IN SAFE HANDS

As a reminder, it is our goal to ensure that all supporters feel safe and welcome at the Laithwaite Community Stadium. To that end, on 11 December 2021, the Club launched the "In Safe Hands" programme to help our fans report racist, sexist, homophobic, or other abusive language simply and anonymously.

If you hear any abusive language, experience it yourself or if you or someone you see feels / looks threatened, you can text the Club anonymously and the message will be monitored by our Safety Officer during the match. Simply text WFC (followed by the nature of your concern and location) to 66777 and we will address your concerns. Example: If you hear racial abuse whilst sitting in the KRE, please send the following text to 66777: "WFC racial abuse centre section of KRE."

AHEAD OF THE GAME

Woking vs Forest Green

Enterprise National League

Saturday 20th September 2025

15:00 Kick-Off

Woking host an unbeaten Forest Green Rovers at the Laithwaite hoping to get back to winning ways following heartbreak last time out at Yeovil Town.

There were positives, however, from Tuesday night's National League Cup victory over Southampton U21s, including a first goal for Josh Kelly and a return between the sticks for Will Jaaskelainen. With Tom Norcott having extended his loan until mid November, the goalkeeping department is looking strong.

The main dilemma for Ardley will be whether to bring in Jake Forster-Caskey or Tim Akinola for this fixture, seeing as Woking will probably have less of the ball than FGR, and he's also waiting on the fitness of Josh Osude, who went off at Yeovil with an injury.

OPPOSITION WATCH

Robbie Savage surprised many when he left Macclesfield (a club he co owned) to progress his management career and set up shop in Nailsworth. It's fair to say that it's been a resounding success so far.

One of only three unbeaten clubs, and the only one of those to have played nine games, Rovers currently sit second having scored 16 times and conceded just five, including away wins at Halifax and

Morecambe. The goals have been shared around, with three players on three each, and only Solihull on opening day have managed to score more than once against FGR.

Savage was in the headlines this week for making four substitutions in the opening minute against Wolves Academy in the National League Cup, but still managed to get a 3-2 win, showing all is going well at the New Lawn right now.

AROUND THE GROUND

Tickets are available on Fanbase via the link [here](#).

With upcoming away games at Boreham Wood and Solihull Moors, make sure you book yourself onto the Cards Trust Supporters Coaches for these fixtures by visiting their website or contacting Adam Bowyer.

Supporter Liason Group members will be by the Fan Wall after the game, so make sure to share any ideas or feedback with them and stop for a chat.

ONE TO WATCH

A player who had EFL interest in the summer, winger Kyle McAllister has three goals to his name already this season, and scored last year in this fixture at the Laithwaite.

ACADEMY

The Woking FC Academy has been operating in its current format for over a decade with the aim of helping talented young footballers make progress into the club's first team set up or in their sporting careers whilst continuing with their academic studies.

For the 2025/26 season, the youth and academy setup runs in three stages; a pre-academy for six to nine-year-olds, a youth academy for nine to 16-year-olds, and a full-time academy for talented young players above the age of 16, including an education plan.

The Academy works with the Football Club's partner charitable and community organisation, Cardinals in the Community (CITC).

Notable academy graduates in recent history include Woking legends Craig Ross and Joe McNerney, Wrexham's Ollie Palmer, and ex-Chelsea and now-Reading's Jayden Wareham.

PRE-ACADEMY

The Pre-Academy is for the very youngest players, covering U7s, U8s and U9s. Meeting once a week, players train and learn in a fun and friendly environment under the watchful eye of our coaches. Players that show real talent have the opportunity to progress to Woking FC Academy Youth.

The Pre-Academy trains at The Winston Churchill School in Woking, Thursdays, 17:00 - 18:00.

YOUTH ACADEMY

Starting with U9s and progressing through the age groups right up to U16s, players train with our Academy coaches and have the opportunity to play competitively in the Junior Premier League. Training is held twice weekly at CITC's sports hub, within the grounds of Woking College, and matches are played on Saturdays. At this level, players are able to continue playing for their grassroots clubs.

As with the main Academy, players receive a progress report twice per season, which helps identify areas of their game to work on and improve. U16s players are assessed throughout the season with a view to being invited to join Woking FC Academy.

WOKING FC ACADEMY

Woking FC Academy is a National League licensed academy. We aim to develop each and every player to reach their full potential, instilling ambition and a professional attitude. We work as closely as possible to Category 3 Academy standards, creating a professional environment in which players thrive.

Players train 5-6 hours per week at CITC's sports hub. Their development is supported by video analysis of training and matches, group workshops and strength and conditioning sessions. One-to-one reviews are held twice every season, along with player reports so that both the coaching staff and the players themselves have a clear focus on individual development.

Woking FC Academy plays competitive matches in the U18 Isthmian League, U19 National League and also have the opportunity to play in U23 fixtures. Players in our Elite Development Plan (EDP) compete in the Tactic League and National B League. Cup competitions are a feature of the fixture calendar. Pre-season training includes friendlies and there are opportunities to travel abroad for football tours and tournaments, including the Gothia Cup.

Our football timetable is planned in conjunction with players' education. Academy players can

choose to attend Woking College or focus on gaining the NCFE Level 3 Extended Diploma in Sport, which is delivered by SCL Education at Westfield FC. Players on the EDP pathway study towards the NCFE Level 3 Extended Diploma in Sport (equivalent to 3 A levels) with SCL.
