CHRIS

AMMONDS

From the Top - With the Hereford FC Chairman

Good afternoon and welcome to the MandM Edgar Street Stadium once again.

Today we welcome Alfreton to Hereford for what is bound to be a very tough encounter. We have had many hard-fought battles with today's visitors over the years and in Billy Heath they have a hugely experienced manager who always gets the best out of the resources he has available.

Whatever the result today, I'd like to wish all our visitors from Derbyshire a safe journey home after the game.

Moving on to look at our own start to the season and there's no hiding away from the fact that we are all disappointed to have picked up only one win from our first five matches. Our manager has spoken at length to give his own thoughts on the performances so far and, as always, he has given a frank and honest assessment. I admire that greatly about him.

Of course we would like to have more points on the board and to have played better, but football is never straightforward and we all know how tough the National League North is every single year.

Our first few fixtures have proved as tough as they looked on paper, but we cannot use that as an excuse and I have no doubt our players are as disappointed with our start as supporters are.

However, from talking to a number of them earlier this week, I can offer reassurance that they are fully committed to getting our season up and running as soon as possible and wouldn't it be great if today is the day we really get going?

Having said all the above, it is vitally important we remember it is early days and like the manager, I remain entirely calm about our current position. I am obviously very keen for us to start climbing the table – just as the manager, staff and players are – but equally I know that we can't be panicking at this stage when there are still so many games left to play.

Off the back of Monday's defeat at Radcliffe, our manager has already made some difficult decisions and I'd like to thank Kai (Williams) and Chris (Wreh) for their efforts at the club.

Due to injuries in pre-season it didn't work out for them here, but sometimes that happens and it is often best for all parties to move on. I wish both players all the very best with whatever the future holds.

Finally, I'd like to place on record my thanks for the way supporters have got behind our team so far. I understand it's hard when your team is losing, but I can tell you all understand the need to be as supportive as possible, particularly when things aren't going so well.

Please continue to get right behind the lads just as you always do, and I'm sure your efforts will be rewarded with an upturn in our fortunes very soon.

Best wishes,

Stig

PAUL CADDIS

From the Dugout - With the Hereford FC manager

Good afternoon and welcome back to Edgar Street for today's game.

First of all, I'd like to extend a warm welcome to Billy Heath, his staff, players and the Alfreton supporters who've made the trip. Alfreton are always a tough side to play against in this division - organised, physical, and experienced - so we know we'll need to be switched on from the first whistle.

I won't shy away from the fact that results haven't been where we'd like them recently. We know where we need to improve, and we're working hard to make those improvements show on the pitch.

Consistency is the key for us now. We've shown in spells what we're capable but we need to show that across the full 90 minutes. If we can do that, I've no doubt the results will follow.

Your support makes a massive difference in those moments. I can't thank you enough for the way you've stuck behind the lads recently, both here at The MandM Edgar Street Stadium and on the road. It lifts the players, especially when games are tight, and we'll need that backing again today. Together, we can make this a place no team enjoys coming to.

We know what we want to achieve this season, and while there's still work to do, I believe we're on the right path. Today is another opportunity to take a step forward, and I know the lads will give everything to make that happen.

See you all tomorrow,

Paul

NLN - 14th

The present Alfreton Town Football Club celebrated the milestone of their Golden Jubilee at the end of the 2008/2009 campaign having been formed in 1959 following the merger of Alfreton Miners Welfare and Alfreton United football clubs.

The newly constituted club, playing on a new ground at North Street provided by the local council, was admitted directly to the Central Alliance Division One (North) and progressed sufficiently in the first two seasons to gain entry to the re-formed Midland Counties League.

The record attendance at North Street of 5,023 was recorded for the visit of Matlock Town in 1960.

After seasons of success, failure followed and the club was relegated from the Northern Premier League after two successful years, into the Northern Counties League.

The club was acquired in 1997 by local businessman, Wayne Bradley, who took up the role of Chairman.

The 2001/02 campaign saw Chris Wilder, appointed Manager and unprecedented, success followed as the Reds landed four trophies - the Northern Counties (East) League Premier Division championship, League Cup, President's Cup and Derbyshire Senior Cup.

Promotion back to the Northern Premier League was followed by entering into the Conference (North).

For the 2007/08 season, former Chesterfield and Bradford City boss Nicky Law took over as Reds manager.

The 2008/09 campaign was one of the most successful in the club's entire history despite no silverware being won. Under manager Nicky Law, the Reds finished in their highest ever position of third in Conference North and competed in the play-offs for the first time ever, narrowly losing out in the semi-finals on a 5-4 aggregate against AFC Telford United who lost out in the final.

The side were also guided to the FA Cup second round proper for the first time ever in the club's history, a 4-0 defeat at high-flying League One side Scunthorpe United doing little to diminish from the achievement of reaching that stage in the first place.

The 2009/10 season saw the club again finish third in the final table. That they finished that high after suffering a horrendous crop of injuries mid-way through the campaign bears testament to the character and spirit within the squad. They recovered to piece together a tremendous run of form which lifted them into the play-offs for the second successive season. This time the Reds went one better, reaching the final, only to narrowly lose out 2-1 in the final at Fleetwood Town.

The 2010/11 campaign saw a third promotion tilt prove ultimately successful as Law fourth season in charge at the Impact Arena ended with the side winning the Blue Square Bet North title by a ten-point margin. It is almost certainly the biggest achievement in the history of the club which saw them competing at the highest level of football ever in their history.

Four seasons in the National League were enjoyed and the club continued to press for new boundaries, however...

The 2014/15 season saw the club relegated, for the first time under Chairman, Wayne Bradley, who had took over the helm in the 1997/98 season. The Club dropped back into the National League North. A position they still hold today.

The 2018/19 Season saw the appointment of Billy Heath as First Team Manager. (The current manager for 2025/26).

The 2019/20 Season saw the appointment of the Alfreton Towns' Academy side into the National League Under 19 Alliance League.

Season 2022/23 saw the team reach the playoffs of the National League North, only to lose to the winners, Kidderminster Harriers, who regained their place back into the National League for the Season 2023/24. The play offs were achieved once again in the 2023/24 Season.

The 2024/25 Season tested the manager and squad and eventually saw the first team finish in a respectable mid-table position.

New ownership for the 25/26 Season has been unveiled. Will Rush takes over as Owner and Chairman from Wayne Bradley, who remains as a Club Director and advisor. New ambitions have been set and the test begins...

Alfreton Town FC

The Bulls are back at home on Saturday as they host Alfreton Town.

Hereford will be looking to return to winning ways after a 1-0 loss away to Radcliffe on Monday, which marked their fourth loss in five games.

"We've not been good enough so far, and I am going to keep fighting to get it right," said Paul Caddis.

The Bulls go into the game on Saturday in 23rd place on three points.

Alfreton have had a mixed start to the season as they have picked up five points with one win, two draws, and the same number of defeats, which sees them sat in 18th, two points above Hereford.

The side from Derbyshire were winless from the first four games until Monday when they beat Marine 2-0 at home, courtesy of goals from Max Hunt and Adam Anson.

Billy Heath's side finished in 14th last season on 59 points, twenty above safety but also 18 behind the play-offs.

Alfreton have been in the National League North since being relegated back in 2015.

During that time, they had two play-off finishes in 2023 and 2024, losing in the Quarter-Finals on both occasions.

The two sides met twice in the league last season, a 2-0 home win for the Bulls courtesy of goals from Yusifu Ceesay and Tate Campbell, and a 0-0 draw at the Impact Arena.

Hereford fans will be hoping to see their side pick up their first home win of the season on Saturday.

HUST IS A MEMBER OF

Fan Feature – Ken Pitman – Forest of Dean

Forester Ken still likes to stand on the Meadow End. He's been coming to Edgar Street since the 1972-73 season which of course is very significant in Hereford United history.

His first match was the FA Cup 4th Qualifying Round v Kidderminster Harriers which United won 5-0 in front of 6,687 one of which was Ken.

Paradoxically Ken has two 'Memory Matches', the first one he did not attend! Ken says "It was that match at Edgar Street v Newcastle United. There had been so many postponements it was played on the day of the Fourth Round. This coincided with my sister's wedding which I was required to go to." His later match is from the Beadle era, the FA Vase semi-final at Salisbury when we won through to Wembley for the first ever time.
