SCOTT BARTLETT

HELLO AND WELCOME TO EVERYONE FOR THIS AFTERNOONS FA CUP FIXTURE VS WALSHALL.

I would like to extend a warm welcome to Mat Sadler and his staff for todays game, Mat is a friend of mine and his results are always one I look out for. He has done an incredible job at Walsall and it will be brilliant to come up against him today.

We come into todays game on the back of a really good home point, and performance against high flying Scunthorpe and a good home win v Morecambe who proved to be tricky opponents on the day.

In the past month or so we have had to use our squad to the best of our ability and to be fair to the players, in the main they have stepped up. They have trained well in terms of attitude and application and are starting now to train at a higher intensity and as a result, better quality in general.

Walsall are a side that test you in possession, they have a way of playing that requires flexibility and concentration. Of course they also have some excellent individuals, one of which is an ex-spitfire in Vince Harper, who also played for me at Weston super Mare previously.

We have prepared very well, its a game we are looking forward to. We, of course go into the game as underdogs but I dont really ever buy into that, we have some excellent players and staff with experience of game like this so yes it going to be a tough challenge, but it is a challenge that is not beyond our reach if we do everything to the best of our ability on the day.

I'd like to thank the supporters who have been brilliant, until we get into our rhythm properly most games will have good and bad bits but your encouragement of the players during this process has not gone unnoticed.

Scott Bartlett

WELCOME BACK TO THE SILVERLAKE STADIUM FOR THIS AFTERNOON'S EMIRATES FA CUP GAME AGAINST WALSTALL!

Before we get started, I would like to welcome the players, backroom staff, and fans of Walsall who have made the trip down to visit us today. As always, I would also like to give a warm welcome to our fans who have come along to the Silverlake Stadium to support us.

The FA Cup is always exciting for us as a club. We are looking forward to the challenge of taking on Walsall in front of a big crowd this afternoon.

Walsall are a good side, and they are flying in the league. We are fully aware that today's game will be a big challenge for us.

However, it's days like these that we play football for. We will give it our all and hopefully we can come out the other side with a spot in the next round of the competition.

We had a great day against Reading a couple of seasons ago here at the Silverlake, and we all want to recreate that today. We understand how important days like this are for everyone at the club.

All of us are looking forward to seeing all of you down here at the Silverlake with us this today, your support will be massive for us today!

Thank you all for your continued support!

Jake Taylor

Silverlake: Shaping a Greener Future with Community at its Heart

At Silverlake Automotive Recycling, we take pride in our role within the community. We continuously strive to make a positive impact through charitable work, environmental initiatives, partnerships, and the opportunities we provide for our staff and apprentices.

Over the years, we've built strong relationships with local organisations, supporting over 25 charities and groups this year alone, including Blue Light Trust, British Heart Foundation, Naomi House, Rainbow Trust, Swanmore Fate and Curdridge Reading Rooms play area, positively affecting lives across Hampshire and beyond. Our business is about more than just recycling; it's about making a meaningful difference to every person and company we engage with.

Our community involvement has been deeply rewarding. In 2023, we received multiple accolades at the ATF Professional Vehicle Recycling Awards, including the Community Impact Award, the Recycled Vehicle Parts Supplier Award, and the Salvage Company Award. These honours underscore our dedication to offering top-quality service while promoting eco-friendly practices and charitable initiatives.

This year, we are finalists again in three prestigious categories: Community Impact, Salvage Company of the Year, and Large Vehicle Recycling Company. These nominations highlight our commitment to high service standards and consistent contributions to our community.

Our focus on sustainability and community engagement remains central to our success. This month, we've been nominated as finalists for the Contribution to the Community Award at the Hampshire Business Awards 2024. This recognition reflects the hard work our team puts into supporting local initiatives and addressing community needs. From backing local sports teams to partnering with emergency services, we're committed to making a positive difference where it counts most.

One of our long-standing partnerships is with the Hampshire and Isle of Wight Fire and Rescue Service. For over a decade, we've provided salvage vehicles for essential training exercises, helping firefighters train for road traffic rescues. Last month, we supported the UK Rescue Organisation's Festival of Rescue, supplying over 100 vehicles for teams across the UK to hone life-saving skills. This hands-on training is vital to the safety of all road users, and we're proud to assist.

We also sponsor and partner with Eastleigh FC, where the Silverlake Stadium has become a hub for grassroots development. Earlier this year, we hosted MOTO FEST at Eastleigh, a fundraising event featuring family activities, music, and vehicle displays.

The event drew over five thousand visitors from across Hampshire and raised over £20,000 for local charities.

Our U-Donate-a-Car initiative, now 12 years old, allows donations from as little as £5 to the value of a whole vehicle, with proceeds benefiting local charities. It's a great way to recycle vehicles while contributing to worthy causes. The program is easy to participate in and supports both environmental sustainability and community well-being.

Silverlake's commitment to the community is deeply embedded in our values. We employ over 150 local staff, offering secure jobs where they can achieve their potential. As we look to the future, we have plans to grow both our business and workforce, ensuring we continue to lead by example and build a more sustainable future for everyone in our community.

We are proud to have been part of the Hampshire community for over eighty years and remain dedicated to making our community proud of us. We are committed to continually raising our contribution to the local economy as we grow and move forward.

EASTLEIGH 2

MORECAMBE 1

EASTLEIGH WERE VICTORS AGAIN AFTER A CONVINCING WIN AGAINST MORECAMBE, THE SPITFIRES' WENT TWO GOALS UP AND DESPITE CONCEDED LATE ON MANAGED TO SECURE ALL THREE POINTS.

It was a cagey affair to begin with Eastleigh starting brightly, pressing high and looking to dictate the tempo, but the first real opportunity fell to the visitors when Joe Nuttall tried his luck from 25 yards, forcing Nick Townsend into a comfortable save. The Spitfires responded quickly, with Richard Brindley slipping in Ciaran McGuckin, though the striker could only find the side netting from a tight angle.

Morecambe threatened again just inside 15 minutes as they played out from the back, breaking the Eastleigh press leading to a ball from ex-Spittfire Lewis Payne aimed at the back post. However, some excellent defending from 17-year-old Skinner allowed the home side to clear their lines.

Eastleigh went close to breaking the deadlock on 27 minutes when Josh Lundstram's pinpoint cross found McGuckin on the volley, but his effort flew narrowly over the bar.

JThe best opportunity of the opening period arrived just before the interval. Eastleigh carved through the Morecambe defence as Lundstram surged into the box, only to be pulled back as he prepared to shoot. The referee played advantage, and the ball fell to McGuckin, whose strike beat Jamal Blackman but was dramatically cleared off the line by loanee Maldini Kacurri—keeping the game goalless at half-time.

The second half began at a high tempo, with both sides posing an early threat. Archie Harris was involved at both ends of the pitch first delivering a dangerous ball into the Morecambe box before making an important block to deny a chance at the other end. Moments later, the visitors came close to breaking the deadlock when Elijah Dixon-Bonner found space on the edge of the area, but his curling effort fizzed narrowly wide of the post.

McGuckin continued to cause problems for the visitors, dispossessing the Morecambe back line and charging forward from halfway before being brought down by former Eastleigh defender Ludwig Francillette. The striker made no mistake from the spot, calmly sending the goalkeeper the wrong way and placing his penalty into the bottom-right corner, his second goal in as many games.

The game was brought to a nervy end as the ball fell to Morecambe's Benjamin Lee Tollitt inside the box just inside 90 minutes, the substitute managed to fire home and half the deficit.

The visitors almost drew level immediately after as a corner came in from Jake Cain, Francillette leapt above everyone but his header flew wide of the post.

Report by Ed Groves

Eastleigh broke the deadlock soon after. A foul by Payne on Harvey Saunders just outside the box handed the hosts a promising free kick, and Lloyd Humphries made no mistake, smashing a stunning strike into the top right corner to score his first goal of the season.

Scott Bartlett's men almost instantly doubled their lead after youngster, Skinner found space just outside the box but his low strike went just wide.

HARVEY
SAUNDERS
SPITFIRE IN THE SPOTLIGHT

How've you been finding things, since joining Eastleigh?

I am really enjoying it. Everyone has welcomed me really well. The lads are great, and the staff have all been great.

The main reason why I wanted to come here was so that I could regularly play games, and so that I could get my confidence back.

What has the preparation for today's game looked like?

It has been the same as every other week. We haven't changed anything on our end, it has been planned out in the way it is for all of our league games.

Walsall were a side you faced last season, what sort of football can we expect to see from them?

They are a strong side. They are doing well in the league right now. We have to turn up and give the best account of ourselves. We need to respect them, but then at the same time, if we do what we do in the right way then I think we have got a hell of a chance.

How have you found things, playing for Scott Bartlett?

I have really enjoyed it. It's a different approach from what I have normally had, but I am really enjoying it. He has given me the confidence again to go out there and play the way that I play.

What's it been like playing with your new teammates?

They are a great bunch of lads. They are all really welcoming. Everyone here wants to win. It's not going to be an easy ride, if you are not performing, they will tell you. But, at the same time they will help you if you are in a bad spot.

Walsall will make a 290 mile round trip to visit the Silverlake Stadium for this afternoon's Emirates FA Cup clash.

The Saddlers play their home games at the Bescot Stadium, which has housed them since 1990.

The ground has a maximum capacity of 11,300. Walsall's record attendance there came in 2004, when 11,049 spectators watched them take on Rotherham.

Before that, Walsall played their football at Fellows Park, from 1896, until their move to Bescot Stadium in 1990. 25,453 watched them take on Newcastle in the second-division there back in 1961. Just before the ground was demolished, one of the sections collapsed due to heavy snowfall.

Walsall have made it to the fifth round of the Emirates FA Cup on six occasions previously. With their most recent visit to that round coming in the 2002/03 season.

Their biggest winning margin in the tournament came back in 1890, when they beat Warmley 12-0 in the first qualifying round of the competition.

Walsall made it to the second round of the Emirates FA Cup last season. They beat Bolton Wanderers 2-1, before losing away from home to Charlton Athletic.

Their manager, Mat Sadler had been in charge of the Saddlers since April 2023. He has won the League Two manager of the month award two times since he took charge of the club.

WALKING FOOTBALL

A SLIGHTLY DIFFERENT APPROACH TO WALKING FOOTBALL NEWS IN TODAY'S PROGRAMME NOTES.

As a club of 11 years' standing in Walking Football, we have had two of our number involved in the World Nations Walking Football Cup. This competition has run over the last 2 weeks in Torrevieja, Spain.

I happened to be in Spain during week one, on a golfing trip. On a 'rest day' I was able to pop in to the magnificent sports complex at Torrevieja to check on progress.

Games were played over 20 minutes each way, played in 25 – 30C of heat each day.

In week one, England men's over 70's picked up the trophy, with our own James Trant as a member of the coaching staff.

In the qualifiers, they beat Netherlands 8-0, Italy 2-0 and Japan 6-0.

In the ¼ final England saw off the Basque Country 4-0, Italy in the semi final 3-1 and a comprehensive 8-1 victory over the Dutch in the final.

Speaking of the 'Basque Country', there was concern that the tournament could be shut down. Apparently, someone complained to the Spanish Government that there is no such country, the correct nomenclature being the 'Basque Region'. Madrid contacted Torrevieja Town Hall, who in turn contacted the tournament organisers, but in the end, all was well and the competition went ahead.

Our picture shows the exchange of banners and coin toss in the England group game v Italy.

Our second member involved is Sarah Harper. Sarah is captain of England Ladies over 50's, who played in week 2. We will carry a report of how they got in in next week's programme for the game against York City.
