CHAIRMAN'S NOTES

CHAIRMAN: PAUL WHITEHEAD

Good afternoon and a very warm welcome to everyone here for today's local derby against Lewisham Borough. A derby always adds that extra bit of spice. Hopefully there will be a strong turnout once again. Your support means everything to the players and the club.

Well, we've begun our first-ever campaign in style – still unbeaten after the first two games. Anyone who was at our opening match will know we did more than enough to deserve the win, but last week against Sheppey we showed exactly what we're capable of. In the first half we were superb and could easily have been out of sight by the break. Going down to ten men early in the second half could have knocked us back, but the lads dug deep and still came away with a 3-1 victory – even missing a late penalty in the process!

I want to give special credit to our management team, especially Reece and Beardo who have worked tirelessly to put this side together in such a short space of time, and the results speak for themselves. I'm also incredibly proud to see so many of our Academy players involved with the first team – a clear sign that our pathway is working and that we're building something sustainable for the future.

Another highlight from last week was the brilliant support – well over 100 fans in attendance. The level of interest in the club is growing all the time, and that bodes extremely well as we look ahead to the day when we have our own stadium to play in.

Finally, a big thank you to today's Match Day Sponsor, Thackray Williams Solicitors. Their backing is hugely appreciated. Also a massive thank you to the Shampan Group who are our Shirt Sponsors for this season, partnerships like these are vital in helping us to continue developing both on and off the pitch.

Enjoy today's match, make some noise for the boys, and let's hope we can make it a derby to remember.

AFC GREENWICH BOROUGH

A SHORT HISTORY

AFC Greenwich Borough was officially launched in 2025, built on the foundations of Welling United FC Academy. Over seven years, the academy became known for its commitment to youth development, community programmes, and a professional environment that prepared players for the next level.

The transition to AFC Greenwich Borough marked the start of a new era. Not as a rebrand or phoenix club, but a bold step forward. The club now fields senior men's, women's, and vets teams, alongside more than 50 youth teams, and is recognised as one of the largest footballing structures in Southeast London.

Since 2023, the club has achieved 12 league titles, reached 34 cup finals, won 22 cups, and helped over 50 players into the professional game.

Our partnership with GB10 Sports Hub provides top-class pitches, classrooms, scholarship opportunities, gym access, and recovery facilities; everything a player needs to develop. GB10 is our hub. It brings our players, coaches, and teams together under one roof, enabling stronger communication, better development, and a real sense of belonging.

The club's reach spans the Southern Counties East Football League, Southern Veterans Football League, and London & South East Regional Women's Football League, with home bases at GB10 and the RTL Group Stadium.

Following their launch in 2023, Greenwich Borough Men's Vets First Team were crowned 2024-25 SVFL Championship winners and will compete in the Premier Division next season. They also lifted the Beckenham Hospital Cup, defeating several Premier Division teams along the way.

Our Women's First Team compete in the L&SERWFL and finished a strong fourth place in the 2024-25 season. With a clear vision and exciting talent, we look forward to even greater success under the Greenwich Borough name.

AFC Greenwich Borough is built for players, powered by people, and ready for more.
