CHAIRMAN'S NOTES

CHAIRMAN: PAUL WHITEHEAD

Good afternoon everyone, and a very warm welcome to the RTL Group Stadium for today's match as we take on our near-neighbours, SC Thamesmead.

I'd like to extend a special welcome to the players, management, officials and supporters of SC Thamesmead — we hope you enjoy your time with us today, both on and off the pitch. Local 'derbies' like this always carry a bit of extra edge and atmosphere, and I'm sure we're in for a competitive contest.

We come into this game on the back of a fantastic midweek performance against SE Dons in a top-of-the-table clash. The team showed real character and quality to come away with three points. Every single player put in a shift and I don't usually like to single players out but I thought Archie, Elliot and Payney were absolutely outstanding on the night.

The atmosphere towards the game was electric, especially after the 3rd went in. It was a special night and victories like that push us closer to our league ambitions, and I could not be prouder of the players, the management team, our supporters, and everyone involved with the club during what is proving to be an exciting period.

Off the pitch, I also want to thank our volunteers, sponsors and everyone connected to Greenwich Borough. Without your efforts and commitment, days like today simply wouldn't be possible. We are continuing to grow, and the work going on in the background is laying strong foundations for the future of this club.

Enjoy the game everyone and let's hope come 5 o'clock we are still sat on top.

SC THAMESMEAD

In 2011 a seemingly new team, Seven Acre & Sidcup F.C, became founder members of the Kent Invicta League. However, the history of the club goes back much further to 1900 and the founding of the Royal Arsenal Sports Club. There was a long tradition, from this originally named Royal Arsenal Sports & Recreational Association club, of being based in South East London. With several name changes over the years (and many honours won) the team eventually settled in Abbey Wood taking on part of the name of the Seven Acre Sports & Social Club it played out of to become Seven Acre Sports FC.

After several successful years in the South London Alliance, and with club Secretary Lee Hill at the helm, the club grew from strength to strength before entering the Kent County League in 2008.

The 2007 season was the most prolific in the clubs history. After winning the treble with a league title and two cups (also being runner-up in another cup final all of which was played in the space of three days a week after the league title was sealed!).

Lee has been involved in the club for almost 30 years striving to drive it on and gradually he has added to the backroom team on a mission to improve the club and to achieve higher football league status.

In 2010 the Seven Acre Sports FC management team searched for a new home away from Abbey Wood to continue developing the club and, keeping the Seven Acre aspect of the name in homage to the club's roots, settled with a new home in Sidcup to become Seven Acre & Sidcup F.C.

After a big gamble to move and set up a new club in a new area, Seven Acre & Sidcup kicked off the brand new Kent Invicta League season in 2011 at Oxford Road, a ground that was totally refurbished by the club and turned into the wonderful ground that it is now.

OUR VISITORS

Several successful seasons in the Kent Invicta League saw the club rapidly grow on and off the pitch. New teams from youth to vets teams joined the Acre family and we became a major part of the Sidcup community.

For the start of the 2014-15 season the committee decided to push on like never before and a major ground breaking ground share arrangement with Sporting Club Thamesmead was secured. This would mean that although Abbey Wood and Oxford Road remained spiritual homes to the club, the first team could compete in the FA national cups, progress through the leagues and attract more new sponsors and supporters.

For the start of the 2016-17 season the committee decided to take the big step in securing the long term future of the club by changing our name to that of our new home. We became Sporting Club Thamesmead FC. This would enable the club to become more community orientated and attract even more sponsors and supporters. On the field the team finished the Season in 10th place in the First Division.

2017-18 saw the team win the Hospitals Charity Cup with an outstanding win over Phoenix Sports Res at Park View Road. The League finish wasn't as impressive as we ended in 12th place but were proud to possess a 40 goal striker, Josh Patrick, within our side.

An improved League finish of 9th place was gained in 2018/19 while in the 2019/20 season SC Thamesmead were in 4th place when the Coronavirus Pandemic came along and wiped out football for two seasons.

Upon it's return in 2021/22 we finished in 7th place before coming 16th the following year.

In the 2023/24 campaign we finished 12th and we now go into 2024/25 under the joint management of Alex White and Ryan Watts.

AFC GREENWICH BOROUGH

A SHORT HISTORY

AFC Greenwich Borough was officially launched in 2025, built on the foundations of Welling United FC Academy. Over seven years, the academy became known for its commitment to youth development, community programmes, and a professional environment that prepared players for the next level.

The transition to AFC Greenwich Borough marked the start of a new era. Not as a rebrand or phoenix club, but a bold step forward. The club now fields senior men's, women's, and vets teams, alongside more than 50 youth teams, and is recognised as one of the largest footballing structures in Southeast London.

Since 2023, the club has achieved 12 league titles, reached 34 cup finals, won 22 cups, and helped over 50 players into the professional game.

Our partnership with GB10 Sports Hub provides top-class pitches, classrooms, scholarship opportunities, gym access, and recovery facilities; everything a player needs to develop. GB10 is our hub. It brings our players, coaches, and teams together under one roof, enabling stronger communication, better development, and a real sense of belonging.

The club's reach spans the Southern Counties East Football League, Southern Veterans Football League, and London & South East Regional Women's Football League, with home bases at GB10 and the RTL Group Stadium.

Following their launch in 2023, Greenwich Borough Men's Vets First Team were crowned 2024-25 SVFL Championship winners and will compete in the Premier Division next season. They also lifted the Beckenham Hospital Cup, defeating several Premier Division teams along the way.

Our Women's First Team compete in the L&SERWFL and finished a strong fourth place in the 2024-25 season. With a clear vision and exciting talent, we look forward to even greater success under the Greenwich Borough name.

AFC Greenwich Borough is built for players, powered by people, and ready for more.
