CHAIRMAN'S NOTES

CHAIRMAN: PAUL WHITEHEAD

Good afternoon everyone and welcome to all our supporters and to our guests from AFC Cubo. It's good to have you with us at the RTL Group Stadium for today's London Senior Trophy second round clash.

In recent weeks, since my last notes, we have maintained our fantastic run of form. We've celebrated back-to-back 5-0 victories in the league but the standout memory for me was our 2-0 triumph over Holmesdale, where we fielded a very young side, with no senior outfield players against a team going well in the league above. Our performance on the night was brilliant and showcased the quality players our Academy is producing.

We also can't overlook last week's outstanding away win at Tooting Bec. It was a tough match against a physically strong side and on a difficult pitch. Despite these challenges, our lads played some excellent football at times and matched their physicality when needed to, which was great to see. It was a right old fashioned battle but in all honesty one we never looked like losing. I've got to doff my cap to Jav and the defence for yet another brilliant clean sheet. Jav didn't have much to do but he did make a fantastic save at 0-0 and it's not the first time he's done it either this season.

That win took our points tally to 34 points out of 36. That is some achievement.

Enjoy the match, and thank you for your support!

Up the Boro !

AFC CUBO

AFC Cubo were formed in 1999 by a group of Newcastle University old boys who moved to London. The Club has grown to encompass 2 sides based at the Barn Elms Sports Centre in Barnes, SW London.

Club Name and Colours

Former club Chairman and stalwart Stevie Taylor kindly gave his take on the club's naming origins:

"After a few years of spending every Saturday afternoon in the pub watching Soccer Saturday it was decided to set up a team in order to delay their (the Newcastle Old Boys) arrival in the pub until at least after 4.30pm. One of the founding members working for The Cubo Group (a marketing company specialising in "pleasure" brands) approached his boss for some sponsorship and he agreed to donate £100 in exchange for the club taking on the name of the company. As such, the mighty AFC Cubo came into existence and we were duly registered into the Wimbledon and District league.

Soon after, and before any funds were paid, Cubo (the company) went through some tough times and while the football team went from strength to strength. It wasn't until some years later to celebrate 10 years of flowing football that Cubo (the company) came through with the £100 originally promised. They have however since continued to support us with very generous donations towards charity fundraisers that we've since held.

Back in the very first days of the club some ringers were roped in to make up the numbers and one of these offered to arrange a kit through his girlfriend's father who ran a textiles business. Being a Man City fan (and prior to the implementation of the 2011 constitution which imparts strict controls and voting processes for choice of club merchandise) he went ahead and chose Baby Blue as the official colour of AFC Cubo. Had he been a Wolves fan we may not be here today!"

AFC GREENWICH BOROUGH

A SHORT HISTORY

AFC Greenwich Borough was officially launched in 2025, built on the foundations of Welling United FC Academy. Over seven years, the academy became known for its commitment to youth development, community programmes, and a professional environment that prepared players for the next level.

The transition to AFC Greenwich Borough marked the start of a new era. Not as a rebrand or phoenix club, but a bold step forward. The club now fields senior men's, women's, and vets teams, alongside more than 50 youth teams, and is recognised as one of the largest footballing structures in Southeast London.

Since 2023, the club has achieved 12 league titles, reached 34 cup finals, won 22 cups, and helped over 50 players into the professional game.

Our partnership with GB10 Sports Hub provides top-class pitches, classrooms, scholarship opportunities, gym access, and recovery facilities; everything a player needs to develop. GB10 is our hub. It brings our players, coaches, and teams together under one roof, enabling stronger communication, better development, and a real sense of belonging.

The club's reach spans the Southern Counties East Football League, Southern Veterans Football League, and London & South East Regional Women's Football League, with home bases at GB10 and the RTL Group Stadium.

Following their launch in 2023, Greenwich Borough Men's Vets First Team were crowned 2024-25 SVFL Championship winners and will compete in the Premier Division next season. They also lifted the Beckenham Hospital Cup, defeating several Premier Division teams along the way.

Our Women's First Team compete in the L&SERWFL and finished a strong fourth place in the 2024-25 season. With a clear vision and exciting talent, we look forward to even greater success under the Greenwich Borough name.

AFC Greenwich Borough is built for players, powered by people, and ready for more.
