WELCOME TO THE MATCH

BARRY HUNTER - CLUB CHAIRMAN

Good evening and a very warm welcome to the supporters, directors, players and management team of Dulwich Hamlet Football Club.

The games continue to come thick and fast. Congratulations to our men's first team in reaching the semi finals of the Sussex Senior Cup with a 6-2 win against Crowborough Athletic FC and to our Women's team who progress through to the next round of the League Cup with a recent 3-1 win away to Sutton United.

We are about to enter the business end of the season and its great to see good crowds coming to watch and support the team, both home and away. Our last 2 league home games against Dartford and St Albans saw over 1,600 and 1,250 respectively, averaging 1,4225. These attendances are incredibly important so please keep coming and getting behind the team, one big club effort.

You may have seen some updates on the clubs web site to explain the works schedule to upgrade our ground capacity, in line with league ground grading requirements at our new Step 2 level. The area most affected is the west terracing which is undergoing substantial refurbishment and will be out of action and not accessible for a short period of time.

More details can be found on the clubs website news section.

Enjoy the game.

ADAM HINSHELWOOD - TEAM MANAGER

TEAM MANAGER
ADAM HINSHELWOOD
 SPONSORED BY:

A warm welcome to the Crucial Environmental Stadium for a home league double header.

Firstly tonight's game v Dulwich and then Hungerford on Saturday, welcome to staff, players and everyone associated with both teams.

I'd just like to start by thanking all the staff at the club who make mine and the players' lives so much easier on a day to day basis, they all go above and beyond and my manager of the month award for January is testament to the hard work they put in so thanks to Cam, John, Stu, Nath, Adam, Sam, Elise, Daisy and Georgia for all you do.

I'm writing these notes before our trip to Oxford and would of preferred to have picked up the January award on the back of a couple of wins but a couple of defeats has been tough to watch.

I felt Tonbridge we were good first half and then didn't get going second and against St Albans here it made for a great spectacle but after being two goals down then fighting back to 2-2, then going behind again 3 more times it just proved a bit too far for us. We gave it a go and we will do all we can to concentrate for longer periods and sense danger in important parts of the game.

Thanks for your continued support both home and away.

Up the Mackerels.

TODAY'S OPPOSITION

WELCOME TO OUR OPPONENTS FROM
DULWICH HAMLET FC

RECENT CLUB HISTORY

Dulwich Hamlet Football Club has a long and distinguished history that goes back nearly one hundred and thirty years, but the past few seasons have been as eventful as any that went before.

Despite being locked out of their Champion Hill home in March 2018 in a well-publicised bitter dispute between their landlords and the local council, the club remained strong and on the field the team maintained their focus and push for promotion under long-serving manager Gavin Rose. They were rewarded two months later when Hendon were defeated in a dramatic penalty shoot-out before a 3,321 crowd at their temporary headquarters at Tooting in the Isthmian League Premier Division play-off final to secure promotion.

Dulwich had worked extremely hard for their promotion after an incredible one hundred and eleven seasons as members of the Isthmian League. Four play-off final defeats in seven seasons, including the last two in succession, had stiffened the Hamlet's resolve and backed by impressive crowds, few begrudged them their chance to have a crack at Step 2 football.

The first season in the Vanarama National League South was tough going, especially the first half of the campaign when continuing to ground-share. But, thankfully, they were allowed to return to Champion Hill in December 2018 and not only were the team able to secure

their position in the National League South with a 14th-place finish, but the near 3,000 crowds that have attended matches regularly since their return home make them one of the best-supported clubs in Non-League Football.

League results in season 2019/20 failed to live up to expectations and the team were hovering around the relegation zone when Coronavirus brought the campaign to a premature halt in mid-March. The highlight of the season was the club's FA Cup run which culminated in a First-Round clash with Carlisle United in front of a full house at Champion Hill, the tie being televised live on BBC's Match of the Day. Hamlet may have lost 1-4 but they gave a commendable performance against the League Two outfit.

In 2020/21 the Coronavirus pandemic caused further disruption. The season began late, in October, but with the majority of matches played behind closed doors, clubs were placed in financial difficulties which gradually worsened. It came as little surprise when clubs eventually voted to curtail the National League South season, which was declared 'null and void'. Thankfully, last season was played to a conclusion and Gavin Rose's side achieved their highest placing (10th) so far in the National League South. But it could have been so much better. A play-off place beckoned for much of the campaign, but injuries and a loss of form combined to produce a disappointing second half of the season. Despite that, the team played in front of several capacity crowds at Champion Hill.

NINE-GOAL THRILLER MATCH REPORT

WORTHING 4
ST ALBANS CITY 5

SAT 11/02/23, VANARAMA NATIONAL LEAGUE SOUTH

REPORT BY JACK WILLIAMS

The Saints took the spoils in a nine-goal thriller at The Crucial Environmental Stadium.

The Reds came into the fixture off the back of their first defeat in 2023 last week, losing 2-1 away at Tonbridge Angels. While the Saints travelled down south after suffering a 3-0 defeat to bottom-placed Hungerford Town in midweek.

Adam Hinshelwood was still without Joe Rye as the youngster continues his recovery from a hamstring injury. Though, the squad was boosted with the returns of loanees Liam Vincent and Mo Dabre. Vincent started in place of Aarran Racine while Dabre was named among the substitutes.

It took just five minutes for the visitors to open the scoring when Tafari Moore's defence-splitting pass found its way to Mitchell Weiss who converted his one-on-one past Harrison Male.

Looking to reply swiftly, Lewis White was sent in behind the Saints' defence. Keeper Dylan Berry rushed out to meet him and brought down the attacker, receiving a yellow card for the foul despite Worthing's appeals for further punishment.

Ten minutes later, the Saints doubled their advantage. Vincent was caught out of position and brought down Davante Stanley in the area. The league's top scorer Shaun Jeffers stepped up and rolled it down the middle into the net.

Soon after, Jeffers was threatening once more. This time Male produced an important diving save to deny the attacker from the edge of the area.

The Reds were looking to get themselves back in the contest when Davide Rodari was sent in behind. He stumbled over before regaining his balance and squaring to White who teed up Josh Chambers, but his left-footed effort was high and wide.

The Rebels did reduce the deficit on 29 minutes when Ollie Pearce brought down Joel Colbran's diagonal ball with his chest to beat his man before firing into the bottom corner for 2-1.

Colbran was the provider again just two minutes later as the Reds found an unlikely equaliser. His cross was brought down by White, and the winger slotted past Berry.

But, at the other end, the Saints regained the lead. Zane Banton capitalised on a Danny Barker mistake and found the bottom corner in what was a five-minute frenzy at Woodside.

The Reds did not give in though and were back on level terms on 36 minutes. Colbran fed through Pearce once more and the forward looked destined to score but was denied by a superb one-handed save. The rebound reached the feet of White whose bouncing ball found Rodari to leave him with the simple task of slotting in.

Before the half time whistle, the Saints had an opportunity through Banton, but Male was equal

to it and parried wide, leaving the sides level at the interval despite all the madness.

The Rebels started the second half far better than they did the first after a change of shape after the break. Dabre replaced Vincent as the Reds transitioned to a new formation.

Early in the half, Kane Wills' cross across the face of goal agonisingly evaded both Pearce and Rodari in the box.

But, just before the hour mark, it was the visitors who took the advantage for the third time in the match. Stanley beat his man in the right corner before squaring to substitute Chay Cooper who scored from close range.

The end-to-end manner of the contest continued though, as less than ten minutes later, Pearce netted his second. It was Colbran who charged into the area, battling through tackles, before the ball fell to Pearce who hit it with his left foot into the bottom corner.

Looking to take the lead for the first time in the contest, Pearce crossed to Rodari who headed over on 68 minutes.

Hinshelwood made his final two changes straight after, replacing Barker and Rodari with Ibbi Akanbi and Reece Meekums.

But, on the very next play, the visitors took the lead for the fourth time. Stanley was played in behind the Worthing defence and he comfortably slotted past Male into the far corner with some 20 minutes left on the clock.

The Reds pushed for an equaliser in the dying embers. First, Colbran's attempt to catch the keeper of his line was cleared away.

The Saints' defence stood strong though and kept out Worthing's best attempts in a goalmouth scramble in added time.

The referee blew a close to proceedings after the most dramatic of fixtures at The Crucial Environmental Stadium.

NEWS FROM WOODSIDE

CLUB UPDATE – GROUND DEVELOPMENT WORK

The club has an obligation to increase its ground capacity to meet National League (South) grading requirements, which has to be achieved by 31st March 2023.

This is something the club has been aware of since being promoted and plans are in place.

Much of the work will focus on the west terrace, which for a short period of time, will not be accessible for home matches. This will be effective from our Sussex Senior Cup tie against Crowborough on Tuesday 14th February.

Full details of other affected games will be issued next week, once a final works schedule is completed. In preparation for these works, the covered stand in the west terrace, behind the goal, has been dismantled and will not be in situ from our home game against St Albans City on Saturday 11th February.

We appreciate this will be an inconvenience for some supporters and we would like to thank them in advance for their patience.

Please watch out for further details on the club website soon.
