MANAGER NOTES

NEAL ARDLEY

Good afternoon and welcome to everyone from AFC Bournemouth.

As you know our last two friendlies prior to this have given us some real challenges.

Against Spurs on Saturday we had to conquer a high press and high line from the opposition which we executed well in the first half.

In the second half Spurs had an older stronger team and the challenge was different working hard without the ball.

Fulham in midweek really showed us that if you don't work together as a

team, play with intensity, communicate and track runners you will get exposed.

What was pleasing in the second half was the pride the team showed to take the challenge we set at half time and nearly turn the game on its head.

Bournemouth will, I've no doubt, set us new challenges, so hopefully we can learn more about the group whilst completing our pre season.

Enjoy the game

IN SAFE HANDS

As a reminder, it is our goal to ensure that all supporters feel safe and welcome at the Laithwaite Community Stadium. To that end, on 11 December 2021, the Club launched the “In Safe Hands” programme to help our fans report racist, sexist, homophobic, or other abusive language simply and anonymously.

If you hear any abusive language, experience it yourself or if you or someone you see feels / looks threatened, you can text the Club anonymously and the message will be monitored by our Safety Officer during the match. Simply text WFC (followed by the nature of your concern and location) to 66777 and we will address your concerns. Example: If you hear racial abuse whilst sitting in the KRE, please send the following text to 66777: “WFC racial abuse centre section of KRE.”

GREAT PLACES TO PLAY

AHEAD OF THE GAME

Woking vs Bournemouth XI

Pre-Season Friendly

Saturday 2nd August 2025

15:00 Kick-Off

Woking round off their pre season preparations with the visit of a Bournemouth XI to the Laithwaite.

Following Tuesday night's entertaining 3-2 defeat against a strong Fulham U21s side, Neal Ardley's men will hope to put in a solid performance with the visit of Carlisle just a week away. There should be competition for places after both games last week effectively worked as 90 minutes each for a host of players, whilst the only notable absentees will be Will Jaaskelainen and Dale Gorman.

If you haven't seen the Cards yet in pre season, come down to the Laithwaite and have a look at the new signings ahead of the campaign!

Opposition Watch

The Bournemouth development squad will likely consist of a mix of the side that were Professional

Development League winners last season, as well as some younger academy players. Several players have either been in and around the first team squad or out on loan, mostly at clubs such as Weymouth or Poole Town, whilst they have recently been to Spain on a training camp.

An emphatic 8-0 win over Real Murcia B will ensure plenty of confidence ahead of their trip to the Laithwaite, with Dominic Sadi and Balraj Landa both starring after netting a hat trick each. Other pre season results include a narrow defeat to Eastleigh and a 6-1 thumping of local side Bashley,

ACADEMY

The Woking FC Academy has been operating in its current format for over a decade with the aim of helping talented young footballers make progress into the club's first team set up or in their sporting careers whilst continuing with their academic studies.

For the 2025/26 season, the youth and academy setup runs in three stages; a pre-academy for six to nine-year-olds, a youth academy for nine to 16-year-olds, and a full-time academy for talented young players above the age of 16, including an education plan.

The Academy works with the Football Club's partner charitable and community organisation, Cardinals in the Community (CITC).

Notable academy graduates in recent history include Woking legends Craig Ross and Joe McNerney, Wrexham's Ollie Palmer, and ex-Chelsea and now-Reading's Jayden Wareham.

PRE-ACADEMY

The Pre-Academy is for the very youngest players, covering U7s, U8s and U9s. Meeting once a week, players train and learn in a fun and friendly environment under the watchful eye of our coaches. Players that show real talent have the opportunity to progress to Woking FC Academy Youth.

The Pre-Academy trains at The Winston Churchill School in Woking, Thursdays, 17:00 - 18:00.

YOUTH ACADEMY

Starting with U9s and progressing through the age groups right up to U16s, players train with our Academy coaches and have the opportunity to play competitively in the Junior Premier League. Training is held twice weekly at CITC's sports hub, within the grounds of Woking College, and matches are played on Saturdays. At this level, players are able to continue playing for their grassroots clubs.

As with the main Academy, players receive a progress report twice per season, which helps identify areas of their game to work on and improve. U16s players are assessed throughout the season with a view to being invited to join Woking FC Academy.

WOKING FC ACADEMY

Woking FC Academy is a National League licensed academy. We aim to develop each and every player to reach their full potential, instilling ambition and a professional attitude. We work as closely as possible to Category 3 Academy standards, creating a professional environment in which players thrive.

Players train 5-6 hours per week at CITC's sports hub. Their development is supported by video analysis of training and matches, group workshops and strength and conditioning sessions. One-to-one reviews are held twice every season, along with player reports so that both the coaching staff and the players themselves have a clear focus on individual development.

Woking FC Academy plays competitive matches in the U18 Isthmian League, U19 National League and also have the opportunity to play in U23 fixtures. Players in our Elite Development Plan (EDP) compete in the Tactic League and National B League. Cup competitions are a feature of the fixture calendar. Pre-season training includes friendlies and there are opportunities to travel abroad for football tours and tournaments, including the Gothia Cup.

Our football timetable is planned in conjunction with players' education. Academy players can

choose to attend Woking College or focus on gaining the NCFE Level 3 Extended Diploma in Sport, which is delivered by SCL Education at Westfield FC. Players on the EDP pathway study towards the NCFE Level 3 Extended Diploma in Sport (equivalent to 3 A levels) with SCL.
