Good afternoon

Good afternoon and Happy New Year to everyone connected with Poole Town FC, and a warm welcome to the players, staff and supporters of Plymouth Parkway. We hope you enjoy today's fixture and your visit to Poole.

Last time out, the lads delivered a fantastic result against our local rivals Wimborne Town, showing real character, discipline and togetherness throughout the match. Derby games are never easy, and the way the group approached the challenge with intensity, commitment and quality was exactly what we expect in a Poole Town shirt. That win gives us momentum, but more importantly it reinforces the standards we are setting week in, week out.

We also want to place on record our sincere thanks to the Poole supporters who travelled to back us. Your noise, passion and unwavering support made a huge difference and did not go unnoticed by the players or staff. Home or away, this club is nothing without its supporters, and we are proud to represent you.

Today brings another tough test against a strong Plymouth Parkway side, and we'll need to be at our best again. If we match our work rate, stay focused and play with the same pride and unity, we give ourselves every chance.

Enjoy the game and thank you for your continued support.

Up the Dolphins,

The Chairman

Happy New Year everyone! As we welcome the players, officials and supporters of Plymouth Parkway to Tatnam for this afternoon's Southern League Premier Division South clash, we can reflect on a very positive 2025 for our great Club. There has been huge progress made both on and off the field. In my perhaps rather biased opinion, the ground looks magnificent these days, with so many improvements that it is actually hard to remember them all. The most striking of course is the big screen and the electronic advertising, both of which have come about due to the involvement of our most recent recruit to the board of directors being Bradley Williams of the Unique Group. Vice-Chairman Andy Rossiter and good friend of the Club John White have between them spent huge amounts of money carrying out a steady series of improvements and upgrades, all of which have enhanced the site to great effect.

Pulling all these improvements together of course is the magnificent playing surface that Josh Staunton has created – we are just so lucky to have someone as competent, knowledgeable and dedicated as Josh, and it still takes my breath away every time I come to the ground on match days and see the pitch in all its glory!!

As I have said so often, we are blessed at this Club to have such a brilliant group of volunteers and so many special people filling the key roles that are all so essential to running a successful step three Football Club.

On the field, Joe and Pat have worked wonders in the 11 months or so that have been at the helm of the senior side. Last weekend's competent and solid

victory at Wimborne was a prime example of how far we have progressed under their leadership. The Commitment of the 500 Poole fans in the away end and indeed of everyone connected to the Club was greatly enhanced by those highly valued three points!

This afternoon's visitors always provide stiff opposition as evidenced by our two previous meetings this season – two trips to Devon, a lone goal success in the league and a 1-1 draw in the FA Trophy leading to a defeat in the ensuing penalty shoot out. Plymouth's league position belies their quality and we will need to be at our best this afternoon.

Next up after today is a trip to Yate this coming Tuesday in a rearranged clash and then next week we travel to Hanwell. Next game here is in two week's time when we play the return fixture with Yate.

Enjoy the game and don't forget the 50/50 tickets

Peter D'Arcy RIP

It is with deep sadness that I have to report the tragic death of Poole supporter Pete D'Arcy in a road traffic accident on the evening of Saturday 13th December. Pete was in a buoyant mood that day as he had been at our win over Uxbridge earlier in the afternoon and his other football love Chelsea had beaten Everton 2-0. Peter had just dropped off his son Jack and was returning home to partner Tara when the accident occurred. The photo of Peter was taken at Tatnam on that fatal day.

Tara, and his sons Kyle and Jack, together with daughter Lucy are guests of the Club today and there will be a minutes applause in Pete's honour before kick off. Our thoughts and prayers are with his family.

Captain's Corner

Afternoon All,

We hope you've enjoyed a Happy Christmas.

It's great to be back home after a short - but enjoyable - trip to Wimborne last weekend. It was great to see the lads perform to that level in front of such a big crowd. The away support was fantastic, and the scenes we saw after our second goal are the reason we're all involved in football.

One thing this group has shown all season is how resilient it is. We were all very disappointed after a harsh defeat to Sholing. We felt that we did more than enough to win the game and to come away without even a point was a real sucker punch. To then travel to our local rivals, who were unbeaten at home, and kept a clean sheet as well as taking three points, was special. One defeat in 8 games is a very solid run of form, especially when you consider the difficulty of some of the fixtures we've faced. If we're going to keep up this run of form we're going to need our fans with us all the way.

Our squad is a little stretched at the moment, with injuries to Macca and Corey Jordan, Owen Dore playing through the pain barrier and the retirement of Staunts leaving us a little light at the back. It was great to see Ade step in and perform so well on Saturday. Some might have asked why he didn't come on early in the game against Sholing when Corey

went off injured - the answer is that we're having to build his match fitness levels carefully after his return from America. We certainly can't risk another injury to our backline!

Thanks for your support over this Christmas period - let's get another 3 points today!

VS

Poole Town v Plymouth Parkway

Pitching In Southern League - Premier South
Saturday 3rd January 2026 - 3pm KO

In front of an expectant and noisy capacity crowd The Dolphins secured the local bragging rights from The Magpies at The Wyatt Homes Stadium on Saturday. The 2-0 win was hard fought but very well deserved in a match that was dominated by the visitors. We move up to 3rd place (P23 W13 D5 L5 44 points) and keep the pressure on the top sides. We are now 5th in the form table P6 W4 D1 L1 and have moved quickly to put the disappointment of the Sholing result behind us.

Next up we welcome Plymouth Parkway to Tatnum on Saturday ko 3pm. The Yellows are sitting just above the relegation zone in 18th place (P21 W5 D6 L10 21 points) and very much in need of points. Their lack of goals seems to be costing them dearly as only Hanwell Town 23 and Tiverton Town on 21 have scored fewer than their 25. They have dropped to 16th in the form table taking just 5 points from their last six matches.

They come into the match on the back of a disappointing defeat in the all Devon clash with bottom club Tiverton Town. After a goalless first half The Yellows went in front on 65 minutes and seemed to be on course for all three points. However, a penalty conceded on 82 minutes and converted by Tor Swan brought the visitors back into the match. It was again Tor Swan who was there to strike home the winner on 92 minutes and break the hearts of the home supporters. In the match prior to that they went down 4-0 at Farnham after having Mikey Williams sent off in the 69th minute when the score was 2-0.

Plymouth have won just once on the road so far this season from their 11 fixtures, Andrew "Rocky" Neale bagged a brace to give them the win at struggling Weymouth on December 20th. We travelled to Bolitho Park on August Bank Holiday Monday and came away with all three points thanks to an 85th minute strike from the now retired Josh Staunton.

Plymouth were very much in the relegation dog fight last season until they found some form towards the end of February and March when they achieved 6 wins. Even though they finished the season with three defeats they finished a credible 13th on 50 points. We beat them 3-1 at home in September but lost vital points to them near the end of the season when we lost 3-1 at Bolitho Park.

The club is managed by Chris McPhee who in two spells played 116 times for Weymouth, scoring 13 times, before his exit in the 2015/2016 season. He replaced Lee Hobbs, who in his superb seven-year tenure took the Bolitho Park club up three divisions to Step 3.

Lee Peacock, the former Manchester City, Sheffield Wednesday and Bristol City striker, is McPhee's assistant.

The striker that we need to watch could well be Andrew Neale who began his football journey at Lee Moor before progressing through a number of clubs including Parkway, Tiverton Town, Bodmin, Truro City, and Taunton Town. After a second spell with Truro, he returned to Parkway, continuing to add experience and quality to the side.

Parkway were promoted to Step 3 after finishing the 2021/2022 Southern League South Division as champions. They started the 2022/2023 season rather slowly but as the season progressed, they managed to turn things around and in a remarkable resurgence they finished their first season at this level in 10th place. This was followed up by an 18th place finish in 2023/2024 and as was said previously 13th in 2024/2025

The forecast is for the temperatures to drop over the next few days so wrap up warm and show your support for the team.

Enjoy the game

The 35-year-old centre back is a fan-favourite at Poole Town, he was one several players that moved west to Poole Town from AFC Totton in the summer of 2013. The defender's main position is in central defence, but he can also play along the back four as he is just as comfortable going forward as he is in defence. He has made almost 500 appearances for the Dolphins over a span extending ten years and has captained the side for the majority of that time.

He started his career at AFC Bournemouth, where he only managed to play one game in the league cup against Wigan Athletic. 'Whisk' has also played for Basingstoke Town, Bognor Regis and Farnborough Town took over as captain of the side during the 2013/14 season. During his tenure with Poole, the most memorable moment in his career will likely be captaining the side to the Southern Premier League title in 2016 and finishing in a remarkable 5th place in the National League South the following season.

Whisken put pen to paper to extend his contract at Poole until the conclusion of the 2024/25 season.

For the start of the 2018/19 season, Campbell joined Eastbourne Borough and made 66 appearances at Priory Lane in a two-year span. After short spells at Tonbridge Angels, Bognor Regis and Welling United, Campbell signed for Kent Rivals Dartford.

He played a significant role in the push for the National League South playoffs for the Darts in which they were defeated in the Quarter Final to Chippenham after finishing in 4th place.

Following Dartford, Campbell went on to play for Chatham Town and then Gosport Borough in the Southern Premier Division South before signing for National League South outfit Hampton & Richmond.

In the 2024/25 season, he made 29 appearances for the Beavers and scored on three occasions and secured eight assists and joined Poole in February and went on to have an instant impact becoming a significant part of why we stayed up. To the delight of Poole fans, Campbell will remain with the club until the conclusion of the 2025/26 season.

Charlie Davis started his career at AFC Bournemouth before moving to Poole as a talented teenager in 2013 and stayed at Tatnam for two years making 26 appearances.

After spells at Dorchester and Weymouth, Davis re-joined Poole to pursue more game time. Wimborne Town 0 - 2 Poole Town

Gwengwe (30', 61')

Southern League Premier South
Sat 27th December 2025
at The Wyatt Homes Stadium

Shaquille Gwengwe's brace was enough for Poole Town to return to winning ways in the Stourco Derby after a convincing 2-0 win over Wimborne Town.

The highly anticipated match between the Dolphins and the Magpies was witnessed by a record crowd of 2,500 at The Wyatt Homes Stadium.

Joe Lea and Pat Suraci made one change from the defeat to Sholing with the injured Corey Jordan being replaced by Ade Olumuyiwa who made his first start since returning to the club.

Wimborne manager Tim Sills made three changes coming off the back of the 4-0 defeat to Havant & Waterlooville with Will Fletcher, Max Bustamante and Cam Munn all coming into the team.

The match got underway with both sides holding their shape well in the early stages and neither side able to generate a clear-cut chance. Olumuyiwa was shown an early yellow card after 13 minutes for a late challenge on Bustamante just outside the area, the resulting Wimborne free kick was fired straight into the wall.

Sam Jackson went closest in the first half for the Magpies; his volleyed effort was well dealt with by Adam Parkes in the Poole goal.

The first chance for Joe and Pat's side fell the way of Kris Campbell after great work from Billy Lowes down the left flank, however he was unable to keep his shot on target. The Dolphins went close again on the 25th minute through Gwengwe from close range, but he blazed his effort over the bar as the score remained goalless.

Just a few moments later, Gwengwe was brought down inside the area, and the referee had no option but to point to the spot. It was Poole's number nine who stepped up and as he normally does, converted past Bastian Smith to give the Dolphins a 1-0 lead on the 30th minute mark.

As the half drifted to a close, the Magpies pushed in search of an equaliser, but the referee's whistle brought it to a close with Poole in the commanding position. Joe and Pat were forced into a half time substitution with Ik Hill replacing Selim Saied and Ayo was substituted just a few minutes after the restart for Charlie Davis.

 Connor Hannon

Despite Wimborne's efforts to find the next goal in this game, it was the Dolphins who doubled their lead in this one after some brilliant build up, it fell to Gwengwe who was in the right place at the right time to smash it home and make it 2-0 on the 63rd minute.

The Magpies thought they'd found a way back into the match through substitute Joe Ryan, but he could only fire over the bar with ten minutes to play.

Ajani Burchall's effort stung the hands of Adam Parkes, but time was running out for the hosts with Poole seemingly taking all the points.

The full-time whistle was blown and the bragging rights fell the way of the Dolphins with Gwengwe's brace enough for all three points in the Stourco Derby in front of a packed out Wyatt Homes Stadium confirming that Dorset is indeed red and white!

1980 – 1990

The club was originally formed in 1988 by Stuart Cadmore when a group of players left the youth team Plymouth Kolts and joined the Plymouth & District League in Division 4. In that same year the club secured sponsorship from Exeter Airport, and as part of that deal they changed their name to Ex-Air Flyers. They were the first club in Plymouth to be sponsored from outside the city limits. The club colours of yellow and blue are from the colours of the airport logo and remain the same today.

In their first season the club gained promotion and then moved to the Parkway Sports Club.

1990 – 2000

The club carried on being promoted in successive seasons until it reached Division one and was waiting to join the Premier Division when the Devon League was formed in 1992. The club decided to apply to become members of the Devon League instead as the Parkway Sports Club had sufficient facilities to join the league.

Unfortunately, 1992/93 was their last to be known as EAF Plymouth FC as they finished bottom of the table, but a new era was just around the corner.

During the 1993/94 season, Plymouth Parkway FC underwent a pivotal moment in its history. Not only did the club change its name to Plymouth Parkway FC, but a new management team, led by Keith Pond and Gez Baggott, was persuaded to join. Before this, Pond and Baggott had achieved great success with Falstaff Wanderers in the Plymouth & District league.

Upon their appointment, Pond and Baggott made drastic changes to the squad, bringing their entire successful squad from Falstaff Wanderers with them. The decision proved to be astute, as Plymouth Parkway FC finished joint second in their first season. Although they narrowly missed out on securing second place overall, they managed a commendable third place based on goal difference.

Despite their early success, Keith Pond decided to step down from his position at the end of the season due to family reasons, leaving Gez Baggott as the first-team manager. Baggott proved to be an exceptional leader, holding the position for an astonishing 14 consecutive seasons and two more later in the club's history, cementing his legacy in the club's remarkable journey.

After the successful 1993/94 season, Parkway enjoyed stability within the Devon League and were quickly making a name for themselves, which drew attention from the South Western League teams across the Tamar. To prevent players leaving for a higher level of football, the committee and management at that time (1998) decided to join and compete at the same level.

The move proved an extremely wise decision as although playing against teams with higher resources, Parkway more than held their own in the South Western League.

Parkway left the 90's behind them with an 11th placed finish, winning 10 of their 36 fixtures.

2000 – 2010

On the eve of the 2000–01 season the club became homeless with the loss of the Parkway Sports Club due to a disagreement over the terms of the lease and subsequent maintenance costs. As a result, and with special permission from the league, the club spent that season having to play all its games away from home.

During their build up to the 2001/02 season the club announced they would be developing an area of Manadon as their new ground, to be known as Bolitho Park. While work was being completed, with assistance from Plymouth City Council, they used The Brickfields athletics ground in Devonport before they moved to their new and current home in August 2003.

Under the leadership of Chairman Jim Parsons and with the support of early sponsors such as Mortimers (Ian Mortimer), Gary Doel, and Gez Baggott Painters and Decorators, Parkway continued to perform well in the South Western League. However, the most significant progress came in terms of infrastructure at Bolitho.

In the 2006-07 season, the club made its debut in the FA Vase and achieved an impressive feat by reaching the second qualifying round. The following season saw the merger of the South Western Football League and the Devon County Football League, leading to the establishment of the South West Peninsula League, with Parkway as one of the founding members.

As the decade was nearing its conclusion, another vital addition to the club was Garry Turner, who joined as the groundsman, ensuring the playing field was well-maintained. A year later, Genny Turner also joined as the secretary, handling administrative responsibilities for the club. Both Garry and Genny Turner continue to hold these positions today.

The football club's identity is rooted in a determination to advance and excel both on and off the field. After spending nearly two decades in the South Western leagues, the club's leadership decided to formulate a plan to climb higher in the football hierarchy.

To achieve this goal, they recognized certain areas where Plymouth Parkway, as a business, needed improvement. This led to a busy summer before the 2016/17 season, culminating in a merger with another ambitious Plymouth-based football club named Bar Sol Ona.

The leadership structure saw changes as well, with Bar Sol Ona's Chairman, Mark Russell, assuming the role of Plymouth Parkway's Chairman. Lee Hobbs was

appointed as the first-team manager, while the former Plymouth Parkway Chairman, Jim Parsons, transitioned into the role of Club President. Gez Baggott, the former General Manager, took on the position of Vice-chairman.

This merger injected renewed energy and ambition into the club, leading to increased financial capabilities. The board, which included long-serving Club Secretary Genny Turner and Treasurer Brian Martin, wasted no time in expressing their intentions by seeking promotion to the Toolstation Western Football League.

In 2015, life vice-president and founder member of Plymouth Parkway Stuart Cadmore, formed the Plymouth Parkway Supporter's Club. The supporter's club has become an essential and vital group within the football club, helping to develop and enhance the reputation, stature, and progress of the yellows on, and off the pitch.

The 2017-18 season was exceptional, with Plymouth Parkway achieving promotion as League Champions of the SWPL, having suffered only one defeat throughout the campaign.

The subsequent season of 2018/2019 proved to be equally impressive for Plymouth Parkway as they

embarked on their first Western League campaign. They secured a runner-up position in the league and the Devon St Luke's Bowl. They also clinched victory in the prestigious Les Phillips League Cup.

2020 – present

The impact of Covid-19 on sports, including non-league football, was indeed significant in 2020. The decision to curtail the 2019-20 season came as a response to the government's lockdown plans to control the spread of the virus.

Parkway, being in second place with a strong position to compete for the top spot, faced disappointment due to the sudden suspension of the season. They were just three points behind the league leaders and had three games in hand, which could have potentially led them to win the league.

However, despite the challenges faced during the season, Parkway experienced a remarkable achievement when they reached the quarter-finals of the FA Vase. Unfortunately, their journey ended with a 2-0 defeat to Hebburn Town in the competition. Despite the loss, this achievement brought national exposure and recognition to the club.

The season's events were captured on film, leading to

the production of a documentary titled "Round Our Way." This documentary gained impressive viewership figures, reaching over 50,000 views, and provided a unique insight into Parkway's journey through the challenging 2019-20 season and their historic FA Vase run.

The Yellows had a strong start to the 2020/21 season, leading the league with a 10-point margin after 13 games. However, due to the resurgence of Covid-19, the season was curtailed, and the government had no option but to enforce another lockdown.

The Football Association (FA) had plans to reshape the non-league pyramid before the season began, and following the second curtailment, they implemented the changes. As Parkway had been one of the best-placed points-per-game teams over the previous two curtailed seasons, they were awarded upward movement to the Southern League Division One South Division, which is step four of the non-league pyramid.

The Southern League adventure began with sad news that Charlie Baggott, a founder member of the football club had sadly passed away. Charlie played a crucial role in shaping the face of Bolitho Park and was a much-loved figure by everybody at the football club.

Further news was to follow ahead of the new season as Truro City would become ground-sharing neighbours following their departure from their home ground, Treyew Road. This new agreement would mark the re-development of Bolitho Park.

Bolitho Park had seen a mini redevelopment in previous years with the construction of a multi-purpose club house which provided modern amenities and facilities to the players and supporters alike. This addition not only elevated the infrastructure of the ground but also created a welcoming atmosphere for all.

The improvements extended to the playing surface, where extensive work was carried out. One of the most significant enhancements was the construction of the "Charlie Baggott stand." This 250-seater stand was aptly named after a cherished figure in the club's history, honouring the legacy of an individual who had contributed significantly to Plymouth Parkway's growth.

Further elevating the fan experience, the ground saw the addition of covers to three sides of the stadium. This provided much-needed shelter to supporters, allowing them to cheer on their team regardless of weather conditions. These additions added a new dimension to the Parkway experience, making it a more comfortable and enjoyable destination for fans. Parkway's promotion to the higher division was met with scepticism and questioning during the start of the 2021-22 season. As the season progressed, their performance in October was particularly dismal, leading to even more doubts and criticism from pundits.

However, Parkway managed to turn things around in the latter part of the season. After the Christmas period, the team seemed to find their rhythm and began performing

at their best. The players came together, and the squad started to gel, resulting in a remarkable resurgence.

This newfound momentum culminated in a historic moment for the club as they secured the league title on their very first attempt in the Southern League. Parkway managed to finish the season three points ahead of their nearest rivals, Frome Town, underlining their dominance in the league.

The historic moment was again captured on film by Parkway Media, who chronicled every thrilling moment of the remarkable season. "Round Our Way Again," immortalised the emotions and celebrations that swept through the fans and players alike. The show's popularity soared, with viewing figures again exceeding 50,000, spreading the story of Parkway's journey to glory far and wide.

Last season, the football club more than held their own in the Southern Premier South Division and after a difficult start, the club finished in the top 10 and established themselves as a step 3 footballing club. What's next? Join as at Bolitho Park and become part of the history!

It was at Barnstaple he has the best memory of his career, scoring the winner against Truro in the FA Youth Cup at Bolitho Park.

A keen Birmingham City fan, his footballing hero is Neymar. He says the best player he has ever played with is Bayo Fapetu as he knew he would keep the ball and find him in space. When playing against him he never wanted to mark him or even attempt to play against Bayo.

Off the pitch, he loves to tuck into a good pizza and unwinds by playing snooker at district league level. Even going as far as saying he loves snooker almost as much as he loves football. His chosen superpower would be invisible so he can go undetected in pockets of space and do some damage to the opposition.

Poole Town FC Wessex U13 girls

Poole Town FC Wessex U13 girls have been on an incredible journey so far. With the majority of the team having started with Poole Town from U10s. They have grown and developed magnificently both individually and as a team.

Last year, they won the Division 2 title, getting to semi finals and quarter finals of the County Cup and League Cup respectively.

This year, they have had a new challenge of playing in the top division of the Dorset Youth Football League whilst also transitioning to 11 a side football. This is something the girls are thriving with. They currently

sit 3rd in the Division One table having won 3 out of 5 games. They have made it through to the Semi final of the County cup again and are currently waiting to find out who they will face.

They really represent the club with respect, passion and pride in every performance and we know they are ones to watch. With this in mind the Ladies first team manager is always keeping an eye on their talent for when they are ready for ladies football.

This is all thanks to the brilliant female pathway we are creating at Poole Town.

**Thank you for your support, we hope
you enjoy the game today!**

Welcome to our first game of 2026 against Plymouth Parkway and especially to our visitors, we wish you a safe journey home.

What a pleasure it was to be among a sell-out crowd at Wimborne Town for the last game of 2025, seeing Poole Town win a memorable victory over local rivals. I was particularly impressed to see the team putting 'bodies on the line' with some great blocks and tackles during the last quarter of the game as we defended a 2-0 lead and Wimborne gave it a go in response. More performances like that will be very welcome as we push for promotion.

At the turn of any year, viewers are often bombarded with TV programmes looking back at the year ending and ahead to the one beginning. Commentators often try to summarise a year and characterise it in one way or another, looking ahead to key issues in the year to come.

At an individual level too, years are sometimes characterised by their major events: on the 'plus' side

are weddings, births, promotions and moves; on the 'minus' side are deaths, divorces, illnesses etc. I expect many of us recall Queen Elizabeth II referring to her "annus horribilis" in 1992.

The new year can provide an opportunity for a new start (have you made any resolutions about eating less junk food, exercising more, or something else?). But these can all-too-easily become a false dawn – we know about false dawns at Poole Town, with the history of possibilities of a new ground which have eluded us.

In some respects, one year is often much like another, with a mixture of ups and downs, highs and lows. I love the promises of the Bible that God will be there in both of these. At Christmas we celebrated the birth of Jesus, and his nickname 'Emmanuel' says it all, meaning 'God with us'. It's so great that He is.
