## MANAGER NOTES

# NEAL ARDLEY

**Good afternoon and welcome to everyone associated with Hartlepool United and I hope they all have a safe journey back up North.**

Over my career I've had a lot of Christmas schedules and a lot of positive results that makes all the sacrifices we make as footballers worthwhile. Unfortunately our Christmas this season hasn't gone that way. After an 11 game unbeaten run it was natural to be disappointed with the Scunthorpe result and performance but I was delighted with the performance against Eastleigh where we deserved to take all three points. This makes Tuesday nights performance and result all the more frustrating for us all. The players attitude has been really good over the holiday period in nearly everyday and working hard but we've ended up with very little to show for it.

I suppose if you asked me after the first 5 games of this season if I'd accept going into 2026 in 11th place I'd have taken it but we now must regain those good habits that got us there after a slow start.

**I'd like to wish you all a happy new year and hopefully we can continue to progress as a club.**

## BUZZA SINKS THE SAGGING BAGGIES

The Cardinal Tales by Mark Doyle

**Saturday 5th January 1991**

**F.A Cup 3rd Round**

**West Bromwich Albion 2 Woking 4**

**Attendance: 14,516**

It's hard to believe that thirty-five years have passed since the (statistically proven) greatest FA Cup shock of all time took place at The Hawthorns, home of five times winners of the competition, West Bromwich Albion. But the memory lives on, fresh in the minds of the 4,500 expectant fans from Surrey who were fortunate enough to witness history in the making. For thirty-three years Woking FC's greatest moment had been watching Charlie Mortimore take the thirty-nine steps to the royal box at Wembley to raise the F.A Amateur Cup, but all that changed by 4.45pm on a murky West Midlands afternoon on the fifth of January 1991 and the life of an un-assuming gentleman from Old Woking, Timothy John

Buzaglo would never be quite the same again. After a reasonably impressive start, the Cards should have scored when Geordie vacuum cleaner repairman Stewart Mitchell had a shot headed off the line. Albion then surprisingly took the lead in the thirty-fourth minute when Colin West headed in from a corner. Woking never gave up hope though and the promising signs glimpsed at in the first half started to bear fruit in spectacular fashion in the most amazing fifteen-minute spell of second-half football action in the club's history.

On fifty-nine minutes Mark Biggins found Buzaglo with a superb pass, his blistering pace left the lumbering WBA defence for dead to beat Rees from fifteen yards. The usually reserved supporters from Surrey who were packed behind the goal had hardly managed to catch their breath before six minutes later the Cards amazingly took the lead. A Tim

Read clearance was nodded on from the sublime Derek Brown for Buzaglo again to head home after his initial shot re-bounded off the hapless keeper's legs. The boys from the Isthmian League were now rampant, with beautiful passing, flowing football that threatened to destroy the laboured WBA defence with every attack. Chaotic celebrations continued in the away terrace behind the goal as Buzaglo completed his historic quarter of an hour hat trick in the seventy-third minute, with a stunning move starting inside Woking's own half. Biggins left Graham Roberts for dead with a brilliant dummy and set up Adie Cowler on the edge of the penalty box, he in turn fed Buzaglo, who fired home. Substitute Terry Worsfold, former Kingfield ball-bay and Highlands County Secondary pupil, headed a fourth goal (with his only touch of the game) before a late Albion consolation (met by jeers from Albion fans) on a day nobody at The Hawthorns could ever forget. The events that immediately followed the final were as memorable as Buzaglo's hat trick, as our shy hero was chaired shoulder high by Albion supporters who had run onto the pitch and chants of "Sign Him Up" ringing around the ground. It wasn't such a proud moment for Albion boss Brian Talbot – Buzaglo's third goal

prompted a mini pitch invasion from WBA fans disgruntled with their manager – who duly lost his job after this historic humiliation.

But the courteous Baggies fans clapped and cheered their counterparts as they left the ground in stunned disbelief, and even thirty-five years on, when Woking or the Third Round of the FA Cup comes up in a conversation, people still mention the name – Tim Buzaglo.

In 2022 Dr Adwaye Rambojun and Professor Andreas Kyprianou from the Institute for Mathematical Innovation at the University of Bath looked at data from more than 8,000 FA Cup ties from the previous 50 years. The mathematicians developed a model which considers the probability of the lower league teams reaching the third round, the difference in league status between the two sides and the timing and sequence of the goals scored in each tie. Each result was then ranked by the statistical probability to whittle the results down. Consequently, according to this mathematical model, Woking are the proud owners of the FA Cup's biggest upset. If the match was played 15,959,312 times, West Brom would win 15,959,311 of them. But on that day the game did not go as expected.

# FAN WALL

The wall offers personalised plaques to purchase that enable you to celebrate your favourite player, record your first match, or of course remember a loved one – it is very fitting that Andy Turner has pride of place on the top left plaque. Developed by the Supporters Liaison Group within The Cards Trust, this fundraising initiative will be used by the trust to fund improvements to the spectator experience at the ground, as well as contributing to Boost The Budget and other initiatives to support Woking FC. You can find out more about how to get your own plaque by visiting [www.cardstrust.co.uk/fanwall](http://www.cardstrust.co.uk/fanwall) (simple login-free access) or by speaking to any Cards Trust official at the game today. Anyone can purchase a plaque, you don't need to be a member of The Cards Trust, but please consider joining to actively support your club. This is also a great way for anyone who cannot get to The Laithwaite Community Stadium themselves to show their ongoing support for the club.

## SUPPORTERS LIASON GROUP (SLG)

Convening regular liaison meetings directly with senior staff

and owners of the Football Club to facilitate dialogue and ensure ALL fans have a voice on key matters affecting them (in addition to the existing route via the Cardinal Supporters' Society Ltd/Trust representative on the Football Club Board). ## MEET THE BOSS

### Nicky Featherstone

Hartlepool United have confirmed Nicky Featherstone as the Club's permanent manager following an impressive spell in interim charge. Since stepping in during October, Featherstone has overseen a clear upturn in performances and results, supported by Elliott Dickman and Adam Smith, who remain on the coaching staff. He will lead Pools until the end of the season, with a Club option to extend. A Club legend, Featherstone made over 450 appearances during an 11 year spell, including promotion to the EFL in 2021.

## ONE'S TO WATCH

### Luke Charman

Luke Charman, who can be deployed centrally and out wide, became Darren Sarll's first signing as Pools manager in June 2024. Born in Durham, Charman has spent the last three years of his career in the North West, playing in League Two with Rochdale before becoming a mainstay for Fylde and winning the National League North title in 2023. The Newcastle United Academy graduate also enjoyed a successful spell with Darlington earlier in his career, racking up 19 goals in 33 appearances.
