# CHAIRMAN'S NOTES

## CHAIRMAN: PAUL WHITEHEAD

Good afternoon and a very warm welcome to everyone joining us for what is truly a historic occasion – AFC Greenwich Borough's first-ever competitive fixture.

If you had told me three months ago that I would be writing my programme notes as Chairman of Greenwich Borough I would have said you were 'nuts'. It's just over two months since this club was officially formed and granted entry into the Southern Counties East Football League. To be sat here today, about to kick off our debut campaign, is a remarkable achievement and a proud moment for everyone involved.

Today marks the beginning of an exciting journey – one built on ambition, unity, and a deep love for the game. Our mission is clear: to represent the Borough of Greenwich with pride, to provide a pathway for local talent, and to build something lasting, sustainable, and full of spirit.

As Chairman, I want to thank everyone who has helped get us here in such a short space of time – from our dedicated committee, management team, and players, to our sponsors, volunteers, and the supporters who are already showing their belief in what we're building. Your passion and commitment are what make this club so special.

We're proud to welcome Chessington & Hook United today – a respected club and fitting opponents for this landmark occasion. We wish them a successful season (after today, of course!).

To everyone involved with 'Our Club' – thank you for being here. This is your club, and your energy will drive us forward. Let's make this a place to be proud of, grow together, and build a legacy for years to come.

Here's to the start of something special.

# KICK IT OUT

## TACKLING RACISM & DISCRIMINATION

The Southern Counties East Football League strongly support recent FA statements that there should be a zero tolerance approach against racism and all forms of discrimination, accordingly any form of discriminatory abuse whether it be based on race or ethnicity, sexual orientation, gender, faith, age, ability or any other form of abuse will be reported to the relevant County Association for action by that Association.

## SWEARING: Let's Tackle It

The Southern Counties East Football League supports the 'Swearing – Let's Tackle It' campaign and strongly condemns the use of foul and abusive language at football matches.

## CHESSINGTON AND HOOK UNITED

Chessington and Hook United Sports and Social Club have evolved from the original Chessington F.C., which was formed in 1921. A series of mergers over the years culminated with the coming together of Chessington United Football Club and Hook Youth/United in 1986. This amalgamation brought together the Intermediate section of Chessington United based at Chalky Lane and the thriving Youth and junior sections of Hook Youth/United, which had been formed in 1986 and based at Lovelace Playing Fields.

The Clubs activities were to be centred on the facilities at Chalky Lane, which had been the home of Chessington United since the mid-sixties. They had taken out a lease on what was known as St Marys Recreation Ground, although at the time it was just an open space. Over the years the ground has been developed, almost entirely by voluntary effort, into the facility it is today.

Recently the Club has regained Senior status, with the Senior team playing in the F.A Cup and F.A.Vase. The strong Youth set up provides the opportunity for those aged between 5 and 18 to benefit from properly structured football.

In recent years the Club has been able to sponsor both Girls and Ladies football and has provided facilities for Archery and Ladies Netball.

The Club prides itself on the fact that it is maintained on a purely voluntary basis. All the Committee members, trainers, managers, ground staff and adult helpers give of their own time. Likewise the players receive no payment whatsoever from the Club. All players, from Youth to Seniors are required to pay a membership fee.

# OUR VISITORS

The aim of the Club over the years has always been to promote soccer through Youth with progression to Junior, Intermediate and Senior level as appropriate to the highest standard. Also, to foster and encourage other sporting activities for the local community consistent with the facilities available at the Club.

Since the establishment of Hook Youth in 1976 there has been a steady growth in the number of local youths who have become members of the Club. In the last few years there have been as many as 19 teams involving up to over 250 youngsters. The structure of the Club allows boys reaching the age of 18, or in some circumstances earlier, to have the opportunity to progress into the adult section of the Club.

The club joined the Combined Counties League in 1997 and achieved their best ever finish of 3rd place in the 2004/05 season. Season 2020/21 saw a lateral move to the Southern Counties Easy League before a switch into the Southern Combination League a year later.

For 2025/26 Chessington & Hook will once again be playing SCEFL football.

# AFC GREENWICH BOROUGH

## A SHORT HISTORY

AFC Greenwich Borough was officially launched in 2025, built on the foundations of Welling United FC Academy. Over seven years, the academy became known for its commitment to youth development, community programmes, and a professional environment that prepared players for the next level.

The transition to AFC Greenwich Borough marked the start of a new era. Not as a rebrand or phoenix club, but a bold step forward. The club now fields senior men's, women's, and vets teams, alongside more than 50 youth teams, and is recognised as one of the largest footballing structures in Southeast London.

Since 2023, the club has achieved 12 league titles, reached 34 cup finals, won 22 cups, and helped over 50 players into the professional game.

Our partnership with GB10 Sports Hub provides top-class pitches, classrooms, scholarship opportunities, gym access, and recovery facilities; everything a player needs to develop. GB10 is our hub. It brings our players, coaches, and teams together under one roof, enabling stronger communication, better development, and a real sense of belonging.

The club's reach spans the Southern Counties East Football League, Southern Veterans Football League, and London & South East Regional Women's Football League, with home bases at GB10 and the RTL Group Stadium.

Following their launch in 2023, Greenwich Borough Men's Vets First Team were crowned 2024–25 SVFL Championship winners and will compete in the Premier Division next season. They also lifted the Beckenham Hospital Cup, defeating several Premier Division teams along the way.

Our Women's First Team compete in the L&SERWFL and finished a strong fourth place in the 2024–25 season. With a clear vision and exciting talent, we look forward to even greater success under the Greenwich Borough name.

AFC Greenwich Borough is built for players, powered by people, and ready for more.
