## MANAGER NOTES

# NEAL ARDLEY

**Good afternoon and welcome to everyone at Braintree. I am writing these notes before Christmas so I hope you have all had a wonderful time with your family's.**

Sometimes as the year comes to an end you reflect on things and it is also a year since I took over at the club. I was recently asked about that year in an interview where I reflected on what I think has been a positive relationship between myself and you fans as well as those above me at board and ownership level.

This has helped us to beat relegation last season, get to the semi final of the trophy and stabilize this season after a difficult start. Hopefully we can continue to grow together and keep pushing the club forward.

**Enjoy the game and happy new year!

## **Woking 1–2 Scunthorpe United**

**Enterprise National League**

**Laithwaite Community Stadium**

**20th December 2025**

Woking hoped to keep their impressive unbeaten run going with the visit of 6th placed Scunthorpe United to the Laithwaite Community Stadium.

As expected, Neal Ardley named an unchanged side to the one that beat Carlisle at Brunton Park, whilst Andy Butler welcomed back four injured players to his starting lineup in the form of Danny Whitehall, Joe Rowley, Ty Sellars-Fleming and Tyler Denton.

After a low key start, a piece of individual brilliance from Josh Kelly nearly opened the scoring. He took the ball down, turned his man and unleashed a superb hit which smashed the bar and went behind. Moments after Drewe lined up with Beautyman but the midfielder's header went wide of the target, Scunthorpe took the lead. Good play down the right-hand side saw Zain Westbrooke tee up Danny Whitehall, who headed out of the reach of Jaaskelainen and into the back of the net.

### **Half Time: Woking 0–1 Scunthorpe United**

When Tyrell Sellars-Fleming was played in behind the Woking defence, he attempted

to round the onrushing Will Jaaskelainen and make it two, but went to ground too easily and was booked for diving.

It was then the visitors' chance to hit the crossbar when Cal Roberts darted inside and curled an effort towards goal, but the ball pinged the woodwork and went over.

They had their second goal with just under twenty minutes to go when Roberts played a superb through ball on the half volley to Declan Howe, who raced onto it and showed great composure to lash the ball into the top corner past a hapless Jaaskelainen.

With the three points looking secure for the Iron, they were given a scare with two minutes of normal time left. The dangerous Josh Osude found space inside the area, firing low inside the near post to give the home crowd hope.

It wasn't to be, however, as Scunthorpe became the first team to beat the Cards in eleven games.

**Woking:** Jaaskelainen, Drewe, Richards, Okoli, Odusina (Ward 45 ), Andrews, Beautyman (Osude 67 ), Tunji Akinola, Timmy Akinola (Forster-Caskey 45 ), Kelly, Sanderson (Boatswain 67 )

**Unused substitutes:** Ross, Hinds, Turner

**Goalscorers:** Osude 88

AND WHITE CHRISTMAS

## WOKING HISTORY

### DING DONS MERRILY ON HIGH

The Cardinal Tales by Mark Doyle

Getting out into the fresh air, working off the festive excesses whilst watching the Cardinals sadly seems to be a thing of the past currently, with our Christmas fixtures due to Police advice affecting what was a national tradition. Things were not always so though, with fixtures even being scheduled on Christmas Day and Boxing Day!

**Wednesday 25 December 1929**  
**Wimbledon 2 Woking 4**  
**Attendance: 3,000**

"Christmas time, Mistletoe and wine." That's according to former Weybridge resident and

festive crooner Sir Cliff Richard, "A time for giving, a time for getting," but not a mention of a time for football. But football it was on this crisp Christmas Day ninety-six years ago at Plough Lane against our old Isthmian League rivals Wimbledon. Before the 21st of December the Cards were languishing at the bottom of the Isthmian League, having accumulated a meagre three league points from nine games. But, after dispatching the League leaders Nunhead 5-4 at Kingfield, the Cards went on to beat the Dons on Christmas Day with an excellent hat-trick from centre forward A.W. Bolton, complemented by a goal from the impressive Wilf Chitty - who

went on to make forty-five appearances for Chelsea, hitting the back of the net for the Blues sixteen times between 1931 and 1937. Chitty, who was born in Walton on Thames in 1912, is also known for narrowly avoided death from a Doodlebug in west London during the Second World War. It wasn't unheard of to play matches on Christmas Day in the 1920s and 1930s and in all Woking made six Christmas Day appearances: five times against Wimbledon and once, during the Second World War, against Guildford City.

**Thursday 26 December 1929**

**Woking 6 Wimbledon 2**

**Attendance: 3,000**

Wimbledon had been forced to field an admittedly weakened forward line for the Christmas Day fixture at Plough Lane, but they

were not prepared for the Cards' onslaught the following day at a blustery Kingfield in front of another 3,000 crowd. Wimbledon's first choice forwards returned, but the season of goodwill was completed when the Dons' goose was well and truly cooked as they were stuffed by the Cards on Boxing Day. Centre forward A.W. Bolton added another two goals to his festive tally in a 6-2 win. George Lewis Moseley (2), Billy Warnes and Dick Fitzgerald completed the Dons' woes. The double over their north Surrey rivals was described by "Rover" in the Woking News and Mail as "A fine Christmas box." In fact, the Christmas period of 1929 was the catalyst that kick-started the Cardinal's season. The win against Nunhead and the double against the Dons started a run which accumulated fifteen points out of a possible sixteen in eight League matches and, with thirty-three goals scored, the Cards lifted themselves well up into the top half of the table and were to finish fifth in the League, one place and three points above their Surrey rivals. But Christmas wasn't to be as cheerful down the A320 at the Cards' full-time professional neighbours Guildford City though. A hurricane which traversed southern England on the morning of Sunday the 29th of December managed to wreck their main stand, which had been erected at a cost of £1,600 in 1921. The winds caused chaos at Joseph's Road, wrenching off the whole of the roof, with the debris smashing into local houses, knocking down chimneys and fracturing water and gas mains in the process. Mr George Luck of Joseph's Road was downstairs making a cup of tea at 5am when he heard a terrific crash. His wife, who was in the front bedroom, called out: "George, where are you? The chimney has fallen through the roof." She hastily got dressed and, on closer inspection outside, saw the whole of the road blocked with debris from a portion of City's grandstand roof. Ironically, the flagpole which was attached to the stand remained intact. This was seen as "a good omen as, despite the calamity, City could still fly their flag."

You can find out more about how to get your own plaque by visiting [www.cardstrust.co.uk/fanwall](http://www.cardstrust.co.uk/fanwall) (simple login-free access) or by speaking to any Cards Trust official at the game today. Anyone can purchase a plaque, you don't need to be a member of The Cards Trust, but please consider joining to actively support your club. This is also a great way for anyone who cannot get to The Laithwaite Community Stadium themselves to show their ongoing support for the club.
