SCOTT BARTLETT

Good afternoon and welcome to everyone for today's FA Trophy tie against Southport!

Following a brief break to recharge after a busy Christmas period, we are back at it and have prepared well for a demanding run of fixtures, with five games in the next 15 days starting today.

The squad is in a good place, but it will certainly be tested over the coming weeks, so it is important that everyone continues to train well and is ready to have an impact when called upon.

Today's match will be another tough challenge. We will not be taking Southport lightly and will be as strong as possible for this fixture.

This game comes on the back of a positive run of results, where hard work, team spirit and quality have seen us come out on the right side of some difficult fixtures, none more so than a demanding week that included away trips to Yeovil and Boston.

I would like to thank the supporters who have been with us throughout this period. We know this can be an expensive time of year and truly appreciate the effort you make to follow us home and away.

I hope you enjoy the game.

Regards,
Scott and Staff

WELCOME BACK TO THE SILVERLAKE STADIUM FOR THIS AFTERNOON'S FA TROPHY FIXTURE AGAINST SOUTHPORT!

To start with, I would like to welcome everyone associated to Southport to the Silverlake for this afternoon's game. I would also like to give a warm welcome to our fans who have come along to the Silverlake to support us once again.

December has been a good month for us all and we have had a good consistent start to January. The performances are picking up so we as a group are excited for a busy next few weeks.

Progressing in this competition and potentially getting to Wembley would mean everything to us and something you take through your whole career. So

any opportunity to get to Wembley, you have to take it and we will definitely be doing that on Saturday.

Coming off a five games unbeaten, the squad are high in confidence as we are winning and haven't lost in a while. Now we have got to continue to build on it and we've got a busy week with three games here at the Silverlake. So the plan is to keep this run going and hopefully first get through to the next round on Saturday.

On a personal note, I am progressing well with my injury recovery and rehab and I am hoping to feature again at some point this month. Everyday I am continuing to work on my recovery and support the boys.

Thank you all for your continued support!

Silverlake: Shaping a Greener Future with Community at its Heart

At Silverlake Automotive Recycling, we take pride in our role within the community. We continuously strive to make a positive impact through charitable work, environmental initiatives, partnerships, and the opportunities we provide for our staff and apprentices.

Over the years, we've built strong relationships with local organisations, supporting over 25 charities and groups this year alone, including Blue Light Trust, British Heart Foundation, Naomi House, Rainbow Trust, Swanmore Fete and Curdridge Reading Rooms play area, positively affecting lives across Hampshire and beyond. Our business is about more than just recycling; it's about making a meaningful difference to every person and company we engage with.

Our community involvement has been deeply rewarding. In 2023, we received multiple accolades at the ATF Professional Vehicle Recycling Awards, including the Community Impact Award, the Recycled Vehicle Parts Supplier Award, and the Salvage Company Award. These honours underscore our dedication to offering top-quality service while promoting eco-friendly practices and charitable initiatives.

This year, we are finalists again in three prestigious categories: Community Impact, Salvage Company of the Year, and Large Vehicle Recycling Company. These nominations highlight our commitment to high service standards and consistent contributions to our community.

Our focus on sustainability and community engagement remains central to our success. This month, we've been nominated as finalists for the Contribution to the Community Award at the Hampshire Business Awards 2024. This recognition reflects the hard work our team puts into supporting local initiatives and addressing community needs. From backing local sports teams to partnering with emergency services, we're committed to making a positive difference where it counts most.

One of our long-standing partnerships is with the Hampshire and Isle of Wight Fire and Rescue Service. For over a decade, we've provided salvage vehicles for essential training exercises, helping firefighters train for road traffic rescues. Last month, we supported the UK Rescue Organisation's Festival of Rescue, supplying over 100 vehicles for teams across the UK to hone life-saving skills. This hands-on training is vital to the safety of all road users, and we're proud to assist.

We also sponsor and partner with Eastleigh FC, where the Silverlake Stadium has become a hub for grassroots development. Earlier this year, we hosted MOTOFEST at Eastleigh, a fundraising event featuring family activities, music, and vehicle displays.

The event drew over five thousand visitors from across Hampshire and raised over £20,000 for local charities.

Our U-Donate-a-Car initiative, now 12 years old, allows donations from as little as £5 to the value of a whole vehicle, with proceeds benefiting local charities. It's a great way to recycle vehicles while contributing to worthy causes. The program is easy to participate in and supports both environmental sustainability and community well-being.

Silverlake's commitment to the community is deeply embedded in our values. We employ over 150 local staff, offering secure jobs where they can achieve their potential. As we look to the future, we have plans to grow both our business and workforce, ensuring we continue to lead by example and build a more sustainable future for everyone in our community.

We are proud to have been part of the Hampshire community for over eighty years and remain dedicated to making our community proud of us. We are committed to continually raising our contribution to the local economy as we grow and move forward.

BOSTON UNITED 1
EASTLEIGH 2

EASTLEIGH TOOK ALL THREE POINTS BACK TO HAMPSHIRE AFTER DEFEATING BOSTON UNITED 2-1 AFTER GOING A GOAL DOWN. BOTH STRIKERS, HARVEY SAUNDERS AND THEN AARON BLAIR, PROVIDED THE GOODS FOR THE SPITFIRES ONCE AGAIN!

Boston United carved out the first chance of the game from a corner. Frankie Maguire's delivery in the sixth minute found Oisin Gallagher, who's header was saved fantastically by Nick Townsend.

The Pilgrims, who started the game on the front foot, were rewarded for their fast start when Temi Eweka's mistimed challenge on Maguire led to a free-kick. The resulting free-kick, that was crossed from the right hand-side, would cause pandemonium in the penalty box. A Boston United shot that was heading in struck the hand of an Eastleigh defender, however, the ball fell to the Pilgrims captain Sloggett, who rifled in a low effort passed Townsend to give the hosts the lead.

After 18 minutes, the Spittires had their first break coming down the right side of the pitch when Sam Pearson skipped away from Adam Crowther, and delivered a ball into the box that unfortunately evaded every blue shirt in the box.

Eastleigh's next attack, coming in the 25th minute, would be much more rewarding! Josh Lundstram picked the ball up on the edge of the box and laid the ball off to James Waite. Waite spread the ball out wide to Archie Harris, who took one touch before delivering a perfect ball into Saunders, who was unmarked. Saunders made no mistake in heading the ball past Rhys Lovett to equal the scoring.

The hosts came incredibly close to reclaiming the lead in the 33rd minute when Kieran Donnelly's effort from a tight angle was beaten away by Townsend, but only as far as Gallagher, who skied his close range effort over.

As half time approached, Lundstram found some space outside the edge of the box and opted to try his luck from distance, needing an outstretched hand from Lovett to keep his low but powerful effort out of goal. This was the last bit of action of the half as the teams went into halftime drawing.

Boston United had a golden opportunity to rescue the game in the 88th minute when substitute Jody Hiwula was brought down by Aaron Pierre just outside the box; the defender was given a yellow card, but ultimately stopped an attack that could have led to a goal.

This intervention was the last of the game and was ultimately vital in Eastleigh taking all three points back to SO50, whilst extending their unbeaten run to 5 games.

Report by Ed Groves

Boston started the half similarly to the first, with a Maguire corner leading to a fantastic Townsend save, this time from Lankshear's header.

However it would be the Spitfires that would strike first in the second half on the 58th minute mark! Evans long ball forward tempted Lovett to try claim the ball before Blair. However, the goalkeeper missed his clearance and gave Blair the easiest goal of his career as he tapped home into an empty net.

Just after the goal, Eastleigh would prepare three substitutes, with Saunders coming off for Paul McCallum. Waite and Pearson departed for debutants Giles and Spiers.

With just 15 minutes to play, Boston United had a chance cleared of the line from captain Lloyd Humphries after a short corner fell to Maguire on the edge of the box, his strike looked to be heading in until Humphries kneed the ball to safety.

SPITFIRE IN THE SPOTLIGHT

You joined the club in August 2024, having spent two years at Grimsby Town, how have you found life here at the Silverlake?

I've really enjoyed my time here so far. The first was great for me personally. Looking back at the season and playing 39 games, I was really happy with that and then obviously I picked up a serious injury. This obviously put a damper on the the rest of the season and the start of this season but I'm glad to be back out there now and playing football again.

You picked up a serious knee injury in March last year, how have you found the recovery process and how excited are you to be back playing again?

I found the recovery process okay to be fair. Personally, it's the most serious injury I've had in my career to date and obviously it throws some challenges your way. It throws both mental and physical challenges but I've had a great support network around me both at home and at the club which has helped me get through the process comfortably.

In the FA Trophy, the club has the chance to play at Wembley, what would that opportunity mean to you?

I think it's always a big opportunity. It's an opportunity to go and play at Wembley and express yourself completely on one of the biggest stages in this country. So, I think for every player it's a target and something you want to do.

As previously mentioned, you spent two seasons at Grimsby Town, tell us about your experience of playing in the football league?

It was brilliant!! I've done it for half of my career and then the other half has been spent in non-league but it was fantastic. I had some great times there with great memories. I managed to pick up a good number of games under my belt including in the FA Cup run in my first season where we reached the quarter-finals. It's completely different to the National League but it's not much so much of a bigger difference when a team reaches League Two from the National League.

If you had to pinpoint one specific moment in your career that stood out to you the most, what would it be?

It would probably have to be making my debut in the Championship for Bolton Wanderers. It was a club that I spent 14 years at and went through the academy ranks to the first team. It was such a proud moment for myself and my family.

Our fans travel up and down the country to support us, what does this mean to the squad and to you personally?

It's an amazing feeling, especially as wherever you go in this league is a long journey with x number of games that are over a certain distance. As a squad we've got to refund the supporters as such with our performances because they had put their hard earned money into travelling up and down the country to support us and it means a lot to the lads.

Finally, what are your goals for the remainder of the season?

Personally, I think just trying to get on the pitch and get as many games as I can and then obviously come the end of the season see where I am at. Collectively, as a group I think we have to obviously push for promotion and try to finish as high as possible and close the gap in and around the play-offs.

JUNIOR SPLITFIRE

THE HISTORY OF EASTLEIGH FC

Eastleigh FC was founded on 22nd May 1946 by Derik Brooks and a group of friends at the Fleming Arms public house in Swaythling, Southampton.

OUR CLUB

The club's rise began then they were promoted to the Hampshire League in 1950 after two seasons in the Southampton Senior League (West). In just a year, they topped Division Three (West) and secured the Hampshire Intermediate Cup.

By 1955/56, Swaythling was competing in the Hampshire League Division 1. They returned to this level as champions on Division 2 in 1970. The club's name changed to Eastleigh FC in 1980, and they became founder members of the Wessex League in 1986.

Eastleigh won the Wessex League in 2002/03 and were promoted to Division One East of the Southern League. They went on to secure promotion to the Premier Division of the Isthmian League, eventually earning promotion to the conference South.

Over nine years in the Conference South, Eastleigh twice came close to earning promotion to non-league's highest tier but narrowly missed out on both occasions. They also had a memorable run in the FA Cup and secured silverware in the Hampshire Senior Cup in 2011/12.

In 2014, Eastleigh clinched the Skrill South title, gaining promotion to the National League and are now in the tenth season competing at this level.

OUR HOME

When formed, Swaythling Athletic began playing its home matches on Southampton Common behind where The Cowherds pub is now located.

In 1957, Swaythling Athletic moved to Ten Acres where the club has remained to this day and has been known as the Silverlake Stadium over the last ten seasons due to Eastleigh's stadium right naming partnership with local automotive recycling company Silverlake Automotive Recycling.

The stadium has undergone several renovations and expansions over the years, including the addition of floodlights in 1976, the construction of a grandstand, and since Stewart Donalds arrival, the ground has seen Sherwood restaurant, Brooks hospitality suit as well as the brand new south stand developed in recent years.

Southport will make a 490 mile round trip to visit the Silverlake Stadium for this afternoon's Isuzu FA Trophy fixture.

The Sandgrounders play their home games at the Haig Avenue which has housed them since the stadium was constructed in 1905. The ground was originally called Ash Lane before being renamed in 1921 in honour of Earl Haig.

The ground has a maximum capacity of 6,008 with 1,537 seats in the grandstands leaving space 4,471 standing fans. The away end has a capacity of around 1,200 and is situated in the Blowick Terrace.

Southport held membership of the Football League from 1921 to 1978, however, they never progressed further than the third tier of the football pyramid. The club's greatest every achievement was winning the fourth division in

1972-73, under Jimmy Meadows having previously been promoted from the same division in 1966-67 under the management of Billy Bingham.

Upon leaving the Football League, the club joined the Northern Premier League which was then considered the fifth tier of English football where they remained until 1993 when they were promoted to the Football Conference. The Sandgrounders remained in the Football Conference until 2003 when they were relegated back to the Northern League Premier Division.

Southport were then transferred to the new Football Conference North, now known as the National League North, where they became the first side to win the National North in 2004-05 under manager Liam Watson.

WALKING FOOTBALL

News from Eastleigh's Walking Football Club

A happy new year to all from Eastleigh's Walking Football Club.

We have had a quiet Xmas/ New Year period but our weekly sessions are now back in full swing. New Year being the time for resolutions.

If you are eligible, why not think about trying out Walking Football. It is a fast growing sport with an estimate 100,000 new taking part in the UK.

At Eastleigh we have men's sessions, a ladies session and a 'Mobility' group, which caters for anyone not able to move around so freely. To join us or to know more, visit our website and complete the form on our 'join us' page. <https://eastleighfcwalkingfootball.co.uk/come-join/>

As you will see from our website, we have men's sessions on Monday evenings (ideal for those still working) and 3 back to back sessions during Thursday daytime. The first of these is aimed at our 'older' players or those who like a slightly less competitive game. With just a hint of irony, we call this our 'Academy' group. Over the 3 Thursday sessions we have typically around 60 – 70 members participating. Our ladies group meets on Sunday afternoons. All sessions last for an hour and are held at The Silverlake all weather pitch.

Minimum age for men is 50 and for the ladies 40. Your first session will be free as a 'taster' and after that £4 per session.

We also have a Mobility session each Wednesday afternoon at Places Leisure (Fleming Park). This is ideal for those with any condition that might prevent participation in the more active sessions. EG people with Parkinsons, stroke recovery or any post operative or post injury situation. Again full information on the website on the Parkinsons and Mobility Group page.

Why not give it a go? Click on the link above is all you need to get started.

We look forward to welcoming you.
