Welcome

Welcome to Tatnam for today's FA Cup game v Weston-super-Mare FC. Welcome to our visitors who have enjoyed a very strong start to the season in the division above us, the National League South

We know we will be massive underdogs for today's fixture. Coming up against a side who've won 7 in a row in the division above certainly means the odds are stacked against us, but we know that we've got a group that will give everything and always finds a way to compete.

Last weekend against Hungerford, we set up slightly differently in order to be more solid but pose a threat on the counter on what is a difficult pitch against a side that are so tough to play against away from home. We felt we were the better side and in all honesty, can count ourselves unlucky that we didn't come away with all three points. Our defensive record has been solid recently, with a number of clean sheets. We'll need to be solid again today but being at home means we'll have the backing of our fans to drive us forward.

We've welcomed Owen Dore into the group, who had a really strong debut last Saturday. We also have welcome Ayo Faniyan to the group. Ayo is a strong, athletic winger who is a real force from either wide or central positions. Ayo will take a little while to get up to speed as he missed pre season, so we don't expect to see him in starting contention for another few weeks. However, his addition will certainly be felt once he's match fit.

Enjoy the game!

The Chairman

At long last we have a home FA Cup tie to savour! After that magnificent performance away at Gosport a fortnight ago the side's reward comes in the shape of the visit to the Black Gold of National League South high fliers Weston Super Mare, whose players, officials and supporters are most welcome. "The Seagulls" as today's opponents are known come into this FA Cup 3rd Qualifying round tie on the back of a ten match unbeaten run, their latest victory coming last weekend at home to Chesham when a late penalty netted by top scorer Louis Britton secured a 1-0 win which left them sitting second in the embryonic league table one point behind Hornchurch with 22 points from their 9 games. We too are clocking up the matches in an unbeaten run of our own. The highly competent and polished performance that earned us a point at Hungerford last time out was the ninth game in which the team have remained unbeaten since the reverse at Sholing in the second fixture of the campaign and we go into today's clash fully respecting our opponents but equally confident of our own ability to pull off a win which will surprise those who have not witnessed our performances this season a lot more than those that have!

Last weekend we welcomed new signing Owen Dore to the starting line up and suffice to say he made an outstanding start to his time in our colours. He formed a formidable central defensive protection to Adam Parkes goal along with Josh Staunton and Corey Jordan. He endeared himself very quickly to our fabulous travelling support and will no doubt make himself an immediate favourite with our home fans. Owen replaces the outgoing Henry Curtis and Harry Lee in our defensive options and with "Skip" Jamie Whiskin looking to be back in action in a few weeks time we are now well covered in that area of the squad.

Another new addition to our playing strengths could well be involved today in the form of Samuel "Ayo" Faniyan – a big strong striker well known to Joe and Pat who will bolster our attacking options. Ayo replaces

Tyrell Sampson who has returned to AFC Stoneham in search of much greater pitch time. We understand his reasoning and wish him nothing but success in whatever he does going forward. Both Owen and Ayo are very welcome to the Club and we wish them both a long and happy stay in our colours.

Last night we hosted a very enjoyable and successful fund raising event at Cobham Sports and Social Club where local boxing celebrity Chris Billam-Smith was our headline act. We made a lot of new friends and the evening provided a good boost to our coffers. Next week we are back in cup action again this time in the FA Trophy with surprise, surprise an away tie!! We travel to league rivals Yate Town and will look to achieve progress to the next round and pick up the prize money on offer in the process.

Enjoy the game and don't forget the 50/50 tickets.

Afternoon All

Nothing better than a big FA Cup Saturday is there?, the feeling is just special. Today especially, there are not many occasions in which this club goes into a game as underdogs, it's quite a rarity. So that feeling today I like, a team with nothing to lose is dangerous.

We need to carry on from our last round performance away at Gosport. What a superb professional performance that was, and I'm confident if we can bring the same levels today then Weston-super-Mare will be in shock.

We're aware of their league position and form, but we know it's irrelevant when it comes to the FA Cup, the form guide goes out the window. Yes they'll have a lot of quality, we know that, but so have we, the margins are so little between our two leagues now, and I think that'll be clear for everyone to see today.

What can make the difference as always is our fans at home. We have a huge chance to continue our unbeaten home run and if we do, we'll be in the hat come Monday. Let's get behind the boys today, I know you guys could make all the difference!!!

Up the Dolphins!!!

Poole Town v Weston-super-Mare

The Emirates FA Cup 3rd Round Qualifying
Saturday 27th September 2025

We look to continue our Emirates FA Cup journey this weekend when we entertain Enterprise National League South side, Weston-Super-Mare who were promoted in the 2022/23 season after finishing as Southern League Premier South champions.

There will be 40 ties played over the weekend with the clash between Westbury United and Farnborough being chosen as the BBC televised tie, which will kick off at 12.30pm. The winners of each tie will receive £5625 from the prize fund with the losers taking home £1875.

We have two other local sides in action; Wimborne are at home to Worthing, whilst Dorchester travel to Farnham.

We continued our unbeaten run last weekend with a goalless stalemate at Hungerford. The point keeps us within reach of the top of the table at this early stage. (P8 W4 D3 L1 15 points). One of the most pleasing aspects of our performances has been the number of goals that we are scoring and the number of players who have found the net.

Shaq Gwengwe leads the way with 8, IK Hill has 4, then we have five players who have one each, Tyrell Sampson, Harvey Slade, Kris Campbell, Josh Staunton and Selim Saied.

We are currently in 6th place in the form table P6 W3 D3. Our last home defeat, which was on February 22 against Gloucester City, came at the end of the run of five straight 1-0 losses throughout February. We have certainly moved forward from those days.

Weston-Super-Mare are in great form themselves sitting at the top of their league form table P6 W6. They earned their place in 3Q by beating Taunton Town 3-0 in a home replay after the sides drew 1-1 at Taunton. Their only defeat this season was the opening day 3-2 reverse at Hornchurch. Since then, they have accumulated 22 points from 8 matches putting them just one point behind Hornchurch who top the league on 23 points after nine games.

The basis of their success must be having the meanest defence in their league. They have conceded just five goals, in 9 league matches. Shaq and IK will certainly have their work cut out on Saturday, but as we know, they are only too willing to accept the challenge.

Callam Wood, the left-footed defender joined Weston on a permanent contract in May 2025, following his release from top Championship side, Bristol City. He has featured prominently for the Seagulls at the heart of their defence, making 8 appearances to date.

At the other end of the pitch, we will probably come up against Louis Britton, who has scored 7 goals in all competitions so far this season. After successful spells with Brislington and Mangotsfield United, Louis earned a move to Bristol City in 2019. Whilst at Ashton Gate, Louis spent time out on loan at several clubs gaining valuable experience, before joining Weston in March 2025.

The Seagulls, will come into the match under the supervision of temporary manager Scott Rogers after Weston agreed terms to release Scott Bartlett to take over at Eastleigh. He had been at Weston since 2019 and took them into the National League South in 2022/23 season. They narrowly missed out on a play-off place in their first season.

Scott Rogers enjoyed a playing career with the likes of Bristol City, Tiverton Town, Weston, Chippenham Town and Newport County before becoming player-manager at Willand Rovers in 2013. He joined Weston as Assistant Manager in July 2023, linking up with Scott Bartlett and helping to spearhead the club forward.

We can expect great backing on Saturday, with our average home attendance nearing 600. So come along early to take in the great atmosphere and get behind the lads as we strive to continue our participation in this year's FA Cup competition. Enjoy the game

THERE can't be many clubs with a better record of producing players fit for the EFL – and higher – than FC Halifax Town.

The number that have passed through the Shay down the years is quite something.

Our Chris Dunlavy, chief writer on sister title The Football League Paper, caught up with a former Shaymen last week after he called time on his career.

One of the privileges of this job is watching young footballers thrive in Non-League before getting their chance and then carving out a successful career in the higher levels.

Lee Gregory certainly did that, scoring 112 EFL goals for the likes of Millwall, Stoke, Sheffield Wednesday and Mansfield Town.

The striker began his journey at Staveley Miners Welfare and Sheffield FC and Glapwell before ripping it up at FC Halifax Town – alongside a certain Jamie Vardy. But Gregory still remembers the conversation he had with Nicky Law during a brief spell on trial at Alfreton two decades ago.

"I was 17 or 18 and Nicky was the manager at Alfreton," he recalls. "He said to me one day, 'You don't have to be a professional. You can have a good career in Non-League. Get a job, do this on the side, put the extra money towards a house and you'll pay it off in 15 or 20 years'.

"I remember thinking 'You know, he's right'. That was my mentality when I was playing for Staveley Miners Welfare and Sheffield FC and Glapwell.

"By the time I got to 23, when I joined Halifax, I was like 'OK, this is my life - let's buy that house and stop dreaming'."

Thankfully for Gregory, now 37, an intervention from Kim Holloway - wife of Ian - changed the course of his life.

Gregory scored 29 National League goals for Halifax in the 2013-14 campaign. Holloway, then in charge of Millwall, was considering making an offer but feared the forward would struggle with the jump to the Championship.

"You could be the best player in the world but if you've not got the right opinion behind you, you're not going to go anywhere," says Gregory.

"It only takes one person to believe in you and in my case it was Ian's wife. She was the one who said 'Go on, why don't you take a chance on the lad from Non-League?' That one opinion changed my life.

"I did have other clubs in the pipeline. I was always going to end up in the EFL that summer. But none of them were in the Championship. I know you make your own luck, but you need help along the way. I was very lucky that she said that to him, and that he listened to her."

Gregory is just another example of how different players will take different routes into the Football League. We're lucky we get to see a lot of them at before they really make it.

Welcome to our FA Cup third qualifying round match against Weston-super-Mare and to our visitors – we wish you a safe journey home.

This weekend at St John's sees our harvest celebrations. This morning was Messy Breakfast and tomorrow will be our Harvest Festival service. Sadly, I'm not at the

game this afternoon because I'm leading a working party setting the church up in 'café church' format in preparation for tomorrow.

All of us have so much to be thankful for, including lots of things that we all-too-easily take for granted. A visit to the supermarket involves benefitting from harvests all around the world. From one end of the shop to the other, harvest is vital - whether we think about raw fruit and vegetables or meat or the many processed foods we buy, right through to the drinks we drink, we could not enjoy the things we do if it were not for harvest.

But the need for thankfulness doesn't end there. Places we live, the ways we get around, services we consume, all depend on the work of others as well as the raw materials that God provides.

Recently I was visiting someone in hospital, who is significantly unwell, and she said to me that she realises she has a choice: to moan about things that are difficult or to thank God and praise Him. Most relevantly, we can thank God that he is with us and cares about us in all the ups and downs of life. In hospital, we found ourselves reflecting on several Bible passages, including Psalm 91.15: "He will call on me, and I will answer him; I will be with him in trouble, I will deliver him and honour him."

I hope you will know the truth of this, wherever the changing fortunes of life take you.

Wishing you God's best,

Hello !

You've probably never heard of SWRAC, what it does or what it's all about, which is completely understandable. So, please indulge me for a couple of minutes. We're classified as a Specialist Independent College which means we work with young adults who have Special Educational Needs or Disabilities. Our aim is to give our students the skills to thrive in adult life particularly in the areas of employment, health, social involvement and independence. We also have a mission to promote to businesses that people with SEND make really good & loyal employees. We're based at Boscombe, Dorchester, Winton & Merley as well as further afield in Merseyside.

We are so pleased to be sponsors of Poole Town FC because the Club has offered to help work with our students, that attitude shouts loudly of the ethics and attitude of the organisation which very much echo our beliefs – so why wouldn't we want to get involved. We know that football (and any team sport) can give young people so much confidence & esteem, so it's a valuable partnership that I'm really excited to see develop over the long term. You'll probably gather that, from my name, I'm a bit of an Arsenal fan (maybe I shouldn't say that !?) but with the attitude of the people we've come across at Poole Town, you've got yourself another fan !

That's enough from me .

Have a great season !

Josh 'Staunts' Staunton is an experienced centre half who has over 200 National League appearances at the age of just 28, emphasising his remarkable experience and ability as a professional. Staunton signed for the Dolphins midway through the 2023/24 campaign and made his debut in a 2-0 defeat to Hayes and Yeading. 'Staunts' has been at the heart of the defence since his arrival, starting every league game since his arrival and scoring one goal in that time.

His journey as a footballer started at Gillingham before moving to Dagenham & Redbridge in the 2016/17 season where they pushed for promotion back into the football league but fell short in the play-off semi-final. The following season, Staunton moved to Woking where he impressed, making 40 appearances and scoring three goals before making the transfer to Halifax where in two seasons he made 60 appearances. In 2020, Staunton moved to the Glovers and was an ever-present in their side, making almost 100 appearances; he captained the side and departed with the status of a club legend. Due to a lack of game time last season, the defender made the decision to move to National League outfit Boreham Wood.

However, after a short time with Boreham Wood, Staunton decided he needed to be closer to home and the opportunity of playing for Poole Town seemed the right move for him as he signed the contract on the 4th February and has started every league game since!

EMIRATES ECONOMY

After Weston-super-Mare AFC were disbanded during WW2, the present club reformed in 1948 after a meeting at the Town Hall decided to form a semi-professional club.

Weston spent much of the next forty years or so in the Western League, until eventually claiming the title in the 1991/92 season under the management of John Ellener, who had taken over from the legendary Harry Thomas only a few years earlier. Thomas played over 700 games for the club and was also the player/manager for a five year spell.

This proved to be an exciting time in The Seagulls' history, particularly as strikers Matt Lazenby and Paul Elson scored goals for fun.

After Ellener left the club in 1993, he was replaced by coach Pete Amos. Len Ashurst then took over and oversaw another exciting period with excellent players such as Stuart Jones and Ryan Souter, who were sold to Sheffield Wednesday and Bury respectively to raise much-needed cash.

The new millennium brought more change for Weston as Frank Gegan was named manager and won the club promotion from the Southern League Western Division in 2002/03, with the runners-up spot clinched after a memorable victory at old local rivals, Clevedon Town.

The following season also proved to be successful as the side finished high enough to qualify for the brand new Conference South that started at the beginning of the 2004/05 season. That summer of 2004 was hugely significant as Weston also moved to their new Woodspring Stadium home, where The Seagulls still play to this day, although the ground is now known as the Optima Stadium.

In subsequent years, Weston often flirted with relegation but were reprieved on each occasion, although there were also some happier times for the club, particularly when manager Craig Laird led the side to seventh place in the Conference South in 2012/13. This proved to be Weston's highest ever finish in the footballing pyramid.

A few years later, in 2018/19, Weston were relegated. This has proved to be The Seagulls' only relegation ever. In the summer of 2019, Scott Bartlett took over as manager for the second time. Unfortunately, Weston's hopes of returning to Step 2 football were scuppered by Covid 19 as the next two seasons were declared null and void.

However, in Bartlett's second full season back in charge in the 2022/23 campaign, he led his side to the Southern Football League Premier South title. Bartlett's title-winning side was captained by Dayle Grubb, another player to have amassed hundreds of appearances for The Seagulls, either side of a two and a half year spell in the Football League with Forest Green Rovers.

The return to Step 2 football has helped continue Weston's progress. In 2023/24, The Seagulls finished thirteenth and equalled their longest ever run in the FA Trophy, before another exciting 2024/25 campaign where Weston qualified for the First Round Proper of the FA Cup for the sixth time before unluckily losing 3-1 at Bristol Rovers after extra-time, as well as finishing eighth and narrowly missing out on the play-offs in National League South, despite claiming their highest ever points tally in a Step 2 season.

Max Harris

After time at Hereford, Oxford United, Oxford City and AFC Totton, Max eventually joined Cheltenham Town in 2021.

During his time at Whaddon Road, Max spent four successful loan spells at Weston where he chalked up well over a hundred appearances for the club, and kept many clean sheets in the process. Max has also spent time at Redditch, Cinderford and Bath City before joining The Seagulls on a permanent deal in May 2025.

Jakob Glover

Since breaking into the Mangotsfield United first team at the age of 16, goalkeeper Jakob has also spent time with nearby Nailsea & Tickenham as well as training with Weston during the 2024/25 season, before formally signing for The Seagulls in July 2025.

Sam Avery

The popular central defender joined Weston in January 2020 after earlier spells at Chipping Norton, Carterton Town, Shortwood United, Bishops Cleeve and Gloucester City.

As well as being a composed defender, Sam also has an eye for goal as he is a threat from set-pieces, and his vital goals have endeared himself even more to the Optima Stadium faithful.

Emlyn Lewis

Club captain and centre-half Emlyn joined Weston in May 2024 after a long spell with Cardiff Met FC, where he combined playing with his extensive academic studies. Emlyn has also represented and captained the Wales C side, as well as featuring in the UEFA Europa League for Cardiff Met.

Dan Martin

The left-sided full-back joined Weston in May 2025, his second spell with The Seagulls having played on loan from Cardiff City in the 2019/20 season. Dan went on to feature on loan at Bath City before leaving Cardiff for Torquay United.

After leaving The Gulls in 2024 he joined Welling United but returned to Weston once more following The Wings' relegation.

Michael Smith

After spells in his native Northern Ireland with Ballyclare Comrades and Ballymena United, Michael moved to England in 2011 when he signed for Bristol Rovers. After earning a place in the PFA League Two team of the year in 2013/14 he then earned a move to Peterborough United. Michael spent three years with The Posh before joining Heart of Midlothian. During his six seasons in Edinburgh he won the Scottish Championship and was a Scottish Cup

runner-up on three occasions. In 2023 he moved to Yeovil Town and helped his new club to the National League South title in his first season, before joining Weston in July 2025 when he left Huish Park. Michael is the owner of 19 Northern Ireland caps, scoring one goal against Germany in 2019.

Callum Wood

Left-footed defender Callum joined Weston on a permanent contract in May 2025, following his release from Championship side, Bristol City.

Callum is no stranger to the Optima Stadium having spent a loan spell there in March 2024, as well as temporary stints at Bath City and Hereford at Step 2 after starting his footballing journey at the age of 16 at Cinderford Town.

Jordan Bastin

Jordan signed from Tiverton Town in the summer of 2021 and has scored some important goals for Weston, including some Goal of the Season contenders along the way. Jordan spent time at Exeter City and Plymouth Argyle before a prolific spell at Elmore, prior to his move to Tiverton.

Ollie Chamberlain

Another 2024 signing, Ollie has played on the right side of defence and midfield in his first season with The Seagulls. Ollie started in the Taunton Town youth set-up before going on to play locally with Bridgwater and Wellington. After returning to Taunton he helped The Peacocks to two promotions and an appearance in the First Round proper of the FA Cup against Barrow.

Jason Pope

Jason is a versatile player, capable of playing on either flank as a full-back, at centre-half or as a midfielder. Jason came through the Exeter City Academy and then went on to spend part of the 2015/16 season at Weston. After being released from St James' Park in 2016, Jason joined Weston on a permanent deal. 'Popey' then spent time at Hereford and Bath City before signing for The Seagulls again in the summer of 2021.

Jacob Jagger Cane

Jacob came through the famous Exeter City ranks and had loan spells with Poole Town and Weymouth before joining Weston in August 2014. The popular midfielder has gone on to play over 400 games for The Seagulls and is an integral member of the squad. Jacob also had a spell in National League North with Hereford before re-joining Weston.

Will Dawes

Will started out as a Cheltenham Town scholar before being released in 2019. Will then turned his attentions to studying at Loughborough University, and whilst at Loughborough, Will played for Stratford Town. After his

impressive spell at Stratford, Yeovil Town signed Will in 2022. After two years at Huish Park, during which time he also spent time on loan at Weymouth and Oxford City, Will signed for Chippenham Town in June 2024, before joining Weston in March 2025, where he has played at both right-back and right-wing.

James Dodd

Another fine player to have emerged from Exeter City and went on to play a handful of games for The Grecians. James initially joined Weston on loan in September 2021 before joining permanently in the summer of 2022 despite interest from other clubs. During his time at the Optima Stadium, James has been a virtual ever-present and has chipped in with his fair share of goals.

Jake Hicks

After spells at Longwell Green, Mangotsfield United and Larkhall Athletic, Jake's performances for The Larks attracted the interest of several clubs, but it was Weston who landed his signature in February 2025. He was immediately loaned back to the Bath-based club before returning to Weston and going on to make his Seagulls' debut towards the end of the campaign.

Oli Jenkins

Oli is primarily an attacking midfielder, however he did turn out at right full-back on occasions for Weston late in the 2024/25 season.

Oli signed for The Seagulls in August 2024 from Yate Town and had productive loan spells back at Yate and also with Tiverton Town. Before his first spell at Yate, Oli was with Mangotsfield United and Cribbs FC. Joined The Bluebells of Yate once again on loan in August 2025.

Josh Salmon

Josh is from Weston-super-Mare but joined the Southampton Academy at the age of eight. Upon leaving The Saints once he had turned 16, Josh moved along the South Coast to AFC Bournemouth where he embarked on a two-year scholarship. Towards the end of 2024/25 he spent time on loan at Horndean before linking up with his hometown club for pre-season training and putting pen to paper in July 2025. In August 2025, Josh was called up to the Wales Under 19s squad.

Brandon Bak

Brandon represented the Weston Academy and played a few games for the first-team before earning a move to Bristol City in 2022.

Brandon returned to Weston on loan in August 2024 and chipped in with some vital goal involvements before re-joining Weston permanently later in the season. Brandon then had loan spells at Taunton Town and Willand Rovers before heading back to Weston and scoring the only goal as The Seagulls lifted the Somerset Premier Cup. Joined Bristol Manor Farm on loan at the start of the 2025/26 campaign.

Louis Britton

After successful spells with Brislington and Mangotsfield United, Louis earned a move to Bristol City in 2019. Whilst at Ashton Gate, Louis spent time out on loan at several clubs, most notably at Waterford where he found the back of the net on a regular basis. After leaving Bristol City in 2022, the tall striker enjoyed prolific spells at Maldon & Tiptree and Bristol Manor Farm before joining Weston in March 2025.

Luke Coulson

After spending parts of his early career at Manchester City and Cardiff City, Luke then went on to represent Oxford City, Eastleigh, Barnet, Ebbsfleet United, Bromley and Dartford. Luke joined Weston in May 2024 and had a phenomenal first season with The Seagulls, scoring 23 goals and assisting with 22 for his team-mates.

As well as being a men's first-team player, Luke is also the Weston Academy U18s coach and has a degree in Sports Broadcasting.

Freddie King

Local youngster Freddie joined Weston in July 2025 after a prolific spell with Western League neighbours, Clevedon Town. In his final season at the Hand Stadium, Freddie scored 34 goals and assisted with 18 as The Seaside's narrowly missed out on promotion. On the eve of the 2025/26 Western League campaign, Freddie joined Bridgwater United on loan. He was recalled by Weston before going out on loan to Portishead in September 2025.

Sam Pearson

Sam started his professional career at Bristol City. Whilst at Ashton Gate, Sam spent loan spells at Bath City, AFC Wimbledon, Inverness Caledonian Thistle and Yeovil Town, before joining The Glovers permanently in January 2024. After helping Yeovil claim the National League South title, Sam joined Weston in October 2024, where he enjoyed a fine first season. Sam is also the proud owner of thirteen Wales U21 caps.

Luke Skinner

Luke joined Weston on loan shortly before the start of the 2025/26 season from Bristol City. Luke has been with the Ashton Gate side from the age of six and signed his first professional contract in BS3 on his 17th birthday in November 2024. Luke has made tremendous progress and made his City U21 debut at the age of 16.

James Waite

James started his career at Cardiff City and had a loan stint at Hereford before joining Weston twice on loan in October 2019 and September 2020. After another loan in the Republic of Ireland with Waterford, James left Cardiff and signed for Penybont before earning a move into the Football League with Newport County. When James left The Exiles in the summer of 2024, he was snapped up by Weston manager Scott Bartlett for a third time. James has also represented Wales at U19 and U21 level.

MANAGEMENT & STAFF

Scott Bartlett

After a playing career that saw spells at Salisbury, Weston, Bath City and Forest Green, Scott became manager of Weston for the first time in 2016, before becoming Forest Green's full-time Head of Academy.

Upon leaving FGR, Scott returned to the Optima Stadium in May 2019. Since then, Scott has led The Seagulls to the Southern League Premier South title in 2022/23, before then guiding Weston to their highest-ever points tally in a Step 2 season in 2024/25. Has now managed Weston for over 300 games.

Scott Rogers

Rogers joined Weston as Scott Bartlett's assistant in the summer of 2023.

Rogers had been the manager of Tiverton Town, alongside his family member Martyn Rogers. Before being in charge at Tivvy, Scott was also player-manager at Willand Rovers.

His playing career took in the likes of Forest Green Rovers, Bath City, Newport County and Tiverton, where he scored the only goal in the 1999 FA Vase Final, the penultimate played at the old Wembley Stadium.

Taylor Cornish

Physiotherapist Taylor joined Weston from a similar role at Dorchester Town in September 2021. Physiotherapy is obviously a family trait as his dad Tony is the current physio at Tiverton Town.

Steve Laker

Prior to this, Richard has been an analyst at Forest Green Rovers, Redditch United, Evesham United and Brimscombe & Thrupp, as well as being the Media Manager at Cheltenham Town.

Sam Trego

JOIN OUR CLUB!

The Poole Town Football Supporters Club 100 Plus Club

We always welcome new members and the cost is £1.00 per week which is £4.33 per month per number.

You can purchase any number of new numbers - each one costs £4.33 and each number gives you the opportunity to win one of the prizes - 2 * £100, 2 * £50 and 2 * £25.

To join you simply set up a monthly Standing order for £4.33 (or £8.66 for 2 numbers, £12.99 for 3 numbers) and let us know once it is set up, along with your full name and address.

Your number will be included in the draw following your first standing order and if you are a winner, We will notify you by email and will transfer your winnings to a Bank Account (or we can write a cheque). You can set up a Standing Order very easily if you use Online Banking, but if you are unable to do this or unsure how to do it, you can ask your Bank they can set one up.
