WOKING FC REMEMBERS

BRUCE SIMPSON 1962 - 2025

Bruce was known to many at Woking and came to both home games and many away fixtures. Along with good friend Dave Taylor he had a particular liking for the northern fixtures and they would make a weekend of it. Dave recalls him dressing as a Cardinal at Gateshead and for a home game. He held kit man Malcolm Jobling in high regard and would always pop his head round the door of the kit room as he exited the ground to say hello

Bruce passed away in May 2025 and will be always remembered by his friends and family

CHRIS JEVONS 1959 - 2025

Middlesbrough based Chris was a football fanatic with a particular love for the non-league game and the Cards were one of his adopted teams. Weekends would see him travel the length and breadth of the country to follow his obsession. Friend Craig Westwood remembers him finishing work early to drive to Southend for an important Woking midweek match and then home for work the next day – a round trip of 500 miles!

Last season Chris got to over 100 games and his programme collection had expanded to over 2000 and Craig is sure, had he still been with us that Chris would be looking forward to another season following the Cards as much as he could

RIP Chris Jevons

SHAUN WOODS 1943 - 2025

WOKING PLAYER

Shaun was a former player who is fondly remembered by our older generation of fans who remember him from the 1960's. Geoff Chapple recalls 'Sean wore the number 11 shirt, and his left foot was a magic wand. He was a tremendous winger (in the old sense) and his ball control and balance was absolutely phenomenal . He made nigh on 250 League & Cup appearances for Woking, scoring over 100 goals - absolutely fantastic . Sean was a really lovely guy and will be sadly missed.'

Grandson Tom comments that Shaun was always proud to have represented the club and there were many happy memories – it was a source of great pride. Geoff Chapple organised a visit for Shaun in our 2019 promotion season to a match and to meet Alan Dowson's team

Our condolences and best wishes are extended to Shaun's wife Pauline, children and grandchildren. Today we are joined by a number them as we remember a former Cardinal.

MANAGER NOTES

NEAL ARDLEY

Good afternoon and welcome to everyone from Gateshead for today's fixture.

The atmosphere at the York game was immense from you guys and you really helped the team push through the fatigue.

Since then the performances have been full of energy, belief and discipline and we will try to continue that today. Keep the noise going, it makes such a difference.

IN SAFE HANDS

As a reminder, it is our goal to ensure that all supporters feel safe and welcome at the Laithwaite Community Stadium. To that end, on 11 December 2021, the Club launched the "In Safe Hands" programme to help our fans report racist, sexist, homophobic, or other abusive language simply and anonymously.

If you hear any abusive language, experience it yourself or if you or someone you see feels / looks threatened, you can text the Club anonymously and the message will be monitored by our Safety Officer during the match. Simply text WFC (followed by the nature of your concern and location) to 66777 and we will address your concerns. Example: If you hear racial abuse whilst sitting in the KRE, please send the following text to 66777: "WFC racial abuse centre section of KRE."

AHEAD OF THE GAME

Woking vs Gateshead

Enterprise National League

Saturday 6th September 2025

15:00 Kick-Off

Woking's first September home game comes with the visit of Gateshead to the Laithwaite Community Stadium, as Neal Ardley's side hope to build on two solid away performances.

The Cards will have to do it without Sam Ashford, who suffered a bad injury on Wednesday night, but they will welcome back Aiden O'Brien, who missed the trip to Halifax due to his wife giving birth. There were positive signs as Will Jaaskelainen warmed up at the Shay, whilst Matt Ward returned to the bench which gives Ardley another attacking option.

OPPOSITION WATCH

After a fairly poor end to last season, Alun Armstrong has taken the reins at the Heed and has seen his side win three, lose three and draw once. No team has conceded more than the 16 shipped by the Heed defence, whilst they've collected six points in three games on the road despite shipping four at Rochdale and three at Yeovil. New signing Curtis Edwards is a name vastly popular in GU22 after his stint

under Michael Doyle, and adds experience to a squad with plenty of names on paper. Dom Telford has had a barren few years after netting 26 times for Newport in 2021/22, whilst Harry Chapman and Frank Nouble have both had distinguished EFL careers.

The Heed lost a few players in the summer including of course Timmy Akinola to the Cards, with Greg Olley moving to York as well. They will be hoping for some consistency and stability after a rollercoaster couple of years in which managers and players have been and gone out of the revolving door.

AROUND THE GROUND

Tickets are available to buy as always on Fanbase, whilst there is an offer on drinks after the game as the Cardinals Bar will show England vs Andorra.

ONE TO WATCH

England C man Kenton Richardson is still only 26, yet carries plenty of experience at the back for Gateshead, and has stayed put in the North East despite previous interest.

ACADEMY

The Woking FC Academy has been operating in its current format for over a decade with the aim of helping talented young footballers make progress into the club's first team set up or in their sporting careers whilst continuing with their academic studies.

For the 2025/26 season, the youth and academy setup runs in three stages; a pre-academy for six to nine-year-olds, a youth academy for nine to 16-year-olds, and a full-time academy for talented young players above the age of 16, including an education plan.

The Academy works with the Football Club's partner charitable and community organisation, Cardinals in the Community (CITC).

Notable academy graduates in recent history include Woking legends Craig Ross and Joe McNerney, Wrexham's Ollie Palmer, and ex-Chelsea and now-Reading's Jayden Wareham.

PRE-ACADEMY

The Pre-Academy is for the very youngest players, covering U7s, U8s and U9s. Meeting once a week, players train and learn in a fun and friendly environment under the watchful eye of our coaches. Players that show real talent have the opportunity to progress to Woking FC Academy Youth.

The Pre-Academy trains at The Winston Churchill School in Woking, Thursdays, 17:00 - 18:00.

YOUTH ACADEMY

Starting with U9s and progressing through the age groups right up to U16s, players train with our Academy coaches and have the opportunity to play competitively in the Junior Premier League. Training is held twice weekly at CITC's sports hub, within the grounds of Woking College, and matches are played on Saturdays. At this level, players are able to continue playing for their grassroots clubs.

As with the main Academy, players receive a progress report twice per season, which helps identify areas of their game to work on and improve. U16s players are assessed throughout the season with a view to being invited to join Woking FC Academy.

WOKING FC ACADEMY

Woking FC Academy is a National League licensed academy. We aim to develop each and every player to reach their full potential, instilling ambition and a professional attitude. We work as closely as possible to Category 3 Academy standards, creating a professional environment in which players thrive.

Players train 5-6 hours per week at CITC's sports hub. Their development is supported by video analysis of training and matches, group workshops and strength and conditioning sessions. One-to-one reviews are held twice every season, along with player reports so that both the coaching staff and the players themselves have a clear focus on individual development.

Woking FC Academy plays competitive matches in the U18 Isthmian League, U19 National League and also have the opportunity to play in U23 fixtures. Players in our Elite Development Plan (EDP) compete in the Tactic League and National B League. Cup competitions are a feature of the fixture calendar. Pre-season training includes friendlies and there are opportunities to travel abroad for football tours and tournaments, including the Gothia Cup.

Our football timetable is planned in conjunction with players' education. Academy players can

choose to attend Woking College or focus on gaining the NCFE Level 3 Extended Diploma in Sport, which is delivered by SCL Education at Westfield FC. Players on the EDP pathway study towards the NCFE Level 3 Extended Diploma in Sport (equivalent to 3 A levels) with SCL.
