# WELCOME TO THE MATCH

BARRY HUNTER - CLUB CHAIRMAN

**Last week we heard of the very sad news that Morty Hollis, our Life President and former club Chairman had passed peacefully, his family by his side.**

Morty leaves his daughters Claire and Deborah, his son in laws Robin and Alistair and his three grandchildren, Alex, Magnus and Frankie.

Words can't describe the love Morty had for Worthing Football Club, dedicating nearly 80 years of his life to the cause. Now that does take some doing and there will be many, many people reading these notes who will have either met or heard of Morty at some point in their life.

Claire and Debs have been in touch this week to ask me to thank everybody for their kind messages both on social media and from the wider footballing community. They have been overwhelmed by the support and affection shown for their Dad and want to let everyone know they are really appreciated.

On a personal level, Morty was a friend to my dad, Roy Hunter, who along with a band of close-knit volunteers, spent many years and had so many memories together helping to keep this football club running.

Morty's dedication will be very difficult to beat, ever, and I want to say sincerely, that Morty will always hold a special place in Worthing Football Club's history.

May you rest in peace Morty.

# FROM THE MANAGER'S DESK

ADAM HINSHELWOOD - TEAM MANAGER

Good Afternoon and a warm welcome to everyone for this afternoon's National League South game here at the Crucial Environmental Stadium.

We have had some postponed games in recent weeks which has potentially stopped us gaining any momentum but all we can do is build on our last performance which was at home against Concord, a brilliant 7-0 victory. We started the game quite slow and they managed to work Harrison within the opening 10 minutes on a couple of occasions.

Following that we needed a fast start and wanted to create lots of chances knowing they had played a lot of games lately, when we eventually managed to get our foot on the ball and find our rhythm we produced some really good stuff and are probably a bit disappointed we didn't score more goals than we did!

That being said Concord are a team fighting to try and stay in this division and with the playoff places being down to 7 teams, it gives teams that are mid-table a real hope of trying to get into the final spot, so there's still plenty to play for in a lot of cases.

We are now going to enter a very congested period right at the crucial part of the season and our recovery and entire squad are going to be needed to maintain high performance from the data we collect, the lads gps, the recovery nutrition, all aspects to get us in top shape. We have an excellent squad both on and off the pitch which will have to come into its own at this period of time.

Again there was a another big crowd here last week and hopefully the same again today so as always many thanks for your support.

Injury wise Lewis White is out with his hamstring for the rest of the season. Cam Tutt is back training and we are assessing Kane for his calf, Ollie for his ankle/toe and Davide for his knee on a daily basis. Hopefully all will be fit for today's game.

Up the Mackerels!

# TODAY'S OPPOSITION

WELCOME TO OUR OPPONENTS FROM  
BRAINTREE TOWN FC

## CLUB HISTORY

The club was formed on 24 September 1898 as Manor Works, the works team of the Crittall Window Company, from which they gained their nickname Iron. The new club took over the fixtures of the recently defunct Braintree F.C. in the North Essex League, and also took on most of the former club's players. They left the league in 1900 but returned in 1901. They won the title in 1905–06, 1910–11 and 1911–12, also winning the Mid-Essex League in 1909–10 and 1910–11. In 1911 they also joined Division 2A of the Essex & Suffolk Border League, remaining in the league until 1928.

In 1921 they were renamed Crittall Athletic to be more closely identified with their parent company. After winning Division Two (Western) in 1922–23 and 1923–24, they were promoted to the Senior Division of the Border League in 1925. In 1928 they joined the Spartan League, and in 1935 were founder members of the Eastern Counties League, although they also continued to play in the Border League. They won the Border League in 1935–36 and both the Border League and the Eastern Counties League in 1936–37, but then left the Eastern Counties League to join the newly established Essex County League. The new league folded after a single season (in which Crittall were runners-up) and the club returned to the Eastern Counties League.

After World War II the Eastern Counties League did not resume in 1945, so Crittall joined the Eastern Division of the London League instead. After finishing second in their first season, they were promoted to the Premier Division. They were invited to re-join the Eastern Counties League in 1947, but turned the offer down and remained in the London League, where they won the League Cup twice before returning to the Eastern Counties League in 1952. In 1954 they turned professional, but financial problems forced them to revert to amateur status and drop back down into the Border League at the end of the 1954–55 season.

In 1959–60 they won the league and League Cup double. They switched to the Greater London League in 1964, and then to the Metropolitan League in 1966. They were renamed Braintree & Crittall Athletic in 1968, and after winning the League Cup in 1969–70, the club returned to the Eastern Counties League again. In 1981 all links with Crittall were severed and the club was renamed Braintree F.C., before adopting their current name a year later. They won their second Eastern Counties League title in 1983–84 and retained it the following season. In 1986–87 they won the Essex Senior Trophy and the following season

they won the League Cup. In 1991 Braintree moved up to the Southern Division of the Southern League. In 1996 the club asked the FA to switch leagues to reduce their travelling. After initially being refused, they were allowed to move to Division Three of the Isthmian League, although it was an effective drop of two divisions. They were promoted as runners-up in their first season, and repeated the feat the following season. After three seasons in Division One they were promoted to the Premier Division with a third-place finish in 2000–01. They won the Premier Division in 2005–06 to earn promotion to the Conference South. The season also saw them reach the first round of the FA Cup for the first time, eventually losing 4–1 at Shrewsbury Town.

Braintree qualified for the promotion play-offs in their first season in the Conference South, but lost 1–0 to Salisbury City in the final. They also reached the play-offs the following season, but lost to Eastbourne Borough in the semi-finals. In 2010–11 they finished as Conference South champions, earning promotion to the Conference Premier. The next four seasons saw the club reach the FA Cup for the first round, losing to Tranmere Rovers, Newport County, Chesterfield and Oxford United in successive seasons. In 2015–16 they finished third in the renamed National League, qualifying for the promotion play-offs. Despite winning the first leg at Grimsby Town 1–0, they lost the home leg 2–0 after extra time. In 2016–17 the club reached the second round of the FA Cup for the first time after beating Eastbourne Borough in the first round; they eventually lost 5–2 to Millwall in the second round. They were relegated from the National League at the end of the season after finishing in the bottom four.

The 2017–18 season saw Braintree finish sixth in the National League South. In the play-offs they defeated Hemel Hempstead Town and Dartford to reach the final, in which they beat Hampton & Richmond Borough 4–3 on penalties to earn promotion back to the National League. However, they were relegated to the National League South the following season after finishing second-from-bottom of the National League. 2 seasons that followed saw major disruption owing to the covid pandemic, 2021–22 season was played to a finish and despite a tough period with 11 straight defeats the team with an increased playing budget were able to secure their place in the National League for this season.

Angelo Harrop was appointed as replacement for the departed Ryan Maxwell, and has had to practically rebuild the whole squad ahead of the season.

A local lad from Wickford in Essex where he spent his early teenage years playing for his local team Wickford Town.

**ALFIE MATTHEWS** Alfie progressed through the ranks at Arsenal where he was part of the youth team and trained with the first team. In 2020 Alfie left Arsenal and despite interest from Serie A & Northern Clubs opted to join Crystal Palace where he featured for the U23's. Alfie left Palace and during 2021–22 season joined Welling United. Alfie is a wholehearted player who is not afraid to get "Stuck In".

**AARON BLAIR** Started the season on loan with Braintree, scoring 5 goals in 7 matches, was recalled by parent club and hardily featured. Re-joined recently on loan from Dagenham & Redbridge. Before putting pen to paper with the Daggers, Blair spent his time playing for Ongar Town where he scored over 100 goals.

**LAMAR REYNOLDS** Joined Braintree in August 2022. Reynolds began his career with Barking, joining the club's youth academy at the age of 16. He later played for Thurrock, Aveley, Grays Athletic, Heybridge Swifts & Brentwood in June 2017, Reynolds was one of 42 players who attended the V9 Academy. After impressing scouts at the academy, Reynolds joined League Two side Newport County on a two year deal. On 2 July 2018, Reynolds joined Dagenham & Redbridge on a free transfer, and subsequently joined Chelmsford City on loan. On 20 June 2019, he signed for National League South side Concord Rangers on a free transfer following his release from Dagenham.

**ALFIE PAVEY** Forward who made the move to Braintree Town in February after leaving National League South side Dover Athletic. Always has been known to be a thorn in the opposition frequently scoring against Braintree. After spending his youth career with Maidstone, where he scored 300 goals in three years for the Stones' academy and youth sides, Pavey earned a move to Championship side Millwall. In his three years with the Lions, Pavey, had loan spells with Barnet, Bromley, Aldershot, Hampton and Richmond, and Dartford. Following a brief spell with Welling United, Pavey returned to Dartford, scoring 28 goals in 38 matches and winning the National League South Player of the Season award. He then joined promoted Havant & Waterlooville and scored four times in 19 appearances before making the move to Dover. He left Dover to sign for Barnet for an undisclosed fee in September 2019 before joining Maidstone in June 2021. Signed for Dover at start of 2022–23 season.

## SUPER SEVEN FOR REDS MATCH REPORT

WORTHING 7  
CONCORD RANGERS 0

FRI 07/04/23, VANARAMA NATIONAL LEAGUE SOUTH  
REPORT BY PADDY GLADMAN

**Ollie Pearce and Ibbi Akanbi starred as Worthing hit Concord for seven on a very 'Good Friday' afternoon at the Crucial Environmental Stadium.**

After a tricky start for the Rebels which saw Harrison Male deliver two sharp stops within the opening minute, they found the opener on the half-hour mark.

Top scorer Pearce bagged his 20th of the season with a cool finish beyond Mitchell Beeney after brilliant hold up play from strike partner Akanbi.

Pearce's 21st came just minutes later when he converted from the penalty spot at the second time of asking. Encroachment forced Pearce into retaking from twelve yards out, however that didn't put off the front man and he duly doubled the hosts' lead.

Worthing were at their free-flowing best in the first half and they found their third five minutes before half time.

Akanbi cut inside before curling a finessed effort which was simply unstoppable, nestling in the top left hand corner.

Any fears of the hosts taking their foot off the gas in the second half were quickly put to bed just three minutes into the second half.

This time Pearce turned provider for Akanbi who prodded home his second of the game from close range.

The Rebels made it five as the clock struck 52 minutes; from a cute free-kick from the left flank, Davide Rodari stole in at the back post to extend the advantage further. Rodari made a nuisance of himself once more five minutes later when his presence forced an own goal from the unfortunate Charlie Campbell, who diverted Joel Colbran's delivery into his own goal.

In the closing half-an-hour Hinshelwood's men showed their class as they saw the game out with ease, putting on a real show for their jubilant supporters.

The icing on the cake came ten minutes from the end when Rodari joined Pearce and Akanbi in bagging a brace; bursting beyond the lacklustre Rangers defence before firing through the legs of a defeated

Beeney.

As for the over 1,300 Worthing fans inside the Crucial Environmental Stadium it was seventh heaven, with the Rebels cruising to a thumping victory which saw them back into the playoff places with five matches to play.
