MANAGER NOTES

NEAL ARDLEY

Good afternoon and welcome to Jimmy Ball and everyone associated with AFC Totton.

Firstly I'm writing this on the back of the excellent 3-1 victory against Carlisle. A credit to the boys and the work they're putting in to go there and put an accomplished performance in like that. On the back of the win v Brackley and ten days off, the boys kept the focus to deliver a very good away performance.

Onto today and what is always a big competition for all clubs at this level. As always this is a tough game and we need to manage the travel and recovery from Wednesday to put in a high level of performance if we are going to progress.

Enjoy the game.

Neal Ardley's Woking side made the mammoth trip to Brunton Park to face a Carlisle side who, like the Cards, were unbeaten in nine. Ardley named an unchanged starting eleven from the win over Brackley Town, with the only changes coming on the bench as Mikey Verga replaced Craig Ross and Matt Ward came in for Tariq Hinds.

Managed by Mark Hughes, Carlisle lined up with Regan Linney and Chris Conn-Clarke leading the threat, while Luke Armstrong was among the substitutes after scoring in the reverse fixture back in August.

The hosts nearly struck inside thirty seconds when Junior Luamba teed up Conn-Clarke, whose effort came back off the inside of the post. Woking weathered the early pressure before growing into the game, with Kelly and Sanderson both testing the target.

Carlisle took the lead after 25 minutes when a loose Beautyman pass sent Luamba through on goal and he fired high past Jaaskelainen. The Finn kept Woking in it soon after, denying Macadam and Linney, who blazed over when well placed.

With half time approaching, Jamie Andrews produced a moment of magic, smashing a sublime long-range effort off the crossbar and in to level the scores. Carlisle were rocked and moments later Kelly raced clear but dragged his shot wide.

Woking completed the turnaround before the break as poor defending allowed Tunji Akinola to pounce and beat Breeze from close range.

Half-Time: Carlisle United 1-2 Woking

Carlisle came out with intent after the interval but Woking stood firm, dealing confidently with set pieces and deliveries. Kelly missed a golden chance to seal it midway through the half, pulling wide after ghosting into the box.

As the home crowd grew restless, Woking continued to frustrate the hosts. Deep into added time, a long ball from Jaaskelainen was controlled and finished coolly by Aiden O'Brien, sealing a memorable win for the 34 travelling supporters.

A deserved victory at a ground where few have succeeded, extending Woking's unbeaten run to ten.

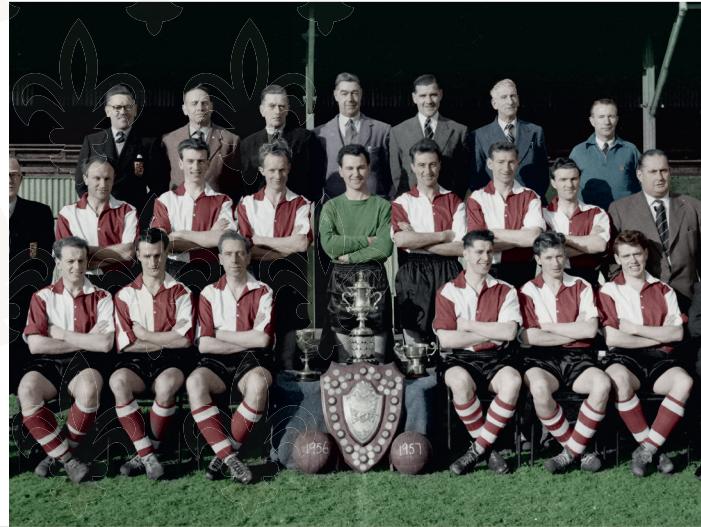

Woking: Jaaskelainen, Drewe, Okoli, Tunji Akinola, Odusina (Turner 90), Richards, Timmy Akinola, Andrews, Beautyman (O'Brien 79), Sanderson (Boatswain 49)

Unused subs: Verga, Ward, Osude

Goals: Andrews 43, Tunji Akinola 45+2, O'Brien 90

Player of the Match: Timmy Akinola

Attendance: 5,264 (34 Woking fans)

WOKING HISTORY

IT'S BEEN A GAME OF TWO HALVES

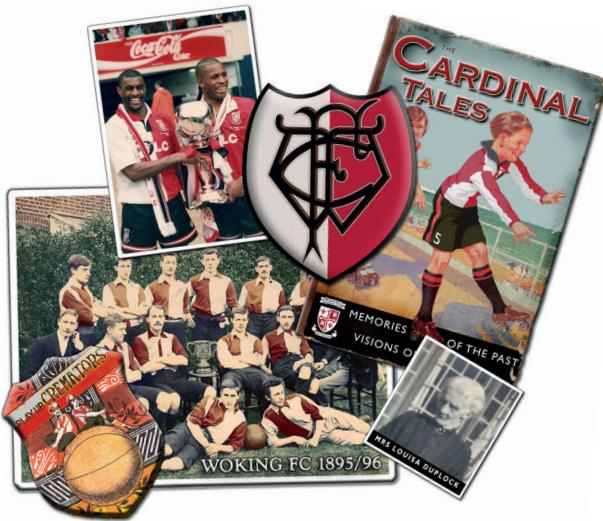

The Cardinal Tales by Mark Doyle

The Cardinals are fortunate to have one of the most distinctive playing strips in England and this season's home shirt takes another modern twist to our beloved halves with the addition of the fleur-de-lis incorporated into the background of the red half. The fleur-de-lis is taken from the first and fourth quarters of the Woking crest from the Beaufort family, owners of the Woking Manor from 1416. Have our famous cardinal and white halves, one half of which spawned our nickname, always been so quirky, how long have they been around and what's their Cardinal Tale?

Woking FC started its existence after holding a public meeting at The Railway Hotel (The Sovereigns) in October 1887. So, on the afternoon of November the 5th 1887 Woking played their first ever match, against Chertsey on the Wheatsheaf, the players changed in the Wheatsheaf Hotel and drew water from

the Hotel well to bathe. Although our first run out was in red and white – it wasn't halves that appeared – but stripes. The kit in which the fledgling club started off this 138-year footballing journey was likely to have been a handed down strip of red and white stripes. The change to our now iconic cardinal and white halves was to come very soon after, cardinal was a popular colour of the time and the halved design layout was common in Victorian England, being heavily influenced by our public-school system.

Being a southern club following the Amateur gentleman's footballing code our shirts in those early days were often a mix and match affair, with the players providing their own shorts and socks. On occasions Woking teams often sported fully halved, harlequin halved, quartered or all white with cardinal trimmed shirts all in the same match day team. Club

badges on the shirt were to first appear briefly in 1908, when the wife of the club's assistant Secretary Mrs Louisa Duplock of Horsell, hand sewed a black monogrammed "TWFC" badge on to the pockets of our shirts to commemorate Woking's great achievement in reaching the FA Cup first round against Bolton Wanderers, incidentally Mrs Duplock's relatives still follow the Cards to this day. Monogrammed badges were to briefly reappear in the 1920s. Permission was specially granted from Woking Urban District Council for the club to use our present day town crest in the early thirties, but it wasn't until 1958 that the town's crest actually appeared on our shirts, courtesy of the Council awarding the club badges for our player's shirts and a Woking town flag in recognition of the prestige bestowed upon the town by winning the FA Amateur Cup in April 1958.

There have never been any hard and fast rules on how the Woking shirt should be presented, but predominantly from 1887 to present day our shirts have been harlequin, i.e. alternate cardinal and white front and back halved shirts with "dark" (note not black) shorts and socks, with there being a very slight preference on the cardinal half being on the right hand side as you look at the front of the shirt. The earliest officially written specifications from

early 1930s members handbooks are cardinal and white halved shirts with dark blue shorts and this patriotic red, white and blue colour combination was predominant from after the Great War until around 1950, this was also the last occasion that our shirts were displayed as harlequin cardinal and white quarters – a combination which proved quite popular during our earlier years. The halves took an enforced break from November 1964, they were seen as old fashioned, often more difficult to source and back in earlier times by the end of a season the cardinal would quite often run into the white half, often leaving us with magenta and pink halves. The official reason for ditching the iconic halves was that it was thought that they would be difficult to see under our new floodlights – in 1964 amongst the first in non-league football – luckily, we saw the light and the halves were to return. Black first appeared on our halved shirt in 1985/86 (on the collar) and returned to our collars when the halves returned permanently in 1993 (apart from the awful off the shelf Rotherham style kit of 2002). Although black didn't appear on the 1995/96 shirt and occasionally after, it now appears to be a pretty regular feature on our ever-evolving halved shirts, with quirky variations being the rather attractive swirling halved shirts from 2012 to 2014 bringing our halves into our third century of existence.

MEET THE BOSS

Jimmy Ball

Jimmy Ball joined the Stags from EFL League Two side Stevenage, where he was Assistant Manager to Paul Tisdale from January 2022. Previously Interim Manager at Forest Green Rovers, he led them to the League Two Play Off semi finals after coaching their Under 18s. Son of World Cup winner Alan Ball, Jimmy came through the youth systems at Exeter City and Southampton before moving into coaching. His career includes roles at Portsmouth, Shelbourne, and academies at Blackburn Rovers and Stoke City. At AFC

Totton, he oversees football operations and led the First Team to a historic 2022/23 treble.

ONE'S TO WATCH

Scott Rendell

Centre forward Scott has represented 17 clubs during a 20 year playing career that began at Staines Albion, before three spells with Aldershot Town. He scored Forest Green Rovers' first professional goal and later netted 22 goals for Cambridge United, returning again to score 13 league goals in 2008/09. After successful periods with Woking and Aldershot, he helped Havant and Waterlooville to an eighth place finish. His 28 goals fired AFC Totton to the 2022/23 title, reaching 50 goals by October 2023.

ONE'S TO WATCH

Ralph Vigrass

Ralph Vigrass is an energetic left sided forward or winger who has impressed over the past two seasons with Bracknell Town and Walton and Hersham. His strong finish to the 2023/24 campaign helped fire Bracknell into the play offs, where his pace, aggression and willingness to take defenders on caught the eye. Those performances earned him a move to National League side Dagenham and Redbridge. During a 2024/25 loan spell at Walton and Hersham, he scored against AFC Totton. Stags manager Jimmy Ball says he has long admired Vigrass and believes he fits the club's style perfectly.
