From the Top - With the Hereford FC Chairman

Good afternoon and welcome to the MandM Edgar Street Stadium for our first home game of 2026.

I'd like to take this opportunity to wish you all a Happy New Year and all the very best for the 12 months ahead. While football is important to us all, there are many more important things in our lives and I truly hope that 2026 treats you – and those that you care about – very well.

Today we welcome AFC Fylde to Hereford for this FA Trophy tie and their current league position shows how difficult a game this is likely to be. However, when we travelled to Fylde earlier in the season we put in a terrific performance and were desperately unlucky to be denied the point we at least deserved due to an injury time winner.

If we can put in a performance to match that one today, then we will pose a real challenge for our visitors and I really hope that will be the case.

Looking at where we are as a club entering 2026, and while we find ourselves in a far more stable place financially than we were 2 years ago, the fact is that our current league position is very disappointing.

I can reassure you that no-one at the club is happy with how the season has gone so far and that we are working hard to ensure that we start to climb the table as quickly as possible. I know how determined our manager, his staff and the players are to get our season going and I remain confident that we are far better than the first 21 games of the season have shown.

It is important to remember that there is still a long way to go and that there are still plenty of points to play for this campaign. While the National League North gets

more and more competitive every year, our ambition must continue to be to climb the football pyramid and although this looks unlikely this season, as we move forward we must never stop trying to reach the highest level we possibly can.

On the field we may not yet be where we want to be, but off the field I need to take a moment to thank you all for your continued outstanding support. The loyalty and commitment you show is extraordinary and please don't ever think this isn't appreciated.

I know that these are just 'words' but, genuinely, you are the best of the best and it is your support that makes our club great and stand out from most others.

Finally, I just want to acknowledge the fact that today is our annual memorial matchday, where we take the opportunity to remember those people with links to our club – and Hereford United – who we have lost in the past year.

The thoughts of everyone at the club are with everyone who continues to deal with the loss of anyone close to them, and I hope that the tributes paid today are fitting and offer some small consolation in what I'm sure continue to be difficult times.

As I said earlier, while football is important, life throws up far more significant challenges and I hope we can all continue to support each other to get through them.

Best wishes,

Stig

From the Dugout - With the Hereford FC manager

Firstle, I'd like to welcome AFC Fylde, their players, staff and supporters to Edgar Street for this afternoon's FA Trophy fixture.

Fylde are a side with real quality and consistency, as shown by their current position of second in the National League North. They've set high standards throughout the season and will rightly come into the game full of confidence. We know exactly the level we'll need to reach this afternoon, and it will take a strong, committed and disciplined performance if we're to compete and progress in this competition.

Since our Boxing Day's disappointing defeat, we responded with a draw against Merthyr Town. While we're always striving to pick up maximum points, there were positives to take from that performance, particularly the character to get back into the game, not only once but twice.

The FA Trophy is a competition we have a lot of respect for, and it presents a great opportunity for us. Games like today give us the chance to test ourselves, to create momentum, and to give our supporters a cup run to enjoy. Everyone

involved understands what this competition means to the club and the importance of embracing the challenge in front of us.

We're under no illusions about our current league position, and the hard work continues every day on the training ground. The players and staff are fully committed to improving, learning, and ensuring this football club moves forward in the right direction. There's a real determination within the group to turn performances into results.

As always, I'd like to place on record my thanks to our supporters. Your backing, both home and away, continues to be outstanding, and it genuinely makes a difference. Your loyalty and passion for this club never goes unnoticed and is hugely appreciated by everyone involved.

Thank you for your continued support, enjoy the game, and I look forward to seeing you all around Edgar Street in the weeks ahead.

Paul Caddis

**23rd National League (R)**

AFC Fylde was born from the 1988 amalgamation of Kirkham Town FC and Wesham FC, adopting the name of a club that had played in the West Lancashire League before the First World War. The newly formed Kirkham & Wesham entered the West Lancashire League's Division One for the 1988-89 season.

After an initial relegation and several years fluctuating between divisions, the club found its footing in the mid-1990s. They dominated the Premier Division between 1999-2000 and 2006-07, claiming seven championships in eight seasons. A remarkable unbeaten run from January 2003 to October 2004 lasted 21 months across all competitions.

**Trophy Success and League Progression**  
The club's trophy cabinet grew impressively during this period, winning the Lancashire Amateur Shield four times in six years, including a hat-trick of consecutive victories from 2004-06. They also secured the Northern Counties Cup three times between 2005 and 2007.

Following their 2006-07 West Lancashire League championship, Kirkham & Wesham stepped up to the North West Counties League for 2007-08. Their debut season proved extraordinary.

**The Wembley Dream (2007-08)**  
The 2007-08 campaign delivered unprecedented success. In their first FA Vase appearance, the club marched to Wembley, defeating Studley, Crowborough Athletic, and Coventry Sphinx along the way before overcoming Needham Market 4-2 on aggregate in the semi-finals.

On 11 May 2008, they faced Lowestoft Town at Wembley in front of 19,537 fans. Trailing for most of the match, two late goals from seventeen-year-old substitute Matt Walwyn in the final six minutes secured a dramatic 2-1 victory. They also won the Division Two knockout trophy and secured automatic promotion to the Premier Division.

For the 2008-09 season, the club rebranded as AFC Fylde.

Under long-serving manager Mick Fuller, the club continued progressing through the non-league pyramid. After reaching the Northern Premier League Division One North playoffs in 2010-11, losing the final to Chorley, Dave Challinor arrived as manager in November 2011.

Challinor's impact was immediate. Despite being 16 points adrift when appointed, he steered the Coasters to the 2011-12 Northern Premier League Division One North title. The following season brought playoff heartbreak against Hednesford Town, but 2013-14 delivered promotion to the Conference North via the playoffs, alongside the Lancashire FA Challenge Trophy and Northern Premier League Challenge Cup.

AFC Fylde adapted brilliantly to Conference North football. Striker Danny Rowe became a prolific goalscorer, netting 31 goals in their debut 2014-15 season as they finished second before losing in the playoff semi-final to Guiseley.

After another playoff final defeat in 2015-16, the 2016-17 season brought the breakthrough. Moving into their new Mill Farm stadium, the Coasters stormed to the National League North title with 88 points and an incredible 109 goals. Rowe made history by scoring a record 47 league goals, firing Fylde into the National League for the first time.

The 2017-18 season saw AFC Fylde reach the FA Cup second round, drawing 1-1 with Wigan Athletic at Mill Farm before narrowly losing the replay. They finished seventh and qualified for the expanded playoffs, though Boreham Wood ended their promotion hopes.

The 2018-19 campaign brought more history. After finishing fifth, the Coasters beat Harrogate Town and Solihull Moors in the playoffs but lost 3-0 to Salford City in the final. However, redemption came a week later at Wembley, where Rowe's stunning free-kick

defeated Leyton Orient 1-0 in the FA Trophy final, making AFC Fylde the first club to win both the FA Vase and FA Trophy.

After Dave Challinor's departure in 2019, Jim Bentley took charge and guided the club to their first FA Cup third round, losing narrowly to Sheffield United. However, the 2019-20 season ended with relegation after the campaign was decided on points per game due to COVID-19.

The Coasters topped the National League North table when the 2020-21 season was voided due to the pandemic. Playoff disappointment followed in 2021-22 under Bentley, who left before the 2022-23 season. Return to National League  
Adam Murray arrived in October 2022 and masterminded a thrilling title race with King's Lynn Town. Victory at King's Lynn in March 2023, followed by wins over Curzon Ashton and Bradford Park Avenue, crowned AFC Fylde as 2022-23 National League North champions.

Back in the National League for 2023-24, Murray was replaced by Chris Beech, who steadied the ship to an 18th-place finish. Despite an optimistic start to 2024-25 under Beech, results declined and former England international Kevin Phillips took over in October. Unfortunately, relegation back to National League North followed, with club legend Nick Haughton departing for Forest Green Rovers after six memorable years.

For 2025-26, Craig Mahon was appointed Head Coach, bringing renewed optimism as the Coasters made a strong start to their National League North campaign, determined to bounce back immediately.

From West Lancashire League beginnings to Wembley glory and National League football, AFC Fylde's journey reflects ambition, resilience, and memorable moments that have established them as a notable force in non-league football.

Craig Mahon was appointed Head Coach of AFC Fylde in June 2025 after leaving fellow National League North side Curzon Ashton.

The Irishman had done a sterling job with the Nash whilst continuing in his player/coach role, guiding Curzon to an eight-placed finish whilst making 27 appearances himself.

As a player, Mahon enjoyed a short spell in a Fylde shirt, featuring for the club whilst on loan from Chester back when the Coasters played at Kellamergh Park.

#### Zac James - Goalkeeper

#### Charlie Jolly - Forward

Coming through Wigan Athletic's youth system, Jolly turned professional in 2019, featuring in league and cup while also spending time on loan at Curzon Ashton. The Liverpool-born forward joined Tranmere in January 2021 for an undisclosed fee. In his first full season at Prenton Park, he made 12 appearances and scored four goals, including a last-minute winner at Oldham in December 2021. He arrived at Mill Farm in summer 2024 on a two-year deal.

#### Jonathan Ustabasi - Forward

Ustabasi joined in summer 2023 as a free agent from Chorley FC. The 29-year-old wide man had enjoyed one of his best seasons, notching 15 goals in the National League North for the Magpies throughout 22/23. A pacey, attacking player, Ustabasi spent several years in Turkey starting with Denizlispor U21s, playing for Bursaspor and FC Schkupi before returning to England with Stalybridge Celtic. After two seasons there, he moved to Chorley before signing a contract extension at Mill Farm until summer 2026.

#### Danny Ormerod - Forward

The 18-year-old broke into the first team in 2023/24 after impressing at youth level, amassing seven goals across 26 National League appearances. Having come through Blackpool's academy before signing for Fylde, Ormerod was rewarded with a new two-year contract through to 2026. ## AFC Fylde

The Bulls return to FA Trophy action on Saturday as they host AFC Fylde in the fourth round.

Hereford will be looking to return to winning ways after a 2-2 draw away to Merthyr over the Christmas period, which extended an unwanted run of four games without a win.

The Whites came from behind twice in that game, with a last-minute equaliser from Kyle Howkins rescuing a point.

"The character of our players is excellent. That was the least we deserved. We took the game to one of the best teams in the league," said Paul Caddis.

Due to fixture postponements, that was Hereford's last game, just over 10 days ago.

The Bulls beat Sudbury 5-1 in the FA Trophy second round, before a 1-1 draw against Radcliffe and an eventual win on penalties in the third round.

Fylde have had a good season so far, as they currently sit second in the league, just two points behind leaders South Shields.

The Coasters enjoyed a successful Christmas period with two wins against Chorley and Bedford, and a draw away to Radcliffe.

Craig Mahon's side beat Spennymoor away in the second round of the trophy before also winning in the third round on penalties against Solihull Moors.

The side from Lancashire have been excellent away from home, picking up 31 points on their travels and losing just twice — the best away record in the National League North.

The side from Lancashire were relegated from the National League last season, finishing 23rd with 40 points, 13 points from safety.

One name familiar to the Bulls in the Coasters' squad will be Kieran Coates, who joined Caddis' side on loan at the end of last season and played six times as Hereford finished just short of the play-offs.

The two sides met in the league back in October, with Fylde securing a narrow 2-1 victory thanks to a last-minute winner from Jonathan Ustabasi.

Hereford fans will be hoping to see their side progress into the next round on Saturday.

### Team News

Remaye Campbell, Matt Preston and Lawson D'Ath have all been struggling with injury over the Christmas period, but each featured in the matchday squad against Merthyr.

New signings Justin Donawa and Keziah Martin will be hoping to make their debuts on Saturday after arriving at the club on loan from Brackley and Buxton respectively.

Ormerod has scored five goals in his last five games, including a brace in the previous round of the FA Trophy.

A product of the Fylde youth academy, Ormerod made his breakthrough into first-team football last season with a loan spell at Chorley.

Mahon will be hoping his talisman can continue his recent form on Saturday.

## WELCOME

### TO SUPPORTERS OF AFC FYLDE

A warm welcome to supporters of Fylde today for this FA Trophy tie. We hope you've had a good journey. Fylde are flying high in their pursuit of bouncing back up to the National League premier division. Cup duty today and should the scores be level after 90 minutes, it's straight to penalties. And you know what happened in the previous round! Which team will prevail? That's why we come to football!

### Happy New Year to Hereford Supporters

A big 'Thank You' for sticking with the team home and away. It's always difficult with variable results, but your support has remained very loyal and in strong numbers. Everybody is hoping for rejuvenated fortunes in 2026.

### Kidderminster – Superb Boxing Day Atmosphere!

"Experience the connection that still exists between communities and their teams lower down the divisions". Words written by the distinguished football journalist, Oliver Holt, about Boxing Day matches. The Premier League chose to ignore this tradition except for one match. At Edgar Street we had a bumper crowd of 4,617 and we sold over 2,000 tickets for the 50/50 draw and extra tickets for the Golden Goal.

### HUST 50/50 Matchday Draw – Geoffrey Tomkins Pays Geoffrey Tomkins!

Big prizes! First Prize of £485 was won by online entrant Derek Donaldson of Gloucester. Second prize of £250 was claimed by David Booth. Third prize of £150 was awarded to Geoffrey Tomkins of Hereford – paid out by Richard Geoffrey Tomkins (no relation, but we had to chuckle at the coincidence!). Fourth prize of £75 went to Diane Reynolds, a Herefordian in 'B' Block.

### Golden Goal

The Official Golden Goal Time was 9 minutes 53 seconds with no Jackpot Winner. There were ticket holders for time slots either side of this time. The Consolation Prize for a 'near miss' is shared between Tina Wyton of Worcs and Cherry James of Hereford, who receive £50 each. **The Jackpot rises to £300 for today's game.**

### HUST 50/50 Matchday Draw – Radcliffe

You could call it 'Online Day' in our Match Day Competitions. In the 50/50, online entrants won two of the three prizes awarded. First Prize of £300 went to Richard Powell of Knighton. Second Prize of £140 was in the ground won by Ted Parkes. Third Prize of £50 was won by Kevin Duggan of Pembrokeshire.

### Golden Goal – Radcliffe – Bonanza! Max Jackpot Won!

The Official Golden Goal Time was 8 minutes 54 seconds. The £500 Jackpot was scooped by online subscriber Ian Sebbage of Hereford.

### CONTINUING RON PARROTT HERITAGE PROJECTS

HUST was honoured to be asked by Ron's family to be custodians of his Hereford United / Hereford FC statistical records and memorabilia.

Amongst the considerable memorabilia are a small number of record books from other football clubs. Richard Tomkins, HUST chair, advises "We felt the most appropriate course of action on these other club record books is to return them to their host club in the spirit of friendship those clubs showed Ron. Using my contacts with supporters of those other clubs I have begun the process of handing the record books over to their long-term fans. Continuing this theme, I was delighted to present a Kidderminster Harriers Centenary record book to a long serving Harriers fan at their visit on Boxing Day."

Wayne Allen, a Harriers fan of 40 years standing was delighted to be such a recipient. Wayne says "Heritage isn't just today, last week or last year. It goes back lifetimes. There is a strong bond between the Kidderminster and Hereford clubs, and I will be pleased to pass on this record book to another worthy supporter." Wayne is currently serving as Chair of the National League U19 Alliance
