MANAGEMENT BLOG

Good evening ladies & gentlemen. Welcome to the Optima for tonight's game against our neighbours from Bath. Scotty and I will, I'm sure, have shared many enjoyable memories with many of those fans travelling, but friendships will have to be relaxed for 90 minutes tonight while the derby match proceeds.

The last three months have been a whirlwind as so much has happened at the club. The major news has come off the field, where I'm sure the planning permission for substantial ground improvements has not been missed by the fans. Having spent many years in the land development business, I know how difficult and time consuming such projects can be, so don't anybody underestimate what a major step forward this is for the club. I'm sure many fans will join me in giving many congratulations to the chairman and his family for this achievement.

When I first managed in the National League, clubs such as Boreham Wood, Bromley, Eastleigh and Fleetwood had achieved relatively little in their recent footballing history. Achieving major off the field developments gave them the kick start to provide their success on the grass.

MANAGEMENT BLOG

I'm sure therefore that this news bodes well and could result in an exciting period of growth in the club over the next five years.

On the field, the team that I'm working with has changed somewhat since the club first approached me in June. Scotty Rogers is now in the hot seat and his infectious smile and enthusiasm keeps us all going. Meanwhile Gary Warren is not the miserable, uncompromising centre-back I remember at Team Bath, but a knowledgeable, hard working student of the game. It's a great pleasure to work with them both.

Whilst results have generally been good, the season to date has been difficult as so many changes have been necessary. There have been a number of players leaving. There have also been complexities in respect of availability around the loans we have in place and there have been numerous long term injuries that appear to be plaguing so many clubs. Autumn is traditionally the most difficult time to get players in but we are gradually working our way through this problem and I can promise everyone that we will be stronger in the long term.

MANAGEMENT BLOG

Let's just hope that we can get something close to our best side on the pitch for the exciting cup games we are in during the next month.

Finally, a big thank you to the supporters for allowing me to travel on their coach to Eastbourne recently when I was unable to leave with the team on the previous day. I hope sometime soon we can have round two of the impromptu question and answers session!

I hope you all enjoy the game.

Yours in sport.

CAPTAIN'S COLUMN

P'nawn da a chroeso!

Good evening and welcome back to the Optima Stadium for what promises to be a lively Tuesday night under the lights. A warm welcome to everyone connected with Bath City: players, staff and supporters. We hope you enjoy your visit, just not the outcome.

Tuesday Night Football

I usually write these blogs for the Saturday home games, so credit to Rob for keeping me on my toes this week. There's something different about midweek football. The cold air, the floodlights, and that extra edge from the crowd. You can feel the tension and excitement as soon as you step out to warm up.

It has been a busy few days. Saturday's game vs Dover was a disappointing result, having dominated large spells of the game, we weren't good enough in both boxes which cost us. Fortunately for us, we move forward and the focus quickly shifts to tonight's opponents, Bath.

CAPTAIN'S COLUMN

Derby Day Feel

There's something about a derby that always sharpens the focus and adds a bit of edge. Whether it's Cardiff against Swansea, the Milan Derby, or Weston versus Bath, these games carry that extra layer of pride, rivalry and tension.

Two strong clubs with plenty of mixed history, a number of ex-players and coaches involved, and two fanbases who care deeply about the outcome.

These are the games that feel different when you're out there. The pace is quicker, the tackles are stronger, and the small details matter more. We know what this fixture means and we're looking forward to the challenge.

Squad Strength

We've had a couple of key players return this week which has given the group a lift. Popey is back from suspension and Dawesy has returned from injury.

They both bring experience, with Popey offering calmness and control, while Dawesy brings some pace and chaos, on and off the pitch. Both can play a big part in the busy period we have ahead.

Unfortunately, we lost Dan Martin during the Eastbourne game, and he'll now be out for the next few weeks. That's a blow for the group as he's been excellent, but knowing Dan, he'll be doing everything he can to get back quickly.

CAPTAIN'S COLUMN

A Word to the Fans

Diolch am ddod allan ar nos Fawrth. Thank you for coming out on a Tuesday night. We know the effort it takes, especially midweek. Whether it's straight from work, sorting the kids or braving the cold, we see it and we value it.

No matter how many of you are here tonight, your voices carry. You make a difference. That support late in games helps drive us through the difficult moments. We want to make sure we give you something to shout about again tonight.

Let's make it another strong performance and another big night at the Optima.

Diolch o galon. Thank you, as always.

BIG INTERVIEW

WITH CALLUM WOOD

BIG INTERVIEW

Hi Callum, how much are you enjoying your second spell here at Weston so far?

I've been really enjoying my time here at Weston so far. From the minute I arrived here I was welcomed into the squad nicely and gelled with the team well. It helped that I was here a couple of years ago on loan from Bristol City so I knew quite a few of the lads already.

What have you made of the team's form this season, as well as your own form on a personal level?

I've been really impressed with how well we've been doing this season so far, and how consistent we've been from back to front. I feel like we have the resilience to go on and win games which might not be going our way. We also have a great structure and mindset across the team. The whole squad has the mindset of being winners and that keeps the standards really high in training as well. We have good competition for each position which drives everyone forward and improves us week on week. We all have the goal of reaching the play-offs and the performances have shown that. When it comes to me on a personal level, I still feel like I can show more but the defensive record has shown that we are doing something right to have conceded so little in the games we have played so far. As time goes on I feel I can keep improving and keep helping the team in whichever way I can in whatever position I get put into.

BIG INTERVIEW

How does it feel to be a part of the league's tightest defence so far?

You can see how much it means to everyone when we keep a clean sheet. Because of the quality we have at the top of the pitch, we all believe we will score goals in games. We haven't had any problems with that. So by conceding so little it gives us the platform to go on and win games. It's something that we can be proud of but at the same time we know that our job isn't done until the end of the season. We have to remain consistent in our defensive block and continue to be hard to get past at the back.

BIG INTERVIEW

What are your defensive colleagues like to play alongside? What would you say are their best attributes?

The lads at the back are great players to be around. I've learnt so much from them already, and they demand such high standards which will only improve me as a player. The experience they all have is something I can learn off and it's great to be a part of and around so many talented players. We've got a good mix of young upcoming players and players that have had such incredible careers and are mentoring us young lads to improve every week.

BIG INTERVIEW

We play Bath City tonight. What sort of game are you expecting?

It's a big one for us as it's a rivalry game. But we'll just play the way that's been working for us week in and week out. We expect they'll be front footed and a hard side to break down, but I think we've got enough quality to be able to get a good result and the win. With the fans behind us making noise, it's a hard place to come to. I'm excited for the challenge.

You spent time on loan at Bath a few years ago. What are your memories of your time there?

I had a good time on loan there a few years ago. It was my first taster of football at this level and I think it's shaped me into the player I am now. I was a young lad of 18 in the defence and they put a lot of trust in me to go out there every week so I am very grateful. There are a few players there still from when I was there so it'll be nice to see how they are getting on in comparison to a few years ago.

Rogers joined Weston as Scott Bartlett's assistant in the summer of 2023. When Bartlett left Weston for Eastleigh, Rogers was appointed as manager in October 2025.

Rogers had been the manager of Tiverton Town, alongside his family member Martyn Rogers. Before being in charge at Tivvy, Scott was also player-manager at Willand Rovers. His playing career took in the likes of Forest Green Rovers, Weston, Bath City, Newport County and Tiverton, where he scored the only goal in the 1999 FA Vase Final, the penultimate played at the old Wembley Stadium.

GARY WARREN

ASSISTANT MANAGER

Gary started his career locally with the likes of Mangotsfield United and Team Bath, before joining Newport County in 2009 when the University side folded. Warren captained Newport to the Conference South title in his first season in Wales. After three successful years with The Exiles, Warren signed for Inverness Caledonian Thistle, managed by Terry Butcher. Whilst North of the Border, Warren enjoyed another successful spell as he again captained his new side in Scotland's top flight and won domestic honours. Upon returning to England, Warren had spells at Yeovil Town, Torquay United and Tiverton Town. Now retired from playing, Warren has coached at the Ross County Academy in Scotland, before becoming Weston's Academy Manager from January 2025, and first-team Interim Assistant Manager from October 2025.

NLS ROUND-UP

Following last Saturday's latest round of National League South results, the main talking point was Torquay United's 7-0 dismantling of beleaguered Eastbourne Borough.

The Sports finished third last season and were denied promotion after their play-off semi-final defeat to Maidstone, but this season they find themselves languishing in 23rd place.

At Plainmoor, The Gulls scored their secen following a Louis Dennis hat-trick and two each from Jordan Young and ex Weston loanee, Dylan Morgan.

Eastbourne manager Tommy Widdrington admitted afterwards that he was “embarrassed” and Eastbourne have since confirmed that the 45 travelling supporters will be offered a refund for their admission costs.

As well as the aforementioned Morgan, there were two other ex Seagulls who found the net in Saturday's National League South action. Noah Coppin scored Salisbury's first in their extremely impressive 3-0 home win over Chelmsford City, while Jordan Tillson scored a marvellous, last-minute winner for tonight's visitors Bath City in their win at Hampton & Richmond.

Elsewhere, Chippenham picked up only their second victory of the season following their vital 1-0 win over Tonbridge Angels at Hardenhuish Park. Anointed Chukwu scored the only goal to earn a huge three points.

Worthing are the team in form right now, and the return of manager Adam Hinshelwood has seen The Rebels climb up to third after their seventh straight league win following the 2-1 victory in the ‘Rebels derby’ at Slough Town. The prolific Brad Dolaghan scored a brace in the win in Berkshire.

It turned out to be a good day for the Hinshelwoods, as Adam's son Jack scored the winner in Brighton & Hove Albion's 2-1 Premier League victory over Brentford.

BATH CITY FC- 'THE BOSS'

Darren Way was appointed Romans manager in December 2024. After coming up through the youth ranks with Norwich City he spent the majority of his playing career with Yeovil Town. He was a vital part of the Glovers side who won promotion to the Football League in 2005. In January 2006 he joined Swansea City but his time in Wales was beset with injuries and he returned to Somerset in the summer of 2008. However, in December that year he was involved in a serious car accident and in February 2010 he announced his retirement having made well over 250 appearances for the club.

During his recovery he had carried out coaching and scouting roles for Yeovil and he was appointed officially to the coaching staff after hanging up his boots. After five years as first team coach, during which team the team climbed to the Championship, in December 2015 he was put in temporary charge of the side then, after six games, made the permanent manager. He spent three years in charge at Huish Park but in March 2019, with the club facing relegation, he was sacked. In December 2019 he joined Plymouth Argyle as Under-18 manager and would spend three and half years with the Devon club before joining Fleetwood Town as assistant to former Yeovil teammate Lee Johnson. Johnson was sacked in December 2023 and Darren also departed the League One club.

BATH CITY FC - FOUR TO WATCH

BATH CITY FC

Midfielder **Will Jenkins Davies (top left)** signed for City in June 2025. He joined the Plymouth Argyle Academy at Under-9 level and worked his way through the youth ranks before signing a first professional contract in October 2021. In July 2023 he joined Torquay United on a season long loan. He was released by the Pilgrims following the 2024/25 season and City moved quickly to secure his services. Will has also represented Wales at U16, U17 and U18 level.

Striker **Owen Windsor (top right)** joined City at the end of October 2025. After playing at youth level for Swindon Town and Southampton he began his senior career with Cirencester Town in 2018. He impressed sufficiently to be offered a two-year contract with West Bromwich Albion in June 2019. He spent loan spells with Cirencester, Taunton Town, Grimsby Town, Newport County and Grimsby Town before being released at the end of the 2021/22 season. He joined Chippenham Town in February 2023, then moved onto Chester in November that year. Short spells with Marine and Leek Town followed before he headed to Australia to play for MetroStars.

Forward **Jordan Alves (bottom left)** signed for City in July 2024 from Westfield FC of the Isthmian South Central League. Originally part of the Academy set up with Reading he began his senior career with Hartley Wintney before joining Basingstoke Town in December 2019. He also featured for Reading City on a dual-registration deal, then in September 2020 joined Thatcham Town. Jordan moved onto North Leigh in July 2021 before returning to the Kingfishers in January 2023. In November 2023 he moved on to Westfield where he scored 15 goals in 37 appearances.

Striker **Brad Ash (bottom right)** initially joined City on loan from Torquay United in December 2024. He began his career with Weston, where 14 goals in as many games earned him a move to League One side Barnsley in January 2016. He returned on loan to Weston in September 2016 where he continued to regularly find the net. The start of the 2017/18 season saw another loan deal seeing him head to Boreham Wood. An injury in pre-season sidelined him for the whole season but he signed permanently for the Wood the following summer on his release from Barnsley. He spent another loan spell with Weston during the 2018/19 season. Following his time with Boreham Wood he played for Hereford, Chippenham Town and Weymouth. Twenty-four goals for the Terras during the 2022/23 season saw him head along the south coast to join Torquay United. He was released in May 2025 and joined City permanently the following month.

ON THIS DAY

Saturday 25th November 2023: Dover Athletic 0-1 Weston-super-Mare

The Weston team travelled to Kent on the Friday afternoon ahead of their longest trip of the season to Dover Athletic.

The overnight stay proved to be worth it as The Seagulls left Crabble Stadium with all three points courtesy of Dayle Grubb's first-half winner after being superbly set up by birthday boy, Jordan Bastin.

Dover posed more of a threat in the second-half but Harry Lee, playing in his final game for Weston, kept the Kent side at bay.

Saturday 25th November 2017: Welling United 0-1 Weston-super-Mare

The Seagulls were also in Kent eight years ago to the day as they visited Welling United for an FA Trophy Third Qualifying Round tie.

Grubb was this time the provider as he set up Gethyn Hill for a 47th minute winner at Park View Road.

And once again, The Seagulls had their shotstopper to thank for the victory as Luke Purnell made some magnificent saves as The Wings piled on the pressure.

The win saw progress to the First Round where Weston won at Chesham United, before being knocked out in a Second Round replay (back when replays were a thing) at Workington Town.

COMMUNITY NEWS

Seagulls in the Community, the official charity of Weston-super-Mare AFC, has welcomed Sally Kingston to the team as its new Community Engagement Manager.

Sally will be responsible for building partnerships with local organisations, schools and community groups, developing new projects that meet community needs, and supporting the financial sustainability of the charity. She will oversee and grow The Dugout youth club, work to expand community access to facilities at the Optima Stadium, and lead on new fundraising initiatives. Sally will work closely with charity trustees Bridget Bolland, Andy Kynaston, Oli Bliss and Alex Crowther.

She most recently worked as Physical Activity Coordinator at Voluntary Action North Somerset, where she led the delivery of the Go4Free scheme in partnership with North Somerset Council. The two-year programme increased participation in physical activity among groups who were typically less active, including individuals living with long-term health conditions and disabilities.

COMMUNITY NEWS

Her earlier career included work with North Somerset Council and the University of Bristol. Prior to this, Sally spent more than 20 years at Lloyds Banking Group in various roles, including business analysis and project delivery. When Sally is not working for the club, she is a mobile personal trainer, supporting women to improve their fitness and health. Sally has a BSc (Hons) degree in Sport, Fitness and Coaching and when she has time, you can find her playing Padel Tennis, (a tennis and squash cross game and widely regarded as one of the fastest growing sports in the world).

Speaking about the appointment, Alex Crowther, Director of Operations at Weston-super-Mare AFC and Trustee of Seagulls in the Community, said: "Sally is exactly the right person to help us take the next steps. She knows the community incredibly well and has already made a real difference through her previous work. I'm looking forward to her building on the momentum created by Andy Kynaston over the past 12 months - I'm really pleased Andy will be continuing with the charity as a trustee and our safeguarding officer."

Sally added: "I'm thrilled to be joining the club at such an exciting time. This is a fantastic opportunity to strengthen our connection with the local community and work together to make a real difference. By supporting local groups to improve health and wellbeing, we can create a positive impact that extends far beyond the pitch."

Since relaunching in 2023, Seagulls in the Community, the official charity of Weston-super-Mare AFC, has grown rapidly and continues to make a positive impact in Weston. Its projects include the Dugout Youth Club, Sport in Mind football and Friendship Friday groups. The organisation has raised funds for multiple local charities, has been named the Mayor's Charity of the Year 2025/26, and proudly works with Weston Ability to help ensure football is accessible to everyone.
