# MATCH ACTION

SATURDAY 13TH DECEMBER 2025

**WOKING**

Boatwain (15', 29')

**2**

VS

**AFC TOTTON**

**Woking hosted National League South side AFC Totton, and two goals on the day from on loan striker, Ashley Boatswain, were enough to put the Cards into the hat for the FA Trophy next round.**

The Ipswich loanee got his first after Jake Forster-Caskey's free-kick bobbed around the box and he tucked it home to put us ahead. His second was another poachers finish, as an Aiden O'Brien shot from outside the box, was parried into his path to tuck it home.

#### **Half Time: Woking 2-0 AFC Totton**

A professional performance in the second half saw the Cards go on to create further chances, but the score stayed the same until the end. The visitors didn't test starting goalkeeper Craig Ross, who had nothing to do in the second 45 minutes. Joshua Osude

and Tariq Hinds came closest, with Boatswain close to a hat-trick as well.

Overall the Cards will be satisfied with a comfortable win and keep the unbeaten streak alive, now making it 11 games.

**Woking:** Ross, Richards, Okoli (C), O'Brien, Ward, Osude (Kelly '74), Hinds, Tunji Akinola, Turner, Boatswain, Forster-Caskey ('77 Andrews)

**Unused substitutes:** Jaaskelainen, Drewe, Odusina, Beautyman, Tim Akinola

**Goalscorers:** Boatswain '15, '29

**Player of the Match:** Ashley Boatswain

**Attendance:** 1,020 (45 away).

# WOKING HISTORY

## TOSHACK ALL STARS ARE TOO MUCH FOR THE PLUCKY CARDS

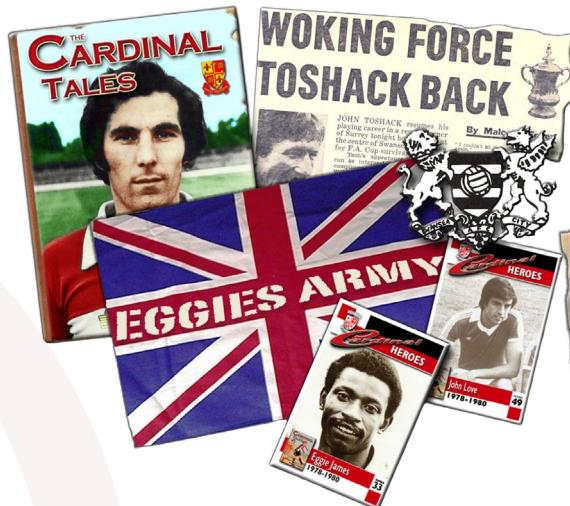

The Cardinal Tales by Mark Doyle

**Tuesday 19 December 1978**  
**F.A Cup 2nd Round Replay**  
**Woking 3 Swansea City 5 after extra time**  
**Attendance: 6,500**

Forty-seven years ago tomorrow, the United Kingdom was crippled by the strikes of the "Winter of Discontent", with the dead not being buried and dustbins going un-emptied. Meanwhile the Cardinals had two fine strikers of their own, in Eggy James and Alan Morton absorbed in the glory of the F.A Cup against Division Three high-flyers Swansea City. Woking manager Fred Callaghan had built an impressive side and fortunes, which had been in the doldrums since the late nineteen fifties, were at last turning in the Cards favour. John Toshack had been appointed as player manager on St. David's Day 1978, when John Travolta was strutting his stuff in "Grease", petrol was 76p per gallon (that's 17p per litre folks!) and the technological miracle Space Invaders was starting to hit the

streets. The former Welsh International had brought together a star-studded array of his former Liverpool teammates to South Wales, including the likes of Tommy Smith, Phil Boersma and Ian Callaghan. So, it was some achievement for the Isthmian League part-timers from leafy Surrey stockbroker belt, who had qualified for the Second Round for the first time in our history, to attain a deserved 2-2 draw with goals from John Love and Derek Cottrell at the Vetch Field the previous Saturday.

The atmosphere at a packed Kingfield at kick-off time for the replay was absolutely electric, it was so cold that you could actually see the steam rising from the crowd into the frosty night sky above the grassy banks of the Kingfield Road and Bus Stop Ends. But eight minutes into this chilly evening, the Swan's Alan Curtis warmed up the proceedings by braking away and driving a shot past the amiable Slough newsagent

Frank Parsons in the Woking goal. Instead of demoralising Woking, they got back into the fray with pressure on the two goalkeepers evenly distributed, until on eighteen minutes, that man Curtis struck again. With just over half an hour gone Kingfield erupted when a beautiful cross from Eggie James found Alan Morton waiting to pounce with a superb goal. Just before half time, former Welsh International John Toshack added another to restore the Swans two-goal margin. Boney M's festive number one "Mary's Boy Child" crackled over the public address system as the players headed for their half-time Kingfield cuppa and it looked like the Cardinals would need a similar miracle if they were to retrieve the situation.

The teams remerged back into the crisp north Surrey night air, and soon Woking's Tony Field, brought on as a substitute for Steve Cosham, picked up a loose ball and hit a drive which few keepers, whatever calibre, would have found possible to save. Minutes later Alan

Morton crossed to Les Barrett who made no mistake in equalising. Seldom had Kingfield seen such scenes of jubilation as the former Fulham man's effort hit the net and the roar from the record breaking 6,500 crowd could probably have been heard back in the valleys of South Wales. A draw would not have been unjustified, a replay looked possible, but it was not to be. In extra time Woking's band of plucky part-timers began to noticeably tire and inevitably "Curtis the Boot" collected two more to seal the Cards fate.

Woking made their mark on F.A Cup history though, by being the top-scoring club in the F.A Cup that season with thirty-one goals. Local green keeper Alan Morton was also top goal scorer in the competition with ten goals and in joint second place his team mate Eggie James with eight. Swansea City were beaten 1-0 at the Vetch in the Third Round by Bristol Rovers, but were promoted to the second tier of English football at the end of the season.

# WELCOME SCUNTHORPE

## MEET THE BOSS

### Andy Butler

The Iron welcomed back Andy Butler in autumn 2022, returning to Glanford Park for a third spell with the club as Youth Development Phase Coach. A former Iron academy graduate, Butler first played for the club between 2002 and 2008, before a second stint during the 2019 to 2020 campaign. Across an outstanding playing career, he made more than 700 senior appearances, including 174 for the Iron. In June 2023 he stepped up to First Team Coach following Michael Nelson's departure, and the following summer was appointed First Team Manager, succeeding Jimmy Dean.

## ONE'S TO WATCH

### Dubem Eze

Attacking midfielder Dubem Eze joined the Iron on a season long loan from Bolton Wanderers. He began his development in the Chelsea youth system before moving to Derby County Under 18s in 2021 and later Norwich City. In March 2024, Eze enjoyed his first professional loan with Warrington Town, scoring twice in six appearances. Now 20, he signed for Bolton last summer as the B team's first recruit. Loan spells at Chorley and FC Halifax Town followed, where he gained valuable National League North and National League experience, making 30 senior appearances and scoring four goals.

### Max Brogan

Midfielder Max Brogan signed on a free transfer in June 2024 following his departure from Solihull Moors. He began his career with Barwell Town before earning a move to Nuneaton Borough in October 2022, where strong midfield performances secured a step up to Solihull. Brogan featured regularly for the Moors and scored his first goal in an FA Cup victory over Biggleswade Town. He impressed the Iron during a goalless draw last season, catching Andy Butler's eye. After a productive loan spell with Telford United, he returns with valuable experience and versatility.
