Our business is about more than just recycling; it's about making a meaningful difference to every person and company we engage with.

Our community involvement has been deeply rewarding. In 2023, we received multiple accolades at the ATF Professional Vehicle Recycling Awards, including the Community Impact Award, the Recycled Vehicle Parts Supplier Award, and the Salvage Company Award. These honours underscore our dedication to offering top-quality service while promoting eco-friendly practices and charitable initiatives.

This year, we are finalists again in three prestigious categories: Community Impact, Salvage Company of the Year, and Large Vehicle Recycling Company. These nominations highlight our commitment to high service standards and consistent contributions to our community.

Our focus on sustainability and community engagement remains central to our success. This month, we've been nominated as finalists for the Contribution to the Community Award at the Hampshire Business Awards 2024. This recognition reflects the hard work our team puts into supporting local initiatives and addressing community needs. From backing local sports teams to partnering with emergency services, we're committed to making a positive difference where it counts most.

One of our long-standing partnerships is with the Hampshire and Isle of Wight Fire and Rescue Service. For over a decade, we've provided salvage vehicles for essential training exercises, helping firefighters train for road traffic rescues. Last month, we supported the UK Rescue Organisation's Festival of Rescue, supplying over 100 vehicles for teams across the UK to hone life-saving skills. This hands-on training is vital to the safety of all road users, and we're proud to assist.

We also sponsor and partner with Eastleigh FC, where the Silverlake Stadium has become a hub for grassroots development. Earlier this year, we hosted MOTO FEST at Eastleigh, a fundraising event featuring family activities, music, and vehicle displays.

The event drew over five thousand visitors from across Hampshire and raised over £20,000 for local charities.

Our U-Donate-a-Car initiative, now 12 years old, allows donations from as little as £5 to the value of a whole vehicle, with proceeds benefiting local charities. It's a great way to recycle vehicles while contributing to worthy causes. The program is easy to participate in and supports both environmental sustainability and community well-being.

Silverlake's commitment to the community is deeply embedded in our values. We employ over 150 local staff, offering secure jobs where they can achieve their potential. As we look to the future, we have plans to grow both our business and workforce, ensuring we continue to lead by example and build a more sustainable future for everyone in our community.

We are proud to have been part of the Hampshire community for over eighty years and remain dedicated to making our community proud of us. We are committed to continually raising our contribution to the local economy as we grow and move forward.

EASTLEIGH 2

A GUTSY DEFENSIVE DISPLAY HELPED EASTLEIGH EARN THEIR SECOND AWAY WIN OF THE SEASON AGAINST TRURO CITY FOLLOWING GOALS FROM TEMI EWEKA AND AARON BLAIR. THE VICTORY ALSO SEES SCOTT BARTLETT PICK UP HIS FIRST VICTORY AS SPITFIRES MANAGER.

Both sides started the game strongly with chances coming in the opening exchanges. The Spitfires had the better opportunity with Jake Vokins picking up the ball on the left flank and drove inside before playing a delightful ball in behind for Harvey Saunders to chase. Saunders controlled the ball and tried to round Aidan Stone in the Truro goal before smashing his shot into the side netting.

The Tinnners responded excellently with Luke Jephcott collecting the ball on the edge of the box and unleashing a venomous strike which forced Nick Townsend into an early save to keep the game level. From the resulting corner, the home side came inches away from taking the lead through a header at the back post with woodwork coming to the Spitfires' rescue before the ball was cleared downfield through the boot of Luis Fernandez.

Following a period of pressure, the Spitfires found themselves with a free-kick in the centre of the pitch with Jake Taylor receiving the ball on the right before delivering a delightful ball into the six-yard box. Defender Luis Fernandez used his strength to make a nuisance of himself in the six-yard box before meeting the ball with a looping header, for it only to be cleared off the line. The ball then fell to Temi Eweka who side footed it into the roof of the net to give the Spitfires the lead.

With the last chance to note of the first half, Lloyd Humphries picked the ball up in the middle of the park before releasing the flying Jake Vokins down the left. The left-back drove forward with the ball before playing a pinpoint cross along the grass to the back post for a sliding Aaron Blair to pass the ball into an open net to give the Spitfires a 2-0 lead heading into half-time.

Having dealt with the immense pressure from the home side, the Spitfires had an opportunity of their own as flying full-back Jake Vokins sprinted down the left and delivered the ball into the box for a leaping Harvey Saunders. The forward, however, couldn't quite divert his header towards goal and it skewed off wide of the post to keep the score at 2-0 to the Spitfires as the game headed towards its conclusion.

This opportunity for the Spitfires proved to be the last real chance of the game and the game finished 2-0 to the Spitfires. The gutsy defensive performance gave Scott Bartlett his first win as Eastleigh manager and another clean sheet to go with it.

Report by Marcus Mansfield

The first opportunity of the second-half fell to the Spitfires following a long throw-in from Archie Harris on the left before the ball dropped to Lloyd Humphries who's sliced effort went high and wide of the Truro goal from 25-yards out.

Following this let off for the home side, they asserted some pressure themselves which resulted in talisman Johnson-Fisher cutting inside from the edge of the box and lifting the ball towards the back post. The cross was intercepted by Lloyd Humphries who appeared to have handled the ball in the process but the shouts of the Truro players and supporters were immediately ignored by the referee to the surprise of everyone inside the Truro City Stadium.

SPITFIRE IN THE SPOTLIGHT

From a personal side, how've you been finding life as the manager of Eastleigh Football Club?

Yeah, really good! I feel like I have been here for longer than I have! Everyone made me feel really welcome here, and it's been down to work since then. I think that it has been a really productive ten days, and I am really enjoying it. We've got a bit to do but there is plenty to work with, so I am really pleased.

How excited are you to see the Silverlake Stadium with fans in it from the dugout?

I am looking forward to it. We have an impressive venue here, and it's above the level in many ways. We are all geared up. It will be really good to see the fans tomorrow, we have had a really good following in our last two games, and they have spent a lot of money travelling to watch us. It will be nice to see them here, and I am looking forward to getting to know them.

Has much changed about the National League since you last worked in this division?

Pretty much every team is full-time now. The league has evolved and it's become a bit of a monster. I would say that it is very much an extension of the football league now.

What can fans who didn't manage to get to either of your first two games expect to see from your team?

We will get better and better as we go along, I promise that. We have seen a big improvement already in the training sessions that we have had.

One thing my team will always do is to give the fans something to cheer about. Whether we are great on the day or not, I want people to be going away thinking that we have put a good shift in. We have seen that already from the players. Because of the proximity of the games, we have had challenges squad wise. Nothing major, but obviously we have played three games in six days, with two of those being away.

We will get better, we will be exciting, and we will have players who can beat people one v one.

Can you tell us a bit about your playing career?

I played at AFC Bournemouth for a couple of seasons as a young player. I really enjoyed it, and I think the experience I had there had moulded me into how I am now as a coach. After I left there, I went to Cirencester football academy, so I have had a bit of a journey. I left home when I was just 16.

Following that, I signed for Salisbury, and I played the majority of my career there. Salisbury is my home town club, and we saw three promotions when I was there, to get us up into the National League.

I played the remainder of my career at Weston, Bath and Forest Green. I went straight into coaching at Forest Green when I stopped playing.

What do you like to get up to away from the pitch?

I like spending time with my family. My kids are really important to me. We are renovating a property at the moment.

As much as I love football, I don't let it take over my whole life, and I have become quite good at separating the job from my personal life. You can only do that if you've got good staff, and we have that at Eastleigh.

I also like to travel, but obviously we don't get the opportunity to do that during the season. I think, certainly later in life, I want to travel all over the place if I am fortunate enough to.

25 YEARS CHAMPIONING GRASSROOTS

Shout it from the terraces, it's our anniversary! Since 2000, we've been transforming lives, giving every community great places to play sport. We're not finished yet, so here's to more game-changing investment.

Solihull Moors will make a 258 mile round trip to visit the Silverlake Stadium for this afternoon's league clash.

Solihull Moors were founded in 2007. They were promoted to the National League following a league title winning 2015/16 season in the National League North.

Since they were promoted, the Moors have remained in the National League. They came close to promotion in the 2023/24 season, when they missed out at Wembley Stadium in the play-off final against Bromley. They were beaten on penalties following a tightly contested game in the capital.

Solihull Moors have played their football at Damson Park since they were established just 18 years ago. The ground has two seated stands which are on either side of the pitch, and it can hold up to 5,500 supporters.

Their record attendance was set back in 2022, when they hosted Chesterfield in a play-off semi-final match in front of 4,020 hopeful supporters.

Former Spitfire, Oscar Rutherford, who made 70 appearances across two seasons of playing for Eastleigh's first-team will make his return to the Silverlake Stadium this afternoon, wearing the number 21 shirt for Solihull.

WALKING FOOTBALL

SO MANY PEOPLE SAY ‘ I COULD NEVER PLAY WALKING FOOTBALL’, ‘I COULDN’T STOP MYSELF FROM RUNNING!’ WELL, GUESS WHAT – ALL OUR GAMES ARE REFEREED AND ONCE YOU’VE BEEN BLOWN FOR RUNNING A FEW TIMES, YOU SOON GET THE HANG OF IT. YOUR TEAM MATES AND OPPOSITION WILL ALSO HELPFULLY POINT OUT THE ERROR OF YOUR WAYS!

It can be a bit more serious in tournaments. One tournament we play in, the rule is that if the referee blows 4 times for running (for the team, not the individual) then a penalty kick is awarded. Other differences between the football we all grew up with and walking football include protection for goalkeepers. No one is allowed in the goalkeeper’s area and the ‘keeper cannot leave his area. If a defender encroaches, then a penalty kick is the punishment. If a forward encroaches, then the defending team gets a free kick.

Physical contact is not permissible, so no shoulder charging (or shirt pulling!). Tackling from behind is outlawed. These laws are designed to enable us ‘oldies’ to continue to enjoy the sport we played all of our lives, whilst the risk of physical injury is minimised. We have seen over the years that it is not the coming together of players that is the problem, it is the outcome. Our bones are inevitably a bit more brittle as we get older and we have seen incidences of injury resulting from the subsequent fall, rather than the actual tackle.

So, every possible step is taken to minimise the potential for injury to our players whilst still retaining a competitive form of play.

If that whets your appetite to give it a go, we would be delighted to hear from you. Men from age 50 and ladies from 40 are eligible. Whether you see yourself as a potential tournament player or just fancy a kickabout, you can get in touch via the contact form on our website at <https://eastleighfcwalkingfootball.co.uk/come-join/>

We would love to hear from you.
