CARLUCA
WWW.CARLUCA.COM

Good afternoon and welcome to the Crucial Environmental Stadium for our 3rd Round Sussex Senior Cup tie. I would like to extend a very warm welcome to the players, management and officials from Lewes Football Club.

Well, if the last time we met at home this season is anything to go by, we are in for a mouthwatering game. It was an absolute cracker in a nine goal thriller. Whilst we came out on top that day, both teams played their part in a fantastic encounter for the fans. What's more, both sides showed great character to respond to being behind in spells of the game. I would like to congratulate Lewes for a very good start to their season in both their Mens and Womens teams.

We have picked up from where we left off in the last 2 (voided) seasons and sit 7 points clear at the top. I think the squad have travelled 700 miles in our last 3 league games (all away), all inside a week which undoubtably didn't help our momentum. But our consistency season to season is undeniable and I'm sure Adam and his squad will take a lot of confidence going into the new year and the second half of the campaign.

This afternoon both teams get the opportunity to take a break from the league and compete in the prestigious Sussex Senior Cup. The competition was first played for in 1882 and is a special competition in which Worthing Football Club enjoy an unrivalled history of success, first winning the competition in 1892/93 season and last winning it in the 1998/99 season.

In what is our last home game of 2021 we can look back at the last 12 months with a huge amount of pride, both on and off the pitch and I look forward to steering us through whatever opportunities and challenges we face in the new year.

I must wish all our supporters, our staff and volunteers, throughout the club a very happy Christmas. I want to thank each and everyone of you for your total commitment to the club, we are incredibly proud of you all.

Finally, we hope we see you all at our next 2 games, away at Bognor on 27th December and at home to Horsham on New Year's Day.

C'mon you Rebels!!

FLOORING PRODUCTS LTD

A warm welcome to Tony, Joe and all his staff and players and everyone associated with Lewes for today's Sussex Cup game here at the Crucial Environmental Stadium.

Well it's nice to be back at home, it seems like an age since we last played a home game and we have emassed a fair few miles in the last week what with Haringey, Brightlingsea and Margate away.

We have kept our performance level high and managed to get some points which has been pleasing, two clean sheets in the last few weeks as well which needs to start being our foundation for our performances.

We are hopeful of having a few of our injured players back sooner rather than later with Jasper, Coxy, Mo Diallo and Tutty all likely to be back training soon and I'm delighted to hear Alex Parsons doesn't require surgery and can start ramping up his rehab too.

It's been amazing the support we have had, with only a few sleeps to go till Christmas (so my kids keep reminding me!) it's great to have you give up your time and money to come and support us.

Many thanks as always for your continued support both home and away.

Up the Mackerels.

HINSH

TODAY'S OPPOSITION

WELCOME TO OUR OPPONENTS FROM
LEWES FC

CLUB HISTORY

The Early Years

Lewes Football Club was formed following a meeting at The Royal Oak pub on 23 September 1885. For the first eight years, the players wore light green shirts which were designed to reflect the scenery of the surrounding South Downs, but black and red finally became the club colours in 1893.

The club has played at the Dripping Pan ever since, apart from a couple of seasons prior to the First World War when the club was banished to the adjoining Convent Field. The early years of the club produced only mediocre results and successes were few and far between. In 1920, Lewes became founder members of the Sussex County League.

1960s

Progress was slow and despite four runners-up places, by the 1960s Lewes had only one Sussex RUR Cup win to their name. In 1965, the club's fortunes changed dramatically, winning the County League title for the first time with a massive nine-point lead over runners-up Lancing, as well as both the RUR and Sussex Senior Cups.

Lewes became members of the Athenian League and after winning the Division 2 title in 1968, promotion to the Premier Division was gained just two years later when the Division 1 title was snatched from Boreham Wood, with a further Sussex Senior Cup triumph added in 1971. Six years later, the club entered the newly expanded Isthmian League.

1980s

Promotion to Division 1 soon followed although two sixth-place finishes in 1982 and 1989 were the highest positions attained in Division 1. During that time, Lewes reached the final of the Sussex Senior Cup on three occasions, and won the trophy in 1984/85.

1990s

Disaster struck in 1990/91 when Lewes were relegated for the first time in their history. An immediate return as runners-up to Purfleet followed, but that success was short-lived and relegation in successive years meant that by the 1994/95 season the club was down in Division Three.

The slide continued and the first season in the basement division would have been the last in the league if it hadn't been for Cove who conveniently propped-up the league and saved Lewes from automatic demotion.

The club survived rather than thrived until the 1998/99 season when Jimmy Quinn joined as manager, and at the first attempt missed out on promotion by just one place. Midway through the 1999/2000 season Martin Elliott and a new board of Directors stepped in and immediately the fortunes of the club began to improve, with the capture of the Sussex Senior Cup in 2001 following victory over Bognor Regis.

Noughties (2000s)

There was mixed news on the pitch. The pinnacle of the Men's team's achievement, and what a pinnacle, was to gain promotion to the top of the non-League pyramid in 2007/8. However, the Rooks only lasted one season in the top flight as the Global Credit Crisis hit and funds dried up. The Rooks' new economic reality saw them drop down the divisions.

However, a brand new Women's team was started by Jacquie Agnew and underwent a dramatic rise form park football to the Women's Combination.

A New Dawn (2010s)

Behind the scenes, a group of six supporters calling themselves Rooks125 were working hard to take the club into community ownership having witnessed the serious financial problems that had befallen the club, despite the owners' best efforts.

Finally on July 8th 2010, Lewes FC was officially transferred out of private ownership into a mass-ownership Community Benefit Society called Lewes Community Football Club, consisting of benefactors and members of the former Management Committee.

The six members of Rooks125 formed the inaugural Executive Board, working as volunteers to install improved working practices and procedures during the season before planning to open up the wider ownership of LCFC to all the club's supporters in 2011/12. The first chairman of the Community Club was appointed in 2013 with club legend Terry Parris taking up the position. Terry was succeeded by Stuart Fuller in 2015. All Board positions now are elected by the whole Ownership base.

In the summer of 2017 the club hit the headlines globally when it announced that it would pay our Men's and Women's squads the same – a first for any semi/professional club in the world. Under the Equality FC banner, the club attracted a number of partners who shared the same beliefs and vision for gender equality in sport.

On the pitch, restricted resources saw the team drop two Leagues, down to Step 4 but under Darren Freeman they gained promotion as runners-up in the Isthmian League South in 2017/18, then came within a whisker of a play-off spot in the Isthmian Premier the following season.

The Lewes Women's side were given a place in the inaugural Women's Championship, the second tier of English football playing alongside sides such as Manchester United, Leicester City and Tottenham Hotspur. In December 2018 they attracted a record attendance when nearly 2,000 fans saw them host Manchester United at the Pan.

So where are we now?

Freeman stepped down in October 2019 after four years in charge to concentrate on his footballing career away from management and after a period when his former assistants Ross Standen and Tony Coade led the side, Hugo Langton took over the hotseat in February 2020, leading the team to 16th spot before the COVID-19 pandemic curtailed the season, and in a similar position when the 2020/21 season ended early. Our Women's team finished the 2020/21 Championship season in 5th place, the highest finish in the club's history.

Tony Russell and Joe Vines joined the club in the summer of 2021, looking to build a squad that could challenge for honours once again. They have brought together an exciting team, built on a solid spine but with attacking flare that will sure to be popular with the Lewes faithful.

The club is building a solid foundation on which to build for the future. It has around 1,700 Owners and has gained a great reputation for all its community work and stand-out marketing especially with the continued stance on pay equality. The future is bright, the future is black & red...

HISTORICALLY SPEAKING LEWES

BY PAUL DAMPER

Reading through a history of Lewes FC, I spotted a line that intrigued me: it referred to the fact that Lewes had not always played their home matches at the Dripping Pan but had spent a couple of seasons before the First World War playing matches at the Convent Field, which is situated immediately to the south of the Dripping Pan.

Subsequent investigation has found that the FA Cup match that Worthing played against Lewes on 12th October 1912 and the Sussex RIR Charity Cup semi-final played on 25th April 1914 were each played at the Convent Field, not the Dripping Pan.

Additionally, the friendly played on 7th October 1911 was also played at this alternative venue, although I think that this might have been a temporary measure. The report of the match suggests that there had been so much rain that a couple of the home players did not turn up, presumably because they thought the match would be off, so the venue could have been switched on the day.

All of our other 60 or so away matches with Lewes have been at the Pan, with the exception of the Sussex County League match on 27th April 1927, which was staged at Newhaven's Fort Road ground instead.

A couple of the County League away matches (in 1934 and 1936) were switched to Worthing, meaning that we played Lewes at home twice in those seasons.

With the exception of the first two meetings of our clubs, which were played in Beach House Park (in 1891 and 1893), all home matches have been played at the Sports Ground/Woodside Road.

If one wishes to be pedantic (and I don't often pass up the opportunity), the home matches played between 1911 and 1925 were played on the pitch in the southwest corner of the Sports Ground and those between 1925 and 1931 on the pitch in the southeast corner of the ground. Each of these pitches ran north-south and are now part of the Pavilion Bowling Club's grounds. Since 1931 our home pitch has been in its current position.

Four of our encounters have been on neutral territory, all matches being played in the Sussex Senior Cup.

The 1975 final was played at the Goldstone Ground in Hove, with Worthing triumphing 1-0. The 1978 semi-final was played at Old Barn Way in Southwick (4-0 to Worthing) and the 2006 (1-3, after extra-time) and 2007 (2-1) semi-finals were each played at Horsham's Queen Street Ground.

Worthing have also played matches at the Dripping Pan where Lewes were not our opponents.

Between 1920 and 1947 we played eight Sussex Senior Cup finals there: two each against Eastbourne (Town) and Hastings & St Leonards (the current Hastings United) and one each against Chichester, Southwick, Corps of Signals (Royal Engineers) and Haywards Heath.

We also played six Senior Cup semi-finals there between 1929 and 1981, with our opponents being Eastbourne, Horsham, Bognor, Hastings & SL, Eastbourne United and Haywards Heath.

Our 1910 Sussex RIR Charity Cup match against Newhaven was also played at the Pan, as were the semi-finals of the AFA Senior Cup in 1939 and 1949 (against Norsemen and Winchmore Hill, respectively).

Finally, when our ground was closed by the Isthmian League at the beginning of the 1982-83 season because the pitch was unfit, we hired the Dripping Pan in order to play Hampton in our Isthmian League Division 1 match.
