SCOTT BARTLETT

HELLO AND WELCOME TO EVERYONE FOR TODAY'S GAME AGAINST MORECAMBE.

I write these notes on the back of a decent result and performance at home to Scunthorpe on Tuesday in what was a cracking atmosphere at the Silverlake Stadium. I thought we started well whilst Scunthorpe offered a threat which made for a game which required a lot of effort and concentration. I was disappointed to concede from the penalty spot just after half time but was delighted again with the response from the players. Not only did we react well we carried a real threat for the remainder of the game.

I made some changes to the starting eleven, myself and the staff felt we looked a bit leggy at Boreham Wood and on reflection we had five players in the team that had played a lot of football recently after missing

some action previously.

My personal opinion is that our substitutes had the best collective impact of any we have made so far in my short tenure. Lloyd came on and slotted in nicely and I thought Luke Skinner and Kieron Evans were excellent additions to the game at a good time for us.

Today's game will be another challenge we need to be ready for, Morecambe are a tricky team to play so we have had to prepare well as always.

After this one we have a good weeks training prior to the FA Cup game v Walsall which will be a brilliant occasion for the club and supporters.

I hope you enjoy the game and thanks as always for your continued support

JAKE TAYLOR

WELCOME BACK TO THE SILVERLAKE STADIUM FOR THIS AFTERNOON'S NATIONAL LEAGUE FIXTURE AGAINST MORECAMBE!

Before we get started, I would like to welcome the players, backroom staff, and fans of Morecambe who have made the long trip down from the north to visit us today. As always, I would also like to give a warm welcome to our fans who have come along to the Silverlake Stadium to support us.

It's been a quick turnaround for us coming into this one, after playing Scunthorpe here just a few days ago. We earned a solid point against them. They have had a good start to the season, and are currently sat at the higher end of the table.

It was good to see Ciaran McGuckin get his first goal for the club. He has been great for us since he came in, and I am sure he will get more goals for us during his time here.

Coming into this one, we need to be aware of Morecambe's threats. They had a good result away at Boston over the weekend, and they will be looking to come here and back that up with another three points.

We want to get a good result this afternoon, as we look to push up the table.

All of us are looking forward to seeing as many of you as possible down here at the Silverlake with us this today!

Thank you all for your continued support!

Silverlake: Shaping a Greener Future with Community at its Heart

At Silverlake Automotive Recycling, we take pride in our role within the community. We continuously strive to make a positive impact through charitable work, environmental initiatives, partnerships, and the opportunities we provide for our staff and apprentices.

Over the years, we've built strong relationships with local organisations, supporting over 25 charities and groups this year alone, including Blue Light Trust, British Heart Foundation, Naomi House, Rainbow Trust, Swanmore Fate and Curdridge Reading Rooms play area, positively affecting lives across Hampshire and beyond. Our business is about more than just recycling; it's about making a meaningful difference to every person and company we engage with.

Our community involvement has been deeply rewarding. In 2023, we received multiple accolades at the ATF Professional Vehicle Recycling Awards, including the Community Impact Award, the Recycled Vehicle Parts Supplier Award, and the Salvage Company Award. These honours underscore our dedication to offering top-quality service while promoting eco-friendly practices and charitable initiatives.

This year, we are finalists again in three prestigious categories: Community Impact, Salvage Company of the Year, and Large Vehicle Recycling Company. These nominations highlight our commitment to high service standards and consistent contributions to our community.

Our focus on sustainability and community engagement remains central to our success. This month, we've been nominated as finalists for the Contribution to the Community Award at the Hampshire Business Awards 2024. This recognition reflects the hard work our team puts into supporting local initiatives and addressing community needs. From backing local sports teams to partnering with emergency services, we're committed to making a positive difference where it counts most.

One of our long-standing partnerships is with the Hampshire and Isle of Wight Fire and Rescue Service. For over a decade, we've provided salvage vehicles for essential training exercises, helping firefighters train for road traffic rescues. Last month, we supported the UK Rescue Organisation's Festival of Rescue, supplying over 100 vehicles for teams across the UK to hone life-saving skills. This hands-on training is vital to the safety of all road users, and we're proud to assist.

We also sponsor and partner with Eastleigh FC, where the Silverlake Stadium has become a hub for grassroots development. Earlier this year, we hosted MOTO FEST at Eastleigh, a fundraising event featuring family activities, music, and vehicle displays.

The event drew over five thousand visitors from across Hampshire and raised over £20,000 for local charities.

Our U-Donate-a-Car initiative, now 12 years old, allows donations from as little as £5 to the value of a whole vehicle, with proceeds benefiting local charities. It's a great way to recycle vehicles while contributing to worthy causes. The program is easy to participate in and supports both environmental sustainability and community well-being.

Silverlake's commitment to the community is deeply embedded in our values. We employ over 150 local staff, offering secure jobs where they can achieve their potential. As we look to the future, we have plans to grow both our business and workforce, ensuring we continue to lead by example and build a more sustainable future for everyone in our community.

We are proud to have been part of the Hampshire community for over eighty years and remain dedicated to making our community proud of us. We are committed to continually raising our contribution to the local economy as we grow and move forward.

EASTLEIGH 1

SCUNTHORPE 1

SCOTT BARTLETT'S EASTLEIGH SIDE EARNED A 1-1 DRAW AGAINST SCUNTHORPE UNITED ON TUESDAY NIGHT AT THE SILVERLAKE STADIUM.

Scunthorpe had the first chance of the game inside one minute, as the ball bounced to the feet of Scunthorpe defender Andrew Boyce from 25 yards out. The defender connected well with the ball but his half volley went just over the bar.

Just three minutes later, Scunthorpe were through on goal, with Carlton Ubaezuono being played through one on one with goalkeeper Nick Townsend, who got down low and kept out the Scunthorpe attackers left footed shot.

Eastleigh had their first real chance of the game just after ten minutes, with Josh Lundstram receiving the ball down the right hand side, where he delivered a ball across the face of the Scunthorpe goal, but Harvey Saunders couldn't quite get onto the end of the ball despite his outstretched leg.

Scunthorpe went up the other end immediately, with a scramble in the penalty area finally landing at Joe Rowley's feet, but his left blazed effort blazed straight over the bar.

Just five minutes into the second half, Scunthorpe were awarded a penalty, after a scramble from a corner saw Jean Belehoun be pushed into the net, and the referee deemed there to be enough in order to point to the spot, booking Luis Fernandez in the process.

Danny Whitehall stepped up to take the penalty, and slotted into the bottom right, sending Townsend the wrong way, giving Scunthorpe the lead.

Rowley would then get another big chance six minutes later, with his shot from the left hand side a strong one, but Townsend parried the shot out for the corner.

Eastleigh would get their first chance in the 62nd minute, with some well worked play from Archie Harris down the left hand side resulting in the ball falling to Jake Taylor who slipped through Ciaran McGuckin on the left hand side, with his shot from a tight angle pushed out for a corner.

Just a minute later, Alfie Beestin is played by Ubaezuonu through on goal, but Beestin's effort is poor, and Townsend got down low to produce a big save.

Eastleigh applied pressure throughout the second half, and in the 76th minute they would get their reward. Luke Skinner off the bench would cut inside from the right hand side, with his low driven left footed shot fired just wide of the Scunthorpe goal.

A minute later, Scott Bartlett's side got their goal, after a long ball from Jake Taylor resulted in the second ball landing to the feet of Kieron Evans, who dribbled through before faking the shot twice, and eventually laying Skinner off on the right hand side, who played a left footed ball first time into the penalty area. McGuckin would be on the end of the pass inside the six yard box, who produced a sublime back heel flick towards goal, beating Rory Watson in goal.

The final 13 minutes were cagey, with neither side producing a big chance, ending the game in a 1-1 draw.

LLOYD
HUMPHRIES

SPITFIRE IN THE SPOTLIGHT

Having played for Scott Bartlett before, how happy were you when you heard he was going to become Eastleigh manager?

I was obviously very pleased, because i've got a very good relationship with him. We worked together for a number of years, and he's had me ever since i've been in mens football. We made some really good memories at Weston, and had a really good team there. I think, hopefully we can try and replicate a bit of the success that we had there, at Eastleigh.

You've had a couple of problems with injuries recently, but have started the majority of our games in recent weeks. How difficult was that period for you?

It was really tough. Over the off season, it was a difficult one. I was having a lot of two steps forward, one step back kind of situations. I have had plenty of injuries before unfortunately, so I wasn't getting too worried. I always back myself to get fit. It looks like i've seen the back of the worst of it now, so hopefully I can now stay fit for the rest of the season.

Archie Harris recently represented Wales at youth level, which is something you also did. How much did you enjoy that?

It is an absolutely massive part of your development when you are younger. It's a real honour, going abroad and playing for your country. I had some really good experiences when I did it myself, and I played with some great players. Hopefully Archie can do the same now, and kick on another level and make it to the mens team.

You are one appearance away from making your 50th for Eastleigh, how proud are you of that?

Funnily enough, me and my dad were speaking about that after the Scunthorpe game. We were saying that I must be close to around 50 games. It's mad how quick time flies by. It feels like only a few weeks ago I was moving down here. It has all gone really well, and I have really enjoyed my time here. Hopefully, I can get at least another 50 more appearances here.

A lot of those appearances came playing next to Ludwig Francillette, who is now at Morecambe. Are you looking forward to coming up against your former teammate?

Yeah, it will be nice to see him. He was brilliant for us last season, both defensively and he was able to get a few goals as well. That will be something that we will have to look out for. He is a massive threat in both boxes.

Finally, what are your goals for the remainder of the season?

The most important one for me is to stay fit, and play as much as I can, following that little injury scare that I had. Apart from that, it is just to win as many games as we can, and hopefully implement the new style of football, and put on performances that the fans will want to see.

EASTLEIGH FOOTBALL CLUB CAN ANNOUNCE THAT CONNOR UNDERHILL HAS JOINED SOUTHERN LEAGUE PREMIER DIVISION SOUTH SIDE DORCHESTER TOWN ON A SHORT-TERM LOAN.

The 19-year old midfielder joins The Magpies to gain some valuable game time and experience.

We wish Connor all the best during his time with Dorchester Town.

Upon the loan being agreed, manager **Scott Bartlett** said: “Connor has trained really well lately and I’m excited to see him fully fit and match sharp. I don’t like good, young players missing out on football, so this will give him the chance to get some games and come back to us ready to affect the first team.”

Morecambe will make a 538 mile round trip to visit the Silverlake Stadium for this afternoon's league clash.

The Shrimps play their home games at the Mazuma Mobile Stadium, which has housed them since 2010.

The ground has a maximum capacity of 6,476. Morecambe's record attendance there came in 2022, when 5,831 spectators watched them take on Sunderland in League One.

Before their move to the Mazuma Mobile Stadium, the Shrimps played their home matches at Christie Park. The ground on Lancaster Road housed them between 1921, until it was demolished in 2010.

Between 2021-2023, Morecambe played their football in League One, which is the highest level the club has played at. Following this, they spent two seasons in League Two, before being relegated to the National League.

Morecambe were last in the National League in the 2006/07 season, when they earned promotion through the play-offs.

Former Spitfire, Ludwig Francillette now plies his trade for the Shrimps, after making 86 appearances in Eastleigh colours.

During the 2024/25 season, the defender racked up a tally of eight goals for the Spitfires.

WALKING FOOTBALL

OCTOBER SO FAR HAS BEEN A BUSY MONTH FOR EASTLEIGH'S WALKING FOOTBALL CLUB IN TOURNAMENTS.

Earlier in the month the male over 70's played in the Hampshire League, losing one, winning one and drawing a 3rd game.

The following week the over 50's headed down to Hamworthy to compete in the Dorset League, in the opening round of this season's fixtures.

They drew 1-1 with Sherborne and with Dexters (Poole) and triumphed 2-0 over Bournemouth.

After that first round of matches, Eastleigh sit 4th in the table which comprises 10 teams. Next month they take on leaders Amesbury, Dorchester and Verwood.

As has been reported previously, the ladies tumbled out of the FA National Cup at the regional round but have started strongly in the Hampshire League.

As we go to press, the men are off to Hamworthy again, for the over 65's Dorset League. Report will be in the next programme notes.

Meanwhile our ladies captain will be leading England over 50's in the Walking Football World Cup of Nations in Alicante next week. James Trant is part of the management/coaching team for the men's over 65's in the same tournament.

Again, full report will be in the programme,, most likely for the York game on November 8th.

As ever, if you are interested in joining us, whether just to play in our regular weekly sessions, or if you see yourself as a tournament or even international prospect, why not give it a go.

Go to the 'Join Us' page on our website, www.eastleighcwalkingfootball.co.uk and send your details over.
