# CHAIRMAN'S NOTES

## **CHAIRMAN:** PAUL WHITEHEAD

Good Evening and a very warm welcome to all supporters, players, and officials joining us here for today's match against SE Dons.

It is fair to say our start to the season has been more than satisfactory. Results have gone our way despite not performing at our best, we've certainly had to work very hard for every point earned to date. But in football, it is not how you begin that defines you – it is how you learn and respond. I firmly believe this team has the strength and togetherness to put in a promotion challenge this season.

The recent 4-2 victory over Halls AFC at Princes Park underlined that belief. It showed our ability to dig in, to fight, and to claim three points even when we are not yet at our fluent best. That kind of resilience is essential if we are going to hang around near the top of the table and build momentum.

We know there is more to come from this squad. The quality is there, and as performances grow sharper, the results will follow. With commitment on the pitch, and with your loyal support from the sidelines, I am confident we will soon see Greenwich Borough playing to its full potential.

Today is another vital step. Our biggest challenge yet, With just goal difference separating ourselves and SE Dons, every moment will matter. I know our players will give everything, and I am certain your voices will inspire them to rise to the challenge.

I'd also like to extend our thanks to XG Showcase Academy, today's matchday sponsor. Grassroots and community football thrives because of partnerships like this, and we're delighted to work alongside people who are dedicated to giving young players the platform to shine.

Thank you, as always, for your support. Let us move forward together, with hope and belief, into what I know can become a successful season for Greenwich Borough.

## SE DONS

South East Dons are an association football club based in London, England. The club formerly competed in the Orpington and Bromley District Sunday Football League and the Sunday Football League in London, before merging with Forest Hill Park in June 2024 to compete in non-league football. They are members of the Southern Counties East League Division One and play at the Ladywell Arena.

It is considered one of the most popular amateur football clubs worldwide with high support by fans on social media. Former Arsenal player Zak Ansah plays for the team.

SE Dons was founded in 2014 by rapper Andrew McHugh (aka Don Strapzy) and friends. Since then, SE Dons have won the Orpington and Bromley District Sunday Football League twice, in 2021 and 2022. The club chairman is Andy Ansah.

In June 2024 the club announced on its official account that they were joining non-league football. Two days later Forest Hill Park announced on its official account that they had formed a partnership with fellow local Lewisham outfit SE Dons. It was confirmed that the name 'Forest Hill Park FC' would be kept for all footballing competitions in the 2024-25 season, with all footballing names being changed to 'SE Dons Football Club' from the 2025-26 season onwards.

# AFC GREENWICH BOROUGH

## A SHORT HISTORY

AFC Greenwich Borough was officially launched in 2025, built on the foundations of Welling United FC Academy. Over seven years, the academy became known for its commitment to youth development, community programmes, and a professional environment that prepared players for the next level.

The transition to AFC Greenwich Borough marked the start of a new era. Not as a rebrand or phoenix club, but a bold step forward. The club now fields senior men's, women's, and vets teams, alongside more than 50 youth teams, and is recognised as one of the largest footballing structures in Southeast London.

Since 2023, the club has achieved 12 league titles, reached 34 cup finals, won 22 cups, and helped over 50 players into the professional game.

Our partnership with GB10 Sports Hub provides top-class pitches, classrooms, scholarship opportunities, gym access, and recovery facilities; everything a player needs to develop. GB10 is our hub. It brings our players, coaches, and teams together under one roof, enabling stronger communication, better development, and a real sense of belonging.

The club's reach spans the Southern Counties East Football League, Southern Veterans Football League, and London & South East Regional Women's Football League, with home bases at GB10 and the RTL Group Stadium.

Following their launch in 2023, Greenwich Borough Men's Vets First Team were crowned 2024-25 SVFL Championship winners and will compete in the Premier Division next season. They also lifted the Beckenham Hospital Cup, defeating several Premier Division teams along the way.

Our Women's First Team compete in the L&SERWFL and finished a strong fourth place in the 2024-25 season. With a clear vision and exciting talent, we look forward to even greater success under the Greenwich Borough name.

AFC Greenwich Borough is built for players, powered by people, and ready for more.
