SCOTT BARTLETT

GOOD EVENING AND WELCOME TO EVERYONE FOR THIS EVENING'S FIXTURE AGAINST SCUNTHORPE UNITED!

I write this on the back of two away games at Hampton & Richmond in the FA Cup, and at Boreham Wood.

Against Hampton we were very professional in what was a controlled performance. We made a really tricky away tie a comfortable win in the end which was testament to the players preparation and application.

We followed that up with a trip to Boreham Wood which has highlighted a few things for us as staff, yes we came up against a very good team in good form, however I thought we underperformed across the board which was disappointing.

We have had a few issues with injury and suspension to contend with in my

short time as manager and on the whole we have coped well, however, Saturday was a game too many.

We have had some good news regarding Aaron Blair and Paul McCallum, both are recovering well and should be getting close to a return to action. Richard Brindley is now fit also and with Aaron Pierre and Archie Harris both available following international duty the squad is looking healthier. A special mention also for Niall Maher who is back on the grass as the next stage in his rehab.

Tonight's game will be another tough challenge against a good Scunthorpe team going well in the league. We though are at home and will attack the game in a positive way.

I hope you enjoy the game and thanks again for your continued support,

Scott Bartlett

WELCOME BACK TO THE SILVERLAKE STADIUM FOR TONIGHT'S NATIONAL LEAGUE FIXTURE AGAINST SCUNTHORPE UNITED!

Before we get started, I would like to welcome the players, backroom staff, and fans of Scunthorpe who have made the long trip down to Eastleigh to visit us tonight. As always, I would also like to give a warm welcome to our fans who have come along to the Silverlake Stadium to support us.

We have had an eventful couple of weeks since we last played at home. Getting through to the next stage of the cup was great for us, and we are all looking forward to the test we have in store against Walsall back here at the Silverlake at the start of next month!

Scunthorpe are a strong side. They have had a really strong start to the season, and will be coming here tonight wanting to get a result. We are aware of what they have to offer, and we are up for the challenge!

The Silverlake is our home, and we want to make sure that we pick up positive results here. We have prepared well, following the weekend's game, and we can't wait to get going on home soil, under the lights.

We are all looking forward to seeing as many of you at possible down here at the Silverlake with us this evening!

Thank you all for your continued support!

Silverlake: Shaping a Greener Future with Community at its Heart

At Silverlake Automotive Recycling, we take pride in our role within the community. We continuously strive to make a positive impact through charitable work, environmental initiatives, partnerships, and the opportunities we provide for our staff and apprentices.

Over the years, we've built strong relationships with local organisations, supporting over 25 charities and groups this year alone, including Blue Light Trust, British Heart Foundation, Naomi House, Rainbow Trust, Swanmore Fate and Curdridge Reading Rooms play area, positively affecting lives across Hampshire and beyond. Our business is about more than just recycling; it's about making a meaningful difference to every person and company we engage with.

Our community involvement has been deeply rewarding. In 2023, we received multiple accolades at the ATF Professional Vehicle Recycling Awards, including the Community Impact Award, the Recycled Vehicle Parts Supplier Award, and the Salvage Company Award. These honours underscore our dedication to offering top-quality service while promoting eco-friendly practices and charitable initiatives.

This year, we are finalists again in three prestigious categories: Community Impact, Salvage Company of the Year, and Large Vehicle Recycling Company. These nominations highlight our commitment to high service standards and consistent contributions to our community.

Our focus on sustainability and community engagement remains central to our success. This month, we've been nominated as finalists for the Contribution to the Community Award at the Hampshire Business Awards 2024. This recognition reflects the hard work our team puts into supporting local initiatives and addressing community needs. From backing local sports teams to partnering with emergency services, we're committed to making a positive difference where it counts most.

One of our long-standing partnerships is with the Hampshire and Isle of Wight Fire and Rescue Service. For over a decade, we've provided salvage vehicles for essential training exercises, helping firefighters train for road traffic rescues. Last month, we supported the UK Rescue Organisation's Festival of Rescue, supplying over 100 vehicles for teams across the UK to hone life-saving skills. This hands-on training is vital to the safety of all road users, and we're proud to assist.

We also sponsor and partner with Eastleigh FC, where the Silverlake Stadium has become a hub for grassroots development. Earlier this year, we hosted MOTO FEST at Eastleigh, a fundraising event featuring family activities, music, and vehicle displays.

The event drew over five thousand visitors from across Hampshire and raised over £20,000 for local charities.

Our U-Donate-a-Car initiative, now 12 years old, allows donations from as little as £5 to the value of a whole vehicle, with proceeds benefiting local charities. It's a great way to recycle vehicles while contributing to worthy causes. The program is easy to participate in and supports both environmental sustainability and community well-being.

Silverlake's commitment to the community is deeply embedded in our values. We employ over 150 local staff, offering secure jobs where they can achieve their potential. As we look to the future, we have plans to grow both our business and workforce, ensuring we continue to lead by example and build a more sustainable future for everyone in our community.

We are proud to have been part of the Hampshire community for over eighty years and remain dedicated to making our community proud of us. We are committed to continually raising our contribution to the local economy as we grow and move forward.

EASTLEIGH

EASTLEIGH SUFFERED DEFEAT ON THE ROAD AGAINST BOREHAM WOOD AT THE MANGATA PAY UK STADIUM IN THE ENTERPRISE NATIONAL LEAGUE.

The game came into life within three minutes when a wayward back pass from Sonnie Davis sprung Nick Townsend into immediate action. He had to get to the ball first before oncoming Abdulmalik, Eastleigh's number one made a fantastic sliding tackle which fell to Zak Brunt just outside the box. Brunt attempted to chip Townsend but his effort went over the bar.

Two minutes later after Evans brilliantly won the ball back in midfield, the Spitfires gained a good spell of possession. Captain Jake Taylor received the ball and picked out a great pass into the run of Jake Vokins. Vokins decided to cross early, but his ball was fired across the box above the head of Ciaran McGuckin.

By the 40th minute, Boreham Wood had begun to grow into the game and were relentless in their attacks. Matt Rush got to the byline and crossed low and hard for Bush. Bush struck his shot low and hard, but once again Townsend got down to deny the hosts to keep it 0-0 going into half time.

Eight minutes into the second-half, the hosts were rewarded for their persistence. Abdulmalik drove with the ball towards the heart of the Eastleigh defence, cutting in from the left-hand side. The winger was not closed down and bent a right-footed shot into the far-right corner, leaving Townsend with no chance. After starting the half with real intent, Boreham Wood found themselves 1-0 up against Eastleigh.

Similar to the goal that put Boreham Wood ahead, Brunt found himself with plenty of space at the edge of the box with the ball at his feet, the midfielder continued to drive forwards and the Spitfires continued to back off. This time, though, the shot went straight down the throat of Townsend, who parried to safety.

With five minutes to go, Temi Eweka managed to deny the chance for Norris to make it 3-0 when substitute Charles Clayton fired a fantastic ball across the floor from the left-hand side into the path of danger. However, Eweka got there first.

Eweka's decisive action was the last of the 90 minutes as Eastleigh fell to defeat for the first time under Scott Bartlett at the helm at the hands of Boreham Wood.

Report by Ed Groves

In the 64th minute, Boreham Wood had a golden chance to double their lead and potentially seal the victory. However, the chance was wasted when Rush missed a close-range effort from Joe Newton's low cross.

However, with just ten minutes to go, Boreham Wood did get that elusive two-goal lead. Abdulmalik, who caused a lot of problems for the Eastleigh defence all afternoon, managed to beat Davis on the left-hand side and pick out Lewis Richardson, who fired home to make it 2-0.

A group of approximately 15 Arsenal fans are posed in front of a green merchandise board. The board features the name 'Graham' in large white letters, with 'The Plumbers' Merch' written below it. To the right, parts of other boards are visible with the text 'BOREH', 'TELE', and 'MBIN'. The fans are dressed in various Arsenal-related clothing, including blue and green tracksuits, jackets, and scarves. Some are clapping, while others are looking at their phones or the camera. In the foreground, a large red banner with the word 'ARSENAL' in white capital letters is partially visible. The background consists of a dense green tree.

SPITFIRE IN THE SPOTLIGHT

How've you found playing for Scott Bartlett so far?

I am really enjoying it. Since he has come in, we have had a good run of games. Obviously, it was a tough result for us on Saturday. But we've got the chance to go again tonight. But yeah, I have been really enjoying it so far!

You scored your first goal of the season against Hampton & Richmond recently, what a finish it was!

Yeah, it was really good! I think goals and assists are something that I would like to add into my game, so to get the first one under my belt was really good.

Following a long term injury, you are coming back in now. How've you found that?

I think for me, my personal goal is to stop getting injured. I felt like I worked really hard when I was injured so that I could get back up to speed, and ready to play again as soon as possible.

What advice would you give to someone who is currently dealing with a big injury?

Patience. Obviously, it is tough when you get injured, especially when you are out for a while. Work really hard, do your rehab and stick with a good diet. All the little 1% things help you to get back quicker.

We've had a quick turnaround ahead of tonight's game. How do you deal with that?

I do lots of recovery stuff. I have got my recovery pumps, and I go to the gym so that I can use the pool and the sauna. Other than that, I stretch, eat well and get some good sleep in.

What message would you give to the fans ahead of tonight's game?

Keep bringing the noise! I think the fans have been excellent during our last few games, and it helps us as we want to get the win for them. So it helps us if they keep bringing the noise. They can expect another good performance, and we will go out to get three points.

Scunthorpe will make a 472 mile round trip to visit the Silverlake Stadium for this evening's league clash.

The Iron play their home games at the Attis Arena, which has housed them since 1988.

Their record attendance came in the National League North play-off final last season, when 9,086 supporters were in the ground to watch the Iron earn promotion back to the National League.

This is now the fifth consecutive season that Scunthorpe have spent outside of the football league.

The Iron spent the 2009/10 and 2010/11 campaigns plying their trade in the Championship. Following this, until they were relegated to the National League in the 2021/22 season, they spent their time either in League One or League Two.

In the 2008/09 season, Scunthorpe finished as runners-up to Luton Town in the EFL Trophy. Over 55,000 spectators watched on as they fell to a heart breaking defeat after extra-time at Wembley Stadium.

Former Spitfire, Danny Whitehall has scored four in his first four games this season for Scunthorpe, and he will be one to watch out for in this evening's game.

FA YOUTH CUP REPORT

EASTLEIGH MANAGED TO LEVEL THE SCORING THROUGH A GREAT EFFORT FROM CHIKA UGWUMBA AFTER BEING ONE GOAL DOWN AT THE BREAK. HOWEVER IT WAS CHIPPENHAM TOWN THAT WOULD ADVANCE TO THE FIRST ROUND PROPER AFTER A LATE GOAL FROM IDRIS THOMAS JONES.

The first shot of the game arrived in the ninth minute when George Cook broke well down the right-hand side for Chippenham Town. The full-back then cut in and tried his luck, but the Eastleigh keeper took it into his grasp.

The hosts were awarded their first corner of the game when Sean Hart's pace allowed him to get onto a loose ball down the right-hand side. Hart opted to cross early, but this cross was seen out for a corner.

Keegan Kelly decided to go low across the edge of the box, finding Hubert Cegiela, but the striker's shot towards goal was blocked.

After a bit of pressure from the away side, the hosts very nearly opened the scoring. A free-kick on the left side of the pitch was perfectly sent in towards Jayvon Cowill, but his headed effort was just wide of the post.

Following a moment of brilliance, the Bluebirds found themselves ahead when Banfield scored a wonderful free-kick from 25 yards out, placing the ball into the top-left corner making it 1-0 to Chippenham Town.

Just on the brink of half-time, the away side very nearly doubled their lead. Lewis Roystone broke into space on the far right, the defender continued his run all the way to the Eastleigh box, but his effort trickled just wide of the far post.

With just twenty minutes to go Eastleigh had their best chance of the game to level the scoring. In a very similar position to the goal in the first half Chika Uguwumba smashed his effort onto the bar.

With 12 minutes of normal time to go the Spitfires got there leveller, after striking the bar before, Uguwumba got more fortune with his next effort as his deflected effort sailed over Massimo Sardo in-between the Chippenham sticks to level the scoring at 1-1.

However with very little time left to go Idris Thomas-Jones cross attempt looped over Hale and found its way in off the post, giving the visitors a 2-1 lead with very little time left.

Chippenham Town managed to see out the game and therefore advance to the next round of the FA youth cup.

WALKING FOOTBALL

OUR LADIES SECTION HAS BEEN BUSY DURING THE MONTH OF OCTOBER. WEEKEND BEFORE LAST THEY WERE IN ACTION ON BOTH DAYS IN DIFFERENT PARTS OF THE COUNTRY.

On Saturday 11th October they headed up to Ruislip, Middlesex, as the Hampshire winners in the first round of the FA's national cup. They competed against Chesham, Oxford, Thames Valley and Newhaven for a place in the finals day, as representatives of the south.

The standard was high and after starting with a 0-0 and 1-1 draws against Newhaven and Oxford respectively, lost 2-1 to a late penalty against Thames Valley. The final game resulted in a 2-1 win to Chesham, who were group winners and will go on to represent the south in finals day at St George's Park next month. We wish them well.

On Sunday the girls headed west for the first round of fixtures in the Dorset league, which includes teams from outside that county. Showing dedication and commitment, a number of Saturday's squad also played on the Sunday.

They started with a 1-0 loss to Lilliput, and a 2-0 defeat at the hands of Swanage. Things got better with a 1-0 win over Bournemouth in another tight game. A tough final game against Plymouth ended 0-0. After the first round of fixtures the girls are 4th with 4 points, Plymouth being the league leaders with 8 points.

Ladies captain Sarah Harper is playing for England next week in Spain, as captain of England Ladies over 50's in the world cup of nations. We will report on that next month.

If all that whets your appetite to play, ladies or gents, check out the 'Join Us' page on our website, www.eastleighcwalkingfootball.co.uk and get in touch.
